Report

Subject: - Orders dated 14.07.2023 passed by Hon'ble National Green Tribunal in Original Application No. 807 of 2022 titled as Bhavak Parasher versus Smt. Indu Walia & ors.

A. Introduction

The Original Application No. 807 of 2022 was listed before the Hon'ble National Green Tribunal on 14.07.2023 and the Hon'ble National Green Tribunal was pleased to pass the following order: -

"1. There is allegation of cutting of trees and leveling of hill tops causing substantial environmental damage to the natural habitat.

2. Learned counsel appearing for the respondent has submitted that this application has been filed due to ill motive and for plantation permission which is required to be taken from the competent authorities, will be taken according to the rules. Since the allegations are with regard to cutting and felling of the trees and leveling of hill tops in violations of the environmental rules without any authority, thus, we direct the District Magistrate, Una, DFO, Una and representative of State PCB to visit the site and submit the factual and action taken report within three months.

3. Respondents are directed to submit their reply within six weeks through E-filing portal, preferably in the form of searchable PDF/OCR Support PDF and not in the form of Image PDF.

4. List it on 14th September, 2023."

B. Site jointly visited by the Committee on 16.08.2023.

In compliance to above referred directions issued by the Hon'ble National Green Tribunal, the site in question was jointly inspected by the Deputy Commissioner Una, Divisional Forest Officer Una and Regional Officer H.P. State Pollution Control Board Una in the presence of above named applicant Shri Bhavak Parasher and Shri Ram Parkash Singh, the

Deputy Commissioner,
Una, District Una (H.P.)

husband of Smt. Indu Walia i.e. private respondent No.1 alongwith the Assistant Town & Country Planner Una, the Mining Officer Una, Tehsildar Una and other officials from the Revenue Department as well as other concerned departments on 16.08.2023 at 12:30 P.M. During the course of inspection the above named applicant apprised the Deputy Commissioner Una that he has filed the aforesaid Original Application No. 807 of 2022 before the Hon'ble National Green Tribunal with following points: -

- The Private respondent No.1 has done large- scale illegal felling of trees/Deforestation on the site.
- The development on the site has destroyed/blocked natural pathway of water (natural choi).
- During development, natural gradient/ topography has not been maintained.
- Height of cutting of hills is more than permissible limit.

The husband of private respondent No.1 i.e. Smt. Indu Walia present during the joint inspection submitted that they have applied for permissions from TCP & RERA which are yet to be obtained and no sale of plots is being done at present due to stay order from RERA. After the site visit and observations made, the Deputy Commissioner Una issued following directions to all the concerned officers/stakeholders: -

- The Divisional Forest Officer Una will submit his detailed report within a week regarding felling of trees on the site alongwith their species and also mention in his report as to whether the said private respondent No.1 has taken prior approval/permission from the Forest Department for felling of trees and if taken under which provisions/rules the permission has been granted by the Forest Department. If not taken then what action has been taken by the Forest Department against the said private respondent No.1.
- The Assistant Town & Country Planner Una will submit his detailed formal report including photographs of the site within a week as per their norms about extent of cutting of hills and state as to what extent the cutting has been taken place on site.

Deputy Commissioner,
Una, District Una (H.P.)

- The Regional Officer, H.P. State Pollution Control Board Una will submit his detailed report within a week alongwith norms as to whether the cutting of hills has been made violating the relevant Environment Rules.
- The Mining Officer Una will submit his report within a week as per mining norms in respect of site.
- The Tehsildar Una will submit his detailed report within a week after getting the land demarcated mentioning therein ownership of land, developed & undeveloped area and greenery alongwith map showing access to the site. He will also report regarding existence of natural chois on the site and status of compliance of orders issued by RERA.
- The above named applicant Shri Bhavak Parasher and Smt. Indu Walia will submit additional documents/information in support of their versions, if any.

The copy of aforesaid joint inspection report dated 16.08.2023 is annexed as **Annexure B-I**.

