**N.D.O.H 30.09.2020**

Hon'ble Sir,

It is most respectfully submitted that:-

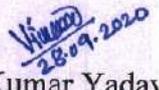

1. In reference to order dated 01.11.2019 passed in OA-No-957/2019, in the matter of Rais Ahmed & Ors. Vs. GNCT of Delhi received on 18.07.2020. In compliance of the Hon'ble NGT order, a letter was sent to the Supdt. Engineer (South), Delhi Jal Board, vide letter dated 20.07.2020 for submission of the requisite /status report. The Supdt. Engineer (South), submitted his report vide letter dated 28.08.2020, mentioning therein that:-
  - I. An inspection was carried out on 27.08.2020 regarding Khasra No. 106 (0-13), of Village Okhla and found that the said Khasra is situated inside the campus of Jamia Milia Islamia boundary.
  - II. There is no well found in Khasra No. 106 (0-13), as on today, hence question of sewage disposal in well does not arise.
  - III. Since, there is no well hence question of water contamination does not arise.
  - IV. Entire Sewer system of the buildings under Khasra No. 106 (0-13) is connected with the DJB sewer system & two bulk connections of DJB are there, further water is supplied through their own internal water distribution system. (Annexure "A")
2. Further a report dated 25.09.2020 was submitted by the Tehsildar Defence Colony vide which it is stated that :-
  - a) Prima facie the said site seems to be located in the campus of Jamia Milia Islamia.
  - b) There is a hostel on the said site which was built around 15-16 year back as per information given by the bearer, Mr. Masood Ahmed, who works here for last 36 years.

*Masood*  
28-09-2020

**Cont...2/-**

- c) There used to be a well at the said site around 25 years back which has been filled during development of the site and hostel has been made on the same
- d) There is proper Sewer system connected to the Delhi Jal Board Sewage System and there is proper disposal of excreta through these sewers.
- e) The above inspection is carried out manually on the basis of sizra, however the demarcation can be done for the exact location. (Annexure "B")

Report is submitted for kind perusal & further direction please.

**Subject: - Regarding OA No. 957/2019 of Hon'ble NGT order Dated 01.11.2019 in the matter of Rais Ahmed & Ors. GNCTD.**

Reference No. F.SDM(DC)/SE/2020/2779 dated 20.07.2020.

R/Sir,

In compliance to above matter and reference letter received from your office. It is submitted that joint inspection was carried out along with the officials of Jamia Millia Islamia on 27.08.2020, regarding Khasra No. 106 (0-13) of Village Okhla and found that the said Khasra is situated inside the campus of Jamia Millia Islamia boundary duly confirmed by officials present there and it was also confirmed by the complainant on telephone. After detail survey **No Well** was found at Khasra No. 106 informed by the Jamia Officials. The Jamia official further stated that there was a well, which was filed up about 25 years back during the development of the area.

However, the point wise clarification of your questions in the letter are as follows:

| S. No. | Issue  | Reply   |
|--------|--|---|
| 1      | Whether any Sewage disposal from Jamia Milia Hostels is coming to the said well. | There is no well found in Khasra No. 106 (0-13), as on today, hence question of sewage disposal in well does not arise. |
| 2      | Whether the water of the well is being contaminated.                             | Since, there is no well hence question of water contamination does not arise.   |

File to NGT

Raksh

28-09-2020

|   |   |  |
|---|---|--|
| 3 | Whether the water of the well is fit for drinking or not.                             | Same as above  |
| 4 | Any other issue to be noticed at the time of personal visit of the concerned officer. | Entire sewer system of the buildings under Khasra No. 106 (0-13) is connected with the DJB sewer system & Two bulk connections of DJB are there, further water is supplied through their own internal water distribution system. |

Report is submitted please along with copy of map and Joint Inspection report.

**Encl:** As above
