**INSPECTION REPORT BY AMICUS CURIE IN
COMPLIANCE OF ORDER DATED 31.10.2025 PASSED
BY THE HON'BLE TRIBUNAL.**

1. The applicant has filed the present original application complaining about the villagers polluted atmosphere at village Alamgir in District Ludhiana which is a historic village as Tenth Guru of the Sikhs Shri Guru Govind Sahib ji Visited the same.
2. It is further grieved that there are five ponds in the village which has the population of more than 5000. All the ponds are situated in vastly populated areas. That due to the dumping of the solid wastes in the ponds it has caused untenable living conditions for the locals residing in the said area as well as causing health hazards which further depreciate the living conditions of the locals. Premised upon the afore-said situation the undersigned was appointed by this

Hon'ble Tribunal to assist this Hon'ble Tribunal and provide a detailed report vide its order dated 31.10.2025.

3. That the site in question was inspected by the undersigned on 27.12.2025 and there were around 15-20 persons present at site which also include local. Those were informed about the order passed by this Hon'ble Tribunal. The concern persons present at ponds in question during visit of the undersigned. Copy of attendance sheet is annexed herewith as **ANNEXURE-A1**.

1. The details of the five ponds are as follows:

- (i) Pond on Alamgir Dulay Road, Near Cremation ground (herein after referred as '*Pond no. 1*').
- (ii) Pond near Bhagat- Ravidas Dharam Shala (herein after referred as '*Pond no. 2*').
- (iii) Pond near Bhai Naghaya Singh Hall (herein after referred as '*Pond no. 3*').
- (iv) Pond near Alamgir Village Road (herein after referred as '*Pond no. 4*').
- (v) Pond near Govt. Senior Secondary School (herein after referred as '*Pond no. 5*').

2. That the Inspection Report with respect to the above-mentioned ponds in question are discussed in tandem wise as follows:

I. Pond no.1

The pond is situated at Dulay road, Near Cremation ground and is surrounded by crematorium on one side and on the other side there is road and then followed by vast agricultural land. There were around 40 plants/saplings planted around the pond, however it was observed that there was no proper watering for plants and mostly plants/saplings are also about to die. The garbage is dumped in the surrounding of the pond in question and there is solid waste also dumped at the site, which emits pungent smell. The pond is not fenced. Copy of the photographs of the Pond and surrounded area are annexed herewith as ANNEXURE-A2.

II. Pond no. 2

The pond no. 2 is situated in Pond near Bhagat- Ravidas Dharam Shala and is surrounded by village population. The pond in question is completely covered by garbage, and pond has become dumping for the solid wastes and the public sewage outlet also flows in the said pond. The pond also emits

foul smell, which can cause serious health concerns to the locals residing in the said area. The sewage drainages flows into the pond are also choked/overflowed. There were around 10 plants/saplings planted around the pond, however it was observed that there was no proper watering for plants and mostly plants/saplings are also about to die. One access shaft/culvert was found constructed at the site, which was also choked. The pond is not fenced. Copy of the photographs of the Pond and surrounded area are annexed herewith as ANNEXURE-A3.

III. Pond no. 3

The pond no. 3 is also situated in Pond near Bhai Naghaya Singh Hall, Ludhiana-West and is surrounded by road on two sides and Mandir on the other. The sewage drains flowing into the pond are also choked/overflowed. It was observed that three trees were cut down at the site. There were around 130 plants/saplings planted around the pond, however it was observed that there was no proper watering for plants and mostly plants/saplings are also about to die. At the site one JCB machine was working on the site. The pond in question is

divided into two parts i.e., oxidization and maturation. The oxidization part of the pond was found dry and some workers were working. On the site, there are 4 sump pits drainages constructed for sewage/waste located on the road side of one of the part of pond i.e., maturation portion. The first sump pit receives the sewage waste/solid waste, which then passes through to the 2nd pit and then passes to the 3rd pit and then passes to the 4th pit after that drainage outlet overflow into the pond. The first and third sump pits were almost filled and all the surrounding of the pits were having pungent smell, which can cause serious health concerns to the locals residing in the said area. Undersigned also observed that three trees were cut down. The pond is not fenced. Copy of the photographs of the Pond and surrounded area are annexed herewith as **ANNEXURE-A4.**

IV. Pond no. 4

The pond no. 4 is also situated near Alamgir Village Road and is surrounded by village population. The pond is covered with garbage dump at its peripheries. The sewage waste discharge flows into the pond. There were around 100 plants/saplings

planted around the pond, however it was observed that there was no proper watering for plants and mostly plants/saplings are also about to die. The pond emits foul smell, which can cause serious health concerns to the locals residing in the area. The pond is not fenced. Copy of the photographs of the Pond and surrounded area are annexed herewith as **ANNEXURE-A5**.

V. Pond no. 5

The pond no. 5 is situated near Govt. Senior Secondary School. On the one side it touches the wall of the school playground. The pond is surrounded with the agricultural land. It was observed that the pond was cleaner than the other four ponds. However, just adjacent to the school playground wall, there was a nalla filled with garbage/solid waste. There was no plantation seen at the site. The pond in question is not fenced. Copy of the photographs of the Pond and surrounded area are annexed herewith as **ANNEXURE-A6**.

3. The Hon'ble Tribunal may please consider this report and may pass appropriate order in the interest of justice.