C. Departments Reports

In compliance to aforesaid directions issued by the Deputy Commissioner Una during the course of joint inspection dated 16.08.2023, the concerned departments have submitted their reports which are as under: -

- (i) The Deputy Conservator of Forests Una Forest Division Una vide his office letter No.5808 dated 26.08.2023 (copy annexed as **Annexure C-I**) has reported that 130 trees of Japani Toot of different classes were found felled in the private land of Smt. Roshni Devi Wd/o Sh. Babu Ram and Sh. Kewal Krishan S/o Sh. Gian Singh R/o Malahat during the year 2019. All these trees were found felled after obtaining proper permission from the competent authority and the produce of these trees were exported with proper permission. No illicit felling was detected on the spot. He has also reported that during month of May, 2022 Indu Walia, Harsimar Singh, Ravi Kumar, Sucha Singh and Jasbir Singh were leveling their private land on which some trees of Japani Toot, Simbal and Tuni were found felled. The Forest field staff had chalked out damage reports and recovered an amount of Rs.1,01,000/- as penalty from the offenders.

Deputy Commissioner,
Una, District Una (H.P.)

(ii). The Assistant Town Planner Una-cum- Member Secretary, Special Area Development Authority Una vide his office letter No. SADA (Una)-NGT New Delhi-O.A. -807/2022-2020 dated 24.08.2023 (copy annexed as **Annexure C-II**) has reported that the land is being developed in the shape of Colony. The proposal for Sub-division of land comprising Khasra No. 2871, 2873/1, 2874, 3423/2875, 2878, 2879, 2893, 2894, 2895 Mohal Malahat Tehsil & District Una into 145 Nos of residential plot & 115 Nos of commercial plots has also been received from Smt. Indu Walia. The land owner has carried out the cutting of Land/hill at Site. It is observed from the "Cut Slope" that the height of cutting of land towards Eastern and Northern side of land developed at Site is averagely 8.00 mtrs and 6.00 mtrs respectively, from the ridge of "Cut Slope" (photographs and Site Plan attached). He has further reported that the development of land attracts the provisions of the Appendix-7 of the Himachal Pradesh Town and Country Planning Rules, 2014 and as per said Appendix the hill cut shall be of max.3.50 mtrs. The "Cut Slopes" available at site reflect less width of mounds at their peaks. The height of mounds reduces & width increases gradually.

(iii). The Mining Officer Una vide his office letter No. Udyog (Bhu)-Laghu-UNA-OA 807/2022 dated 24.08.2023 (copy annexed as **Annexure C-III**) has reported that as per the Himachal Pradesh Minor Minerals (Concession) Mineral (Prevention of Illegal Mining, Transportation and Storage) Rules 2015 mineral concession over private land is granted in form of mining lease & over Government land the concession is granted by Auction only. In present case the land is private land and project proponent has neither applied for mineral concession nor any mineral concession is granted by him. Only cut and fill work over private land was observed by the Committee. There is no provision in the Himachal Pradesh Minor Minerals (Concession) Mineral (Prevention of Illegal Mining, Transportation and Storage) Rules, 2015 for granting permission of plot development work.

(iv). The Regional Officer, H.P. State Pollution Control Board Una vide his office letter No. HPSPCB/RO/Una/OA 807 of 2022/2023:1455-56 dated 23.08.2023 (copy annexed as **Annexure C-IV**) has reported that during inspection on 16.08.2023, no activity of construction of colony/building/projects was found started yet and only land development/leveling work was found being carried out at the site. He has

Deputy Commissioner,
Una, District Una (H.P.)

also reported that the contents in the subject cited matter is related to issues of felling of trees and leveling of hill top/ land development for sale of plots by respondent No. 1. The felling/cutting of trees is regulated by Forest Department under Indian Forest Act, 1927/ Forest Conservation Act, 1980 and the State Board has no mandate under these Acts. Further, the State Board has no mandate to grant permission with respect to the issues of land development and sale of plots. So far as issue of cutting of hills for leveling/development of land, the said issue is regulated by planning laws. The site in question falls under the ambit of Special Area Development Authority (SADA) Una, H.P. and the Assistant Town Planner has apprised during the joint inspection that the site in question has not been approved by SADA for construction project. At present, neither the owner of the land has applied for consent of the Board for construction of building project nor the State Board has granted consent to any project under Water Act, 1974 and Air Act, 1981 at the site in question. The State Board shall keep vigil on the site and ensure compliance of Water Act, 1974 and Air Act, 1981 in case of any commercial building project is constructed at the site.

