**STATUS REPORT ON BEHALF OF DELHI POLLUTION  
CONTROL COMMITTEE WITH RESPECT TO ORDER DATED  
06.05.2022.**

1. That this Hon'ble Tribunal took up the above referred matter on 06.05.2022 and was pleased to constitute a joint Committee of CGWA, DPCC and Deputy Commissioner(West) to take action against illegal filling up of the ponds and conversion thereof to other uses for making new projects and grabbing the land.
  
2. That a joint inspection was carried out on 20.06.2022 of the site, by official of DPCC, Revenue and CGWA. During the inspection, the joint committee has observed as follows :-

**1. Sangoosar Johdi:**

The Pond site has been converted into a public Park with open Gym.

**2. Guga Johdi:**

The Pond site has been converted into a public Park with an open Gym and playground.

**3. Gulli Johdi :**

The Pond site has been filled up by the earth and divided into two

portions.

In one portion a community hall has been constructed with a temporary volleyball court.

The other portion is being used as a community dumping site beside open land.

#### **4. Shishuwala Talab :**

The Shishuwala talab is situated across the main Rohtak Road in extended Awadi of village Mundka. The sewage from the adjoining community/inhabitants flowing into the talab. Further, to avoid overflowing from the talab, the water is being pumped by a mechanical pump and discharged into a storm water drain constructed along the main Rohtak Road. Embankment construction of the said talab is also under process.

During the inspection it has been observed that civil construction for making a platform for placing transformers of BSES and other civil construction work for the establishment of the water treatment plants based on Phytoid technology is also being constructed by Delhi Jal Board(DJB).

Copy of the joint inspection report dated 20.06.2022 alongwith photographs are enclosed herewith as ANNEURE-1.

3. In view of the above, the present status report may kindly be taken on record.
