BEFORE THE NATIONAL GREEN TRIBUNAL, PRINCIPAL BENCH, NEW DELHI

Original Application No. 47 of 2024

In the matter of

Gen Secretary

Industrial Focal Point Welfare Association

.....Applicant

V/s

State of Punjab

.....Respondent

Current Status Report of Punjab Pollution Control Board through Er. Kamal Singla, Environmental Engineer, Punjab Pollution Control Board, Regional Office, Sri Fatehgarh Sahib, in compliance of order dated 27.08.2024.

Respectfully Showeth:

1. That the above-mentioned case relating to the grievance of the applicant with regard to the overflowing of sewage from the sewerage line, which was laid in Industrial Focal Point, Khanna, District Ludhiana, State of Punjab in the year 2016 is pending for adjudication before the Hon'ble Tribunal.
2. That the Hon'ble Tribunal vide orders dated 07.03.2024 has constituted a Joint Committee comprising of Punjab Pollution Control Board and District Magistrate, Ludhiana with direction to submit report. The Joint Committee report was filed before the Hon'ble Tribunal on 27.06.2024. After consideration of the matter, the Hon'ble Tribunal was pleased to pass an order dated 10.07.2024 thereby impleading the Punjab Pollution Control Board and other

parties as respondents in the case. In compliance of order dated 10.07.2024, the Punjab Pollution Control Board has filed a status report before this Hon'ble Tribunal. Vide order dated 27.08.2024, the Punjab Pollution Control Board has been directed to file current status report in the case.

3. That briefly submitted 49 industrial units are situated in the Focal Point, Khanna and out of the said 49 units, 46 industrial units have obtained the consent to operate of the Board under the provisions of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 as per their requirement. Out of the remaining 3 industrial units, 2 units have been permanently closed and 1 unit has been closed on temporary basis. No industrial unit is discharging its industrial wastewater into the sewer line except domestic waste. All the industrial units are complying with the environmental norms. A list of the 49 industrial units with name, address, scale of industrial unit, category, type of industrial activity, validity of consent to operate under the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 is enclosed as **Annexure-A**.
4. That the area in question was again visited by the officer of the Board on 20.09.2024 and it was observed that the stagnation earlier caused by overflowing of the sewer system has been removed and desilting work was in progress in the Focal Point area of Khanna city. As per the statements given by the officers of Municipal Council, Khanna and the Punjab Water Supply & Sewerage Board, which are engaged in the process of desilting of the sewer line and cleaning of intermediate pumping station (IPS), 59% of the work of

3

desilting of sewer line and cleaning of pumping station has been completed and the remaining work will be completed by 31.12.2024.

5. That it is pertinent to mention here that the Punjab Pollution Control Board is monitoring the STP Khanna of 29 MLD capacity on regular basis and the samples of effluent collected for the month of August 2024 on 02.08.2024 were sent for analysis to the laboratory of the Board at Patiala. As per the water analysis report issued on 13.08.2024 by the Water Laboratory of the Punjab Pollution Control Board, Patiala, the analysis results were found within the prescribed standards. A copy of the water analysis report issued vide letter endst. no. 20271-73 dated 13.08.2024 by the laboratory of the Punjab Pollution Control Board is enclosed as **Annexure-B**.
6. That further it is submitted that the industrial units impleaded as respondents no.5, 16, 24, 27 and 32 who have not appeared before this Hon'ble Tribunal were visited by the officer of the Board on 20.09.2024 and the observations of the visiting officer are mentioned below:

a) Following industrial units have been closed permanently.

- i. Respondent no.5 namely M/s Aarti Agro Industries, Plot No C-21, Focal Point, Khanna.
- ii. Respondent no. 27 namely M/s Jain Hans Paper and Mill Board Industries, C-52-53, Focal Point, Khanna.

b) Following industrial unit has been closed on temporary basis

- iii. Respondent no.16 namely M/s Dashmesh Batteries and Metal Industries, D-96, Focal Point, Khanna,

c) Following industrial units have obtained the consents of the Board and are complying with environmental norms.

- iv. Respondent no.24 namely Gupta Steel Udyog previously Charoen Pakhphand Food Pvt. Ltd., Focal Point, Khanna, Ludhiana.
 - v. Respondent no. 32 namely M/s Kiran Feed Corporation, D-112, Focal Point, Near Godrej Agrovet Ltd., Khanna, Ludhiana.
7. That the status report earlier filed by the Board in compliance of order dated 10.07.2024 may kindly be read as part of the present status report.
 8. That the current status report on behalf of the Punjab Pollution Control Board is hereby submitted in compliance to the orders dated 27.08.2024 for kind consideration of the Hon'ble Tribunal.