(v). The Tehsildar Tehsil Una vide his office letter No.416/RC Una dated 30.08.2023 (copy annexed as **Annexure C-V**) has submitted his detailed report according to which as per jamabandi for the year 2020-2021 of Mohal Malahat, Tehsil & District Una the land in question comprised in Khasra Nos 3667/2858, 2859, 2860, 2861, 2862, 2863, 2870, 2871, 2873/1, 3151/2874, 3152/2874, 3153/2874, 3154/2874, 3421/2875, 3422/2875, 3423/2875, 2878, 2879, 2893, 3547/2894, 3548/2894, 3842/3549/2894, 3843/3549/2894, 2895 kitta-24 measuring 11-96-98 hectare. Out of total land measuring 11-96-98 hectare, 05-16-49 hectare is recorded in the name of Smt. Indu Walia and rest of the land is recorded in the names of the other owners and it is recorded in jamabandi for the year 2020-2021 of Mohal Malahat Tehsil & District Una as Khadetar. Further, out of the total land i.e. 11-96-98 hectare, only 08-34-50 hectare land is developed. The Tehsildar Una has reported that the stagnant water was found over the land bearing Khasra No. 2896 measuring 0-46-30 hectare, kism khadetar which is recorded in the name of Daulat Ram son of Kanshi Ram son of Dasaundhi and others and in column of possession Hariya & ors are recorded as Gair Marusi. There is no chohi & nala existing in the land developed by the respondent Smt. Indu Walia. However on the western

Deputy Commissioner,
Una, District Una (H.P.)

side of the said land, a choi existing over the Khasra No. 2850 measuring 0-07-16 hectare and a Gair Mumkin Chala existing over the land bearing Khasra No. 3156/2876 measuring 0-03-45 hectare and a Gair Mumkin Nala existing over the land bearing Khasra No. 3155/2876 measuring 0-00-60 hectare. The flow of these aforesaid water sources is not blocked. He has further reported that the stay order issued by the RERA has been implemented in the relevant revenue record by entering Rapat No. 544 stay RERA dated 24.07.2022 which has also been reflected online.

(vi). The above named applicant Shri Bhavak Parasher vide his letter dated nil received in this office on 29.08.2023 (copy annexed as **Annexure C-VI**) has submitted that his letter dated 03.08.2023 may be considered as additional documents/information in support of his version. He has also submitted that the topographical images from Govt. Remote sensing agency of area from year 2018 onwards may be procured to access real time images of Topographical changes done by respondent No.1 Smt. Indu walia. Further Existence of Choe area may be got investigated from revenue record of 1985. Since then lot of manipulation seem to have been done in recent years as present records do not match actual status on ground. As per his earlier letter dated 03.08.2023, a complete topography of area shall reveal that the entire area is an area for rain harvesting/water conservation/rain catchment area very important to control floods.

(vii). The private respondent No.1 i.e. Indu Walia has submitted in her reply dated 28.08.2023 (copy annexed as **Annexure C-VII**) that she has already applied for the codal permission from the TCP and RERA and at the relevant time she is not involved in sale/purchase of any land from her private land to any individual. There is already a stay in operation from RERA to sale the property without prior permission of concerned department. At the cost of repletion, it is again submitted that no sale has been taken place without approval from her land. While leveling her private land she has not destroyed/blocked any natural path way of water nor does any water pathway ever existing on her land. No inlet or outlet of water was ever existing over her land which is seen by naked eyes at the spot, even by the joint committee which inspected the spot. In fact natural any path way of water (Choi) exists far away towards western side of her land and the same exists in Khasra No.2876 & 2850 etc. She has never changed the topography of her land. Her

Deputy Commissioner,
Una, District Una (H.P.)

