DESPATCH

Ref: Hon'ble NGT Order dt. 11.01.2022 in OA No. 04 of 2013.

In the reference cited, the Hon'ble NGT had issued directions to the Coastal States of India to prepare Shoreline Management Plan to protect the erosion of Sea Shore by adopting suitable remedial measures before taking up any coastal protection measures.

In the recent times the coast of Andhra Pradesh is facing severe erosion and many of the infrastructures like roads, buildings and other basic amenities have got damaged. The phenomenon is increasing day by day.

In view of the above, there is dire requirement to prepare Shoreline Management Plan for Andhra Pradesh to find scientific solutions to address the intensifying coastal erosion problems.

It is requested that the Ministry may support the Govt. of Andhra Pradesh by preparing shore line management plan for Andhra Pradesh through National Centre for Coastal Research (NCCR) and suggest solutions to address the present problem of coastal erosion.

It is therefore requested that Shoreline Management Plan (SMP) of Andhra Pradesh may be prepared through NCCR in order to save the eroding coast of Andhra Pradesh.

The APPCB will provide necessary logistic support and local hospitality.

We look forward for a favorable reply in this regard.

Yours faithfully,
