BEFORE THE NATIONAL GREEN TRIBUNAL, PRINCIPAL BENCH,

NEW DELHI

O.A. NO. 687 OF 2023

IN THE MATTER OF

In re: Air Quality Index in Various Cities

ACTION TAKEN REPORT ON BEHALF OF GOVERNMENT OF BIHAR.

I, Sudhir Kumar, aged about 58 years, Son of Late Parmanand Prasad residing at Kidwaipuri, P.S.- Kotwali, District- Patna, do hereby solemnly affirm and state as follows:

1. That I am posted as Additional Secretary, Department of Environment Forest and Climate Change, Government of Bihar, and as such I am well aware of the facts and circumstances of the present matter. I am competent and duly authorized to file the instant report.
2. That the instant matter was last heard on 22.11.2023 when the Hon'ble Tribunal was pleased to direct the State to file fresh report disclosing the funds received under the NCAP scheme for the non-compliant cities and its utilization and to take steps to ensure that the air quality does not dip in the cities under consideration.

3. That the three non-attainment cities in State of Bihar are Patna, Gaya and Muzaffarpur. The funds are released for Patna under the NCAP scheme and under 15th Finance Commission and for Gaya and Muzaffarpur funds are released under the NCAP Scheme. The details of its utilization is hereunder:-

PATNA:-

- i. Under the NCAP scheme Rs. 10 crore was released for Patna in FY 2019-20 and under the 15th Finance Commission Rs. 204 crores was released in FY 2020-21 and Rs. 84.60 Crores in FY 2021-22. Therefore a total of Rs. 298.60 Crores has been received jointly under the NCAP scheme and under 15th Finance Commission for Patna. Out of Rs. 298.60 Crores received Rs. 194.26 Crores has been utilized and Rs. 104.34 crores is remaining for utilization. The funds under the NCAP has been utilized for 74 different works carried out by the Patna Municipal Corporation which, *inter-alia*, includes Awareness through radio jingles, Nukkad Natak; Setting up of CAAQMS stations; Establishment of Vermi Compost Unit; Procurement of Water Sprinklers; Development of parks; Operation and Maintenance of Sweeping Machines; Organization of training programs and other activities. A total of Rs. 9.68 crores were spent for the above mentioned activities from Rs. 10 crores allotted under the NCAP Scheme. The funds received under 15th Finance Commission were utilized in Setting up of 150 KVA Electric

Transformer for Legacy Waste at Ram Chak Bairiya; Purchase of 7 Water Sprinklers; Operation and Maintenance of 6 sweeping machines; Construction of Road and underground drain work in various wards under the Patna Municipal Corporation; Desilting of drains; Establishment and Commissioning of Electric Crematorium; Purchase of 9 units of 1000 Kgs waste composter and 3 units of 2000 Kgs Waste Composter; Renovation and Development of old parks; Creation of Public Awareness; Infrastructure Development (AQM Cell); Procurement of CNG buses. A total of Rs. 184.58 crores were spent in above mentioned activities from Rs. 288.60 crores allotted under the 15th Finance Commission.

The details of the funds received for Patna and its utilization is annexed and marked as Annexure-1.

MUZAFFARPUR:-

- i. Under the NCAP scheme a total of Rs. 14.01 Crores was released for Muzaffarpur during FY2019-20; FY 2020-21; FY 2021-22; FY 2022-23 & FY 2023-24. Out of the total Rs. 14.01 Crores received Rs. 7.029 Crores has been utilized and Rs. 6.98 crores is remaining for utilization. The funds were utilized for Construction of footpath; road construction; laying of paver blocks; public awareness; purchase of 2 no. of water sprinklers; purchase of 1 no. of super sucker machine; purchase of 2 no. of road mechanical sweepers; purchase of one enforcement vehicle.

The details of fund received for Muzzafarpur and its utilization is annexed and marked as Annexure-2.