land was in shape of uneven land and she has only leveled the said land to develop the same which was shown as Khadetar. The land developed is below the level of N.H. which falls within the distance of 500 meters from N.H. and the work done/ made by her had not affected any individual, public at large and not even against the public policy prevailing at the relevant time and even the same has not changed the topography of the land. She had taken care of all the norms made by the all concerned and leveled her land in a scientific manner. She has not made any cutting of any hills as alleged by the complainant in his original application. Since her land was in a zig –zag shape and uneven on the spot and she has only leveled the same as per norms. This way she has not flouted any norms issued by the different departments. She has also submitted that the original application filed by the complainant is outcome of the personal enmity and the same was filed by the complainant just to settle his personal scores. Even her husband had to face allegations of Section 302 IPC at the instance of complainant in which her husband was acquitted by the competent court of law. Complainant was also accused in criminal case as the complainant alongwith his associations had mercilessly beaten her husband although, the complainant was also acquitted by the learned Court. At the cost of repetition, even the complainant has also filed an application under Section 319 Cr. PC to implead her as an accused which was rightly rejected by the learned Sessions Judge Una and the complainant had assailed the said order before the Hon'ble High Court of H.P. and the Hon'ble High Court of H.P. confirmed the order passed by the learned Sessions Judge Una. The original applicant has assailed the judgment of acquittal of her husband passed by the learned Sessions Judge Una before the Hon'ble High Court of H.P. Shimla and the same is pending before the Hon'ble High Court of H.P. Shimla. She has further submitted that besides aforesaid litigation, the wife of the complainant has also filed as Civil Suit against her husband which is presently pending before the learned Civil Judge, Court No. IV, Una.

D. Conclusion

1. During the spot visit, the Committee observed that an area of 08-34-50 hectare has been developed by Respondent No.1 & others private owners for commercial purposes out of which 05-16-49 hectares belongs to respondent No.1 and vegetation has been removed from thereon. The surrounding area has natural vegetation intact. The Deputy Conservator

Deputy Commissioner,
Una, District Una (H.P.)

of Forests Una Forest Division Una has reported that penalty of Rs. 1,01,000/- has been levied and recovered by the Forest Department from Indu Walia, Harsimar Singh, Ravi Kumar, Sucha Singh and Jasbir Singh for felling trees of Japani Toot, Simbal and Tuni without permission.

2. No 'choi' or 'nala' has been found recorded in the revenue record pertaining to the land developed by the Respondent No.1 as per the report submitted by the Tehsildar Una. A choi exists over the Khasra No. 2850 measuring 0-07-16 hectare recorded in the ownership of State Government of Himachal Pradesh. A Gair Mumkin Chala exists over the land bearing Khasra No. 3156/2876 measuring 0-03-45 hectare and a Gair Mumkin Nala exists over the land bearing Khasra No. 3155/2876 measuring 0-00-60 hectare but these land parcels are in the ownership of other private persons namely Avtar Singh S/o Raghuveer Singh & ors. As per the report of the Tehsildar Una, the flow of water in these choi/nala has not been found obstructed. During the visit of the Committee the petitioner has shown stagnant water accumulated on one side of land of the Respondent No. 1 regarding which the Tehsildar Una has reported that the stagnant water was found over the land bearing Khasra No. 2896 measuring 0-46-30 hectare, kism khadetar which is recorded in the name of Daulat Ram son of Kanshi Ram son of Dasaundhi and others and in column of possession Hariya & ors are recorded as Gair Marusi. This is not a 'choi' or 'nala' as per the revenue record but the water is accumulating in this land as the level of this land is below the land developed by Respondent No.1. The issue of drainage of this stagnant water can be solved if Respondent No. 1 provides drainage outlet through the portion of developed land along its outer edges, as and when permitted to develop the land further.

3. The Committee found that the land has been developed by cutting hill slopes since the cutting is visible on spot at four sites around the edge of the land. The ATCP has reported that it is observed from the "Cut Slope" that the height of cutting of land towards Eastern and Northern side of land developed at site is averagely 8.00 mtrs and 6.00 mtrs respectively, from the ridge of "Cut Slope" (photographs and Site Plan attached). He has further reported that the development of land attracts the provisions of the Appendix-7 of the Himachal Pradesh Town and Country Planning

Deputy Commissioner,
Una, District Una (H.P.)

