No. RWC-SSB/NGT/20-21/

Date: 18.04.2020

To,
**The Registrar General,
National Green Tribunal
New Delhi.**

Sub: Action taken report/Compliance on order dated 10/01/2020 passed by the Hon'ble National Green Tribunal, Principal Bench, New Delhi in O.A. No. 533/2019 titled Anubhav Kumar V/s Union of India & Ors.

Sir,

This is in reference to the above mentioned subject; regarding Action taken Report/compliance of the directions passed vide order dated 10/01/2020 by the Hon'ble National Green Tribunal, Principal Bench, New Delhi.

CRWC had submitted its Action Plan/Action taken report dated 10.02.2020 to all the committee members appointed by Hon'ble NGT and compliance report to the same is submitted below:

- 1) Northern Railway shall immediately construct warehouse for handling of cement bags so as to minimize fugitive emissions until then no cement handling shall be permitted.**

This does not pertain to CRWC.

However, it is informed that CRWC's warehouses at line no. 2 & 3 are already covered warehouses which minimize the fugitive emissions. It is also submitted that CRWC is not permitting any loading of stocks in the uncovered trucks. The loading is being allowed only in the trucks properly covered with tarpaulin.

- 2) Mechanical handling of cement bags using conveyor belts shall be introduced by NR and CRWC in order to reduce fugitive emission.**

(i) For mechanical handling of cement bags, CRWC has already made operational at its warehouse two tier-mounted conveyor belt machines with arms. These machines are being used for mechanical handling/unloading of cement bags

इस कार्यालय में हिन्दी के पत्रों का स्वागत है।

सैन्ट्रल रेलसाइड वेअरहाउस कम्पनी लिमिटेड

CENTRAL RAILSIDE WAREHOUSE COMPANY LIMITED
(A Govt. of India Enterprise)
सीआईएन : यू63023डीएल2007पीएलसी165676
CIN:U63023DL2007PLC165676

(ii) In addition to above, CRWC also got designed suitable conveyor belt system with folding arms with the help of the manufacturers of the machines to make mechanical loading/ unloading operations more effective. One such Conveyor belt with folding arms purchased from M/s Vivian Conveyors, Pune, stands installed at the warehouse and has been into operation since 06.02.2020.

(iii) CRWC is facing stiff resistance from labourers, as installation of conveyor machines is affecting their livelihood. The installation of conveyor belt machine has replaced and reduced the number of labourers working at the good shed. Installation of more machines will create more unrest between the management and the labourers. Management is in process for convincing the labourers to use these machines.

(iv) CRWC has invited tenders for purchase and installation of 10 more conveyor belt machines in the warehouse in april'2020. The delivery period has been given 45 days. Due to COVID-19 Lockdown, the ordering and delivery of machines is expected to get delayed.

(v) The following relevant documents are enclosed at Annex - 1 for ready reference:-

- a) Photographs of the two tier-mounted conveyor belts with arms put to use.
- b) Copy of the purchase order no. CRWC/V-RWC, Shakurbasti/19-20/2851 dated 07.01.2020 placed on M/s Vivian Conveyors, Pune for supply and installation of conveyor belts system with folding arms.
- c) Copy of their invoice no. 095/2019-20 dated 20.01.2020 for Rs. 12,70,000/-
- d) Photographs of the conveyor belt system with folding arms which has been put to use.
- e) Copy of NIT for purchase of 10 more machines.

3) The enclosures in the form of flexible belt curtain may be provided for the unloading sides.

(i) CRWC after considering various options available for flexible belt curtains has placed order for supply/purchase and fixing of flexible PVC belt curtain on 07.02.2020. The curtains are under installation. The installation work going on has been stalled due to lockdown in country and it shall be completed in approx. one month after the lockdown is completely withdrawn.

- (ii) The following relevant documents are enclosed at Annex - 2 for ready reference:-
- Copy of the work order placed on M/s Rahul Kaushik Developers Pvt. Ltd. dated 07.02.2020 for supply and fixing of flexible PVT belt curtains.
 - Photographs of the curtains already installed at the Railsid warehouse.

