NORTH DELHI MUNICIPAL CORPORATION & ORS. ...RESPONDENTS

**Status Report on behalf of the Respondent/ Municipal Corporation
of Delhi.**

1. That the present status report is in continuation of earlier status report filed by answering respondent MCD on 3/2/23. That, since no other feasible site was available in the entire ward, then DC Narela, (MCD) narrowed down, to the site, which was being used as JE(Store),.The Store is used by MCD for stacking cement, sand, aggregate, Iron rods, Sanitary Fittings, Fixtures etc. The store of the JE was got vacated and material was transferred to another place. The structure constraints were sorted out with technical inputs. The concessionaire was shown the site and he agreed that he will build the FCTS,(Fixed Compactor Transfer Station), which is secondary storage for collection of garbage.
2. The land (Store of JE MCD) was handed over to Concessionaire vide allotment no.EE(DEMS)2022-23/D-47 dt.02/02/23, for the area 90 feet x 30 feet in Bakhtawarpur for installation of Portable Compactor Transfer Station was issued to M/s IPMSWSPL("The Concessionaire").(Copy of letter attached herewith as **Annexure 'A'**).

3. That the construction of FCTS could not be materialized at the abovementioned site due to heavy public hindrance and objection of PWD that the land in question is in R.O.W. (right of way).
4. That since no other site is available in Khampur , the primary collection of door to door service through Tippers will be transported to secondary collection point i.e Fixed compact transfer station (FCTS), which is constructed recently, at TARZAN Colony in the vicinity of 3 Kms (approx) distance from the Khampur Village as per SWM Rules 2016. The photographs of the site at which FCTS is installed are annexed herewith as **Annexure B**.