Rules, 2014 and as per said Appendix the hill cut shall be of max. 3.50 mtrs. Therefore, the cutting of hill slopes is more than the statutory limits. It is on record that the Respondent No. 1 has developed the land measuring 05-16-49 hectares without obtaining the applicable statutory permissions. On observing the unauthorized development of land by the private respondent No.1, the Town & Country Planner had initiated proceedings under Section 39 of the Himachal Pradesh Town & Country Planning Act, 1977 and issued notice under sub Section (1) of Section 39 of the Himachal Pradesh Town & Country Planning Act, 1977 to the private respondent No.1 i.e. Smt. Indu Walia wherein she was directed to restore the land to the condition existing before the development took place and to stop and discontinue the development operations i.e. further construction work. A stay order has been issued by RERA in respect of land in question (enclosed as **Annexure D-I**) which has been implemented in the revenue record for compliance.

The report is submitted for favour of kind perusal of the Hon'ble Tribunal.

- During development, natural gradient/ topography has not been maintained.
- Height of cutting of hills is more than permissible limit.

The husband of private respondent No.1 i.e. Smt. Indu Walia present during the joint inspection submitted that they have applied for permissions from TCP & RERA which are yet to be obtained and no sale of plots is being done at present due to stay order from RERA. After observations the Deputy Commissioner Una issued following directions to all the concerned officers/stakeholders: -

- The Divisional Forest Officer Una will submit his detailed report within a week regarding felling of trees on the site alongwith their species and also

mention in his report as to whether the said private respondent No.1 has taken prior approval/permission from the Forest Department for felling of trees and if taken under which provisions/rules the permission has been granted by the Forest Department. If not taken then what action has been taken by the Forest Department against the said private respondent No.1.

- The Assistant Town & Country Planner Una will submit his detailed formal report including photographs of the site within a week as per their norms about extent of cutting of hills and state as to what extent the cutting has been taken place on site.
- The Regional Officer, H.P. State Pollution Control Board Una will submit his detailed report within a week alongwith norms as to whether the cutting of hills has been made violating the relevant Environment Rules.
- The Mining Officer Una will submit his report within a week as per mining norms in respect of site.
- The Tehsildar Una will submit his detailed report within a week after getting the land demarcated mentioning therein ownership of land, developed & undeveloped area and greenery alongwith map

showing access to the site. He will also report regarding existence of natural chois on the site and status of compliance of orders issued by RERA.

- The above named applicant Shri Bhavak Parasher and Smt. Indu Walia will submit additional documents/information in support of their versions, if any.

INSPECTION REPORT

In compliance of directions of the Worthy Deputy Commissioner Una received vide letter No. 417-22/ADC/LFA Dated 08.08.2023 the joint inspection of land being developed by Smt. Indu Walia w/o Sh. Ram Parkash at Mohal Malahat Tehsil & Distt. Una (H.P.) was carried out alongwith the Worthy Deputy Commissioner Una, Mining Officer Una, Tehsildar Una and other officials of revenue Department, on 16.08.2023 at 12.30 P.M. It is observed at site that:

1. The land is being developed in the shape of Colony. It is pertinent to mention here that the proposal for Sub-division of land comprising Khasra No. 2871, 2873/1, 2874, 3423/2875, 2878, 879, 2893, 2894, 2895 Mohal Malahat Tehsil & Distt. Una (H.P.) in to 145 Nos. of Residential Plo & 115 Nos. of Commercial Plots has also been received from Smt. Indu Walia.
2. The land owner has carried out the cutting of Land/hill at Site. It is observed from the "Cut Slope" that the height of cutting of land towards Eastern and Northern side of land developed at Site is averagely 8.00 mtrs and 6.00 mtrs. Respectively, from the ridge of "Cut Slope" (Photographs and Site Plan attached).
3. The development of land attracts the provisions of the Appendix-7 of the Himachal Pradesh Town and Country Planning Rules, 2014 and as per said Appendix the hill cut shall be of max. 3.50 mtrs.
4. The "Cut Slopes" available at site reflect less width of mounds at their peaks. The the height of mounds reduces & width increases gradually.

Sir

In compliance to the directions contained in letter HPSPCB/RO/Una/OA No 807 of 2022/2023-1427-34 dated 17.08.2023, on the subject cited above, it is submitted that the area in question was jointly inspected on 14.07.2023 by the Committee. It is submitted that as per The Himachal Pradesh Minor Minerals (Concession) Mineral (Prevention of Illegal Mining, Transportation and Storage) Rules 2015 mineral concession over private land is granted in form of mining lease & over Government land the concession is granted by Auction only. In present case the land is private land and project proponent has neither applied for mineral concession nor any mineral concession is granted by this office. Only cut and fill work over private land was observed by the Committee. There is no provision in The Himachal Pradesh Minor Minerals (Concession) Mineral (Prevention of Illegal Mining, Transportation and Storage) Rules 2015, for granting permission of plot development work .