4) Warehouse cleaning shall be done with only mechanical means by NR and CRWC and it shall be done on regular basis. Cement collected shall be properly stored and records be maintained.

(i) For cleaning the warehouse, four number sweeping machines have already been procured by service provider, M/s G. S. & Company, as cleaning of the warehouse being within their scope of work.

(ii) The cleaning is now being done with the help of these sweeping machines on regular basis.

(iii) The cement sweeping is being collected on regular basis and is being stored at designated place in respective compartments. The record for cement sweeping collected is being maintained in a separate register. The sweeping collected is handed over to cement companies/Service Provider.

(iv) The following relevant documents are enclosed at Annex - 3 for ready reference:-

- Copy of the invoice for the four machines purchased by M/s G. S. & Company for sweeping of floors.
- The photographs of the machines put in use for sweeping of floors.
- Copy of the record being maintained for cement sweeping.

5) Peripheral roads for vehicle movement should be paved and these should be properly maintained.

(i) The peripheral road for vehicle movement were already paved by CRWC and is being properly maintained. CRWC has purchased one mini truck loaded sweeping machine from M/s Pyara Singh & Co, Ludhiana for cleaning the peripheral road . The peripheral road/circulating area is now being cleaned with the help of mini truck loaded road sweeping machine purchased by CRWC.

एक कदम स्वच्छता की ओर

It is also submitted that CRWC's has got covered warehouses which protect cement dust emission. It had taken steps to prevent the air pollution and control the fugitive dust emission. It had also deployed part-time physician to check the health of the workers. The plantation was also done at the terminal to control the dust in the environment. Keeping in view the recommendations of the committee, CRWC has undertaken the above additional measures.

Programme: Awareness and protection program for Labour.

Summary of the programme

A programme for labours on awareness and protection from cement dust was organized at CRWC Shakurbasti terminal on 31.01.2020. A total of 50 labours attended this programme.

In the programme, labours were educated regarding health impacts of cement dust emitted during loading and unloading of cement bags. Protective measures were also suggested. The programme was conducted in association with Dr.ArvindRohilla.

Masks and gloves were distributed to all the labours who attended the programme.

Brief of the programme conducted:

Effects of Cement dust on human body

- Irritated eyes, nose, throat and the upper respiratory system.
- Skin irritation, thickening/cracking of skin to severe skin damage.
- Silica exposure can lead to lung damages including silicosis and lung cancer.
- Alzheimer
- Coughing, asthma and other health-related issues.

Protection methods

- Wear a P-, N- or R-95 respirator to minimize inhalation of cement dust during loading and unloading of cement bags.
- Rinse eyes with water if they come into contact with cement dust.
- Use soap and water to wash off dust to avoid skin damage.
- Eat and drink only in dust-free areas, to avoid ingesting cement dust.
- Wear the appropriate personal protective equipment, such as gloves, boots, goggles or HEPA-filter respirators.

Dear Ankush Ji,

As advised we are taking the following steps to ensure the health and safety of workers at CRWC premises and also measures to control the pollution due to dust in this premises -

1. We will conduct a quarterly health check-up camp at CRWC for all workers involved in our cement handling as per the advice of competent physician/environment doctor, we will also do Pulmonary function test & eye testing on the spot, all required Medicines will be provided to workers, we will also distribute spectacles to labourers required as per eye testing. First camp is planned on 3rd March 2020.
2. We will regularly ensure distribution and all time availability of safety PPEs - nose masks/hand gloves as per standard suggested by CRWC Management.
3. We will educate the labour about correct handling of cement bags, impact and safety precautions to be taken by them. This will be done on monthly basis, first is planned on 3rd March 2020.
4. All material will be loaded in tarpaulin covered trucks to avoid spread of dust in the environment.
5. A proper record of all activities conducted at the premises will be kept with us.

This is for your kind information and record please.

Regards,
Sanjeev Sharma

SUBJECT: SUBMISSION OF PLAN INCOMPLAINE TO NGT ORDER DATED 10.01.2020.