GAYA:-

- i. Under the NCAP scheme a total of Rs. 9.42 Crores was released for Gaya during FY2019-20; FY 2020-21; FY 2021-22; FY 2022-23 & FY 2023-24. Out of the total Rs. 9.42 Crores received Rs. 6.44 Crores has been utilized and Rs. 2.97 crores is remaining for utilization. The funds were utilized for public awareness; procurement of water sprinklers; construction of animal crematorium; purchase of 70 CNG vehicles.

The details of fund received for Gaya and its utilization is annexed and marked as Annexure-3.

4. That city specific clean air action plan under NCAP has been prepared for three cities namely Patna, Gaya and Muzaffarpur. Under the action plan actionable items for different departments have been mentioned. The compliance status of the actionable items of different departments is hereunder:-

TRANSPORT:-

- i. Addition of new Electric and CNG buses is being done and a fleet of 158 electric buses and 934 CNG buses is operational in State of Bihar;
- ii. 326 drives have been carried out to check plying of 15 years or more old diesel driven commercial vehicles within the city limits of Patna, Gaya and Muzaffarpur and actions have been taken against 6354 vehicles which were found to be plying in violation;
- iii. Complete ban on 2-stroke autos has been imposed within the city limits of Patna, Gaya and Muzaffarpur;
- iv. PUC check infrastructure has been strengthened and 297 petrol pumps has the facility of checking and issuing PUC certificates in all the three non-attainment cities;
- v. Incentives is being given for use of cleaner fuel vehicles and around 31,804 persons have received for purchasing/using cleaner fuel vehicles;
- vi. Good traffic arrangement is being ensured to avoid traffic congestion;
- vii. Rs. 16,86,02,469/- has been recovered as fine from the drives carried for checking emission (PUC) from the non-complying vehicles.

INDUSTRY:

- i. Action against non-complying industries is being taken by the State Pollution Control Board and Closure Direction has been issued to 8

units and Proposed Closure Direction has been issued to 13 units and Environmental Compensation has been levied against defaulting units;

- ii. 22 category of new industries of polluting nature are banned within the city limits of Patna, Gaya and Muzaffarpur;

BIOMASS AND GARBAGE BURNING:

- i. Waste Composting Plants are being promoted at city level; around 2000 houses have been selected for promoting home composting;
- ii. Seven Material Recovery Plant (MRF) have been established; 2 recycling units have been established;
- iii. LPG connection has been provided to 23508 low income group families in Patna, Gaya and Muzaffarpur;
- iv. Mass awareness programs is being carried out to discourage stubble burning;
- v. In year 2023, 785 farmers have been blacklisted from various benefit programs of the State for farmers for indulging in stubble burning;
- vi. The Agriculture Department reached out to 447763 farmers in FY 2023-24 through Kisan Chaupal program and the farmers were educated about the benefit programs being run by the State Government.

CONSTRUCTION:

- i. Transportation of building and construction materials including demolition waste is being carried in covered vehicles;
- ii. A fine of Rs. 86,540/- has been imposed on construction sites which were not covered with green sheets;
- iii. A fine of Rs. 5,57,700/- has been imposed for storing construction materials on the sides of public roads;

ROAD DUST

- i. Daily sweeping of all the roads coming under the jurisdiction of the Municipal Corporation Patna, Gaya and Muzaffarpur is being done through mechanical and manual sweeping;
- ii. In Patna, mechanical sweeping is being done through 14 sweeping machine, in Gaya through 1 sweeping machine and through 2 in Muzaffarpur;
- iii. Water sprinkling is being done regularly through Anti Smog Gun Machines and water tankers;

A copy of tabular chart containing the details of the aforesaid steps is annexed and marked as Annexure-4.

5. That in light of the above steps taken by the State authorities the AQI of different cities has not further dipped and from the available data of AQI of

last few days it can be seen that the AQI has improved and not further deteriorated in the cities under consideration.

6. That I have read the contents of the report and have understood the same and nothing material has been concealed therefrom and the annexures are true copies of their respective originals.