This is for your information & consideration, please.

Subject: Compliance of order dated 14-07-2023 passed by the Hon'ble NGT in OA No. 807/2022 titled Bhavak Prasher V/s Smt. Indu Walia & Ors.

Sir,

Kindly refer to the letter no. PCB/(DL344) OA No. 807/2022-5439-41 dated 24/07/2023 received from Member Secretary, HP State Pollution Control Board Office addressed to your office and a copy thereof endorsed to this office in afore-cited matter wherein Hon'ble National Green Tribunal vide order dated 14-07-2023 in OA No. 807/2022 titled Bhavak Prasher V/s Smt. Indu Walia & Ors. has passed following directions:

".....2. Learned counsel appearing for the respondent has submitted that this application has been filed due to ill motive and for plantation permission which is required to be taken from the competent authorities, will be taken according to the rules. Since the allegations are with regard to cutting and felling of the trees and leveling of hill tops in violation of the environmental rules without any authority, thus, we direct the District Magistrate, Una, DFO, Una and representative of State PCB to visit the site and submit the factual and Action taken Report within three months. 3. Respondents are directed to submit their reply within six weeks through filing portal, preferably in the form of searchable PDF/ OCR Support PDF and not in the form of Image PDF....."

In this connection, the joint inspection of the site under question has been carried out under your Chairmanship alongwith the undersigned and other concerned departments on dated 16/08/2023. During the inspection, no activity of construction of colony/building/projects was found started yet and only land development/leveling work was found being carried out at the site.

Further, it is submitted the contents in the subject cited matter is relate to issues of felling of trees and leveling of hill top/land development for sale of plots by

Respondent No. 1. The felling/cutting of trees is regulated by Forest Department under Indian Forest Act, 1927/ Forest Conservation Act, 1980 and the State Board has no mandate under these Acts. Further, the State Board has no mandate to grant permission with respect to the issues of land development and sale of plots.

So far as issue of cutting of hills for leveling /development of land, the said issue is regulated by planning laws. The site in question falls under the ambit of Special Area Development Authority (SADA), Una, (HP) and the Assistant Town Planner has apprised during the joint inspection that the site in question has not been approved by SADA for construction project. At present, neither the owner of the land has applied for consent of the Board for construction of building project nor the State Board has granted consent to any project under Water Act, 1974 and Air Act, 1981 at the site in question. The State Board shall keep vigil on the site and ensure compliance of Water Act, 1974 and Air Act, 1981 in case any commercial building project is constructed at the site.

Subject: - Joint inspection dated 16-08-23.

Reference your mail dated 17-08-23, regarding joint inspection on 16/08/2023 in Original Application No. 807 of 2022 titled as Bhavak Parashar versus Smt. Indu Walia & Ors.

I thank you for your above referred mail and regret for delay in reply which was required to be sent within seven days.

I would request you to take note of my letter dated 03 August 2023 sent to your office as reply and consider the same as additional documents/information in support of my version as required by you.

Once again in the interest of true finding in inspection report I would insist upon to concerned authorities to procure the topographical images from Govt. Remote sensing agency of area 2018 onwards to access real time images of Topographical changes done by R-1 Smt. Indu Walia.

Importantly further Existence of Choe area may please be got investigated from revenue record of 1985. Since then lot of manipulation seem to have been done in recent years. As present records do not match actual status on ground.

It will further help the complainant if the copy of reply / findings of other concerned departments is shared with complainant to reach just decision in joint inspection.

Thanking you,

Yours Sincerely,

Subject: - Regarding inspection on 4-08-2023 in compliance of NGT order dated 14-07-23 for submission of factual and action taken report to NGT in OA 807/2022.

Sir,

I thank you for allowing me to be present there at the time of joint inspection being undertaken for the compliance of NGT order.