In reference to the above-stated order passed by the Hon'ble National Green Tribunal, New Delhi in O.A No. 533/2019. Ambuja Cements Limited herein submits its Health and Safety Activity Plan for the present year, month wise as directed by the Hon'ble Tribunal to the Cement Companies for submitting the proposed plan for being approved by the present expert Committee for implementation of a systematic plan of action for educating and protecting the workers engaged in the activity of cement sacks handling as directed by Hon'ble Tribunal.

In Furtherance to the above-stated Ambuja Cements Limited is also submitting its records for the period from 2017 to 2019 towards PPE's distribution and tool talk box at Shukarbasti, Delhi. Along-with records of workers engaged in the activity of cement handling, once again. It is to be noted that Ambuja cement Limited is already carrying these practices and this was also recorded by this Hon'ble Tribunal in the above-mentioned order that *"Out of five Companies, Only M/s Ambuja Cement reported with systematic plan of action to educate and provide PPE to the labour engaged in the activity of cement sacks handling"*.

Therefore, you are hereby requested to kindly accept our Plan and make suitable alterations if any.

Thanking You

Yours Faithfully,

Enclosed:

1. Health and Safety Activity Plan: 2020;
2. Data for the period of 2017-19 for distribution of PPE's and TBT, Shukarbasti, Delhi.
3. Records of workers engaged in the activity of cement handling for the Period 2017-19.

Sub: Submission of Status & work Report on Health and Pollution, for Hon`be National Green Tribunal. (NGT) New Delhi (Dated : 16 Apr,2020)

Sir,
This is to inform you that as per the requirements and directions been passed by Hon`ble National Green Tribunal (NGT), we hereby submitting our monthly progress work completion report.

That, we have conducted medical & awareness camp in the month Jan,2020, whereas we have distributed Mask, Gloves, & Medicine as per the Doctor prescription and educated them on pollution's side effects, all labours have attended the Medical & Awareness Camp.

That, we have repeated the same in the month of Feb, 2020, whereas we have distributed the Mask & Gloves and educated them regarding air Pollution's side effects & Hygiene procedure, attendance of the labours been marked. Hence, due the Pandemic COVID -19,(Corona Virus) we were unable to perform any activities in the month of Mar,2020 as directed to us, due to Govt. Of India notification on COVID-19, all states & UT been directed to follow the guidelines of lock down. Hence no work is in progress all labours are on hold.

Medical Test has been conducted of rest of the 45 labours apart from the 61 labours. Reports of the labours been kept with medical authorities in Mahavir Hospital, as soon as the period of the lock down complete, we shall submitted the same in your office.

MONTHLY SYSTEMATIC PLAN OF ACTION TO EDUCATE AND PROTECT LABOURS ENGAGED IN CEMENT HANDLING (loading & unloading).

REF: ACL RESPONSE DATED 27.02.2020 AND 16.03.2020

SUBJECT: REPLY TO YOUR EMAIL DATED 07.04.2020

You are hereby apprised that we are already doing the activity in respect to health assessment, training, providing PPE at work place as suggested in the expert opinion provided to us and further other opinions are yet to be scrutinized, which at present is untenable due to prevalent crisis and challenges faced due to threat posed by the growing pandemic of COVID-19, the Corona virus - which has taken in its grip the whole world including India.

Apart from above, the state government has issued circular and directions for closing down the offices and operations due to lockdown/ curfew imposed by the Government to stop the spread of this pandemic.

Therefore, you are hereby requested to consider our health and safety activity plan for the year 2020, which is already implemented by us and in the month of January, 2020 we have provided a CGS Camp for conducting general awareness in respect to health and safety and further in month of February, 2020 we have distributed mask and gloves at Shukarbasti, Delhi.

Your kind attention is also drawn to the order of the NGT, wherein it was observed by the Hon'ble Tribunal that *"Out of five Companies, Only M/s Ambuja Cement reported with systematic plan of action to educate and provide PPE to the labour engaged in the activity of cement sacks handling"*.

Therefore, considering our previous good practices, you are hereby requested to consider our response provided to you referred herein above and also, once the situation gets normal we will revisit our proposal in consultation with you.

Thanking You,

For M/s Ambuja Cement Ltd