Further I would like to convey following issues related to factual condition on ground to be taken into account while inspection is conducted.

1. Attached 4 Google images **(ANX A)** of year 2018,,20,21,22 Showing how the topography of land has been changed i.e. Hill tops to plain ground with pictures of heavy earth moving machines on work.
These images reflect Change in topography of land of area around 7-7 Hectares belonging to Property dealer Smt Indu Walia w/o Ram Parkesh Singh Respondent No 1 in OA 807/2022. In the same context you are requested, to **precure the topographical images from Govt. Remote sensing agency** of area 2018 onwards to access real time images of Topographical changes done by R-1 Smt. Indu Walia
A letter dated 2-07-2019 was sent to you with a request of spot inspection and immediate halt to the on-going levelling work.
2. A complete Topography of area shall reveal that entire area is an area for rain harvesting/water conservation/Rain catchment area very important to control floods.
3. Next attached 4 Google images (ANX1) pictures are of the mass scale deforestation done for which the complaint was made to you and DFO on 13-03-19 along with 22 photographs.
4. Attached **ANX B** is information collected through RTI of total 55.7 hectares Permanent pasture around this land of Indu Walia. This annexures is enclosed with 2-14 pages of Jamabandies mention of complete detail of Jamabandies of Permanent Pasture of 55.7 Hectares Total land comprising of Permanent pasture in surrounding are belong to Govt. is around 55.7 Hectares. Allowing any mass scale construction activity around permanent pasture will be fatal to environment. The impact of this shall be same as allowing wine shop in front of school/Temple.

5. Existence of Choe area is shown in attached Jamabandies and Tatimas is enclosed in ANX C need to be further explored as revenue record does not show exact position of existence of many other choe being filled up in the land property of Smt Indu Walia.
6. Attached ANX D few pages of HP HC order mentioning issue of mandatory NOC from Village Panchayat for any type of construction activity for NON Habitant property owners. Mrs. Indu Walia is non-habitant owner of the properties in malahat nager and Bhadolian Khurd, as detailed in attached HP HC order.

Issue of levelling of shiwalic foothills is already under serious consideration in the following courts.

Name of State & court	Case No	Subject matter	Next date
Double bench of HP High court	Kusam Bali Vs State of HP & Ors. CWPIL No. 13 of 2021	Indiscriminate and haphazard constructions being carried out by CUTTING & CHOPPING OF HILL	27-09-22

Sub: Reply in compliance of office letter dated 17.08.2023 bearing No. HPSPCB/RO/Una/OA No. 807 of 2022/2023: 1427-34.

Sir,

Reply in compliance of office letter detailed above on behalf of Indu Walia W/o Sh. Ram Parkash Singh.

It is humbly submitted that in compliance of original application No. 807/22 titled as Bhavak Prashar Versus Smt. Indu Walia & others pending before Ld. N.G.T. Principal Bench at Delhi, joint inspection committee under the Chairmanship of worthy D.C. Una visited the private land of mine on 16.8.2023 along with other members of the committee.

That on 17.08.2023, Indu Walia received an e-mail from your office vide which your goodself has been pleased to direct me to submit her version with regard to the said visit.

That on the day of visit by the committed headed by worthy D.C. Una, my husband Sh. Ram Parkash Singh submitted before the committee that my wife i.e. me has already applied for the codal permission from the T.C.P.

and RERA and at the relevant time she is not involved in sale/purchase of any land from her private land to any Individual. It is humbly submitted that there is already a stay in operation from RERA to sale the property without prior permission of concerned department. At the cost of repletion, it is again submitted that no sale has been taken place without approval from my land. The application form submitted to the relevant authority are annexed herewith as Annexure R-1.

That it is further submitted that while leveling my private land I have not destroyed /blocked any natural path way of water nor any water pathway ever exists on any land of mine. It is pertinent to mention here that my entire land is recorded as Kharetar which is already reflected in the Jamabandi Annexure R2. It is further submitted that no inlet or outlet of water was ever existing over my land which is seen by naked eyes at the spot, even by the joint committee which inspected the spot. In fact natural any path way of water (Choi) exists far away towards western side of my land and the same exists in Khasra No. 2876, 2850 etc. Revenue record of said Khasra Nos. (Choi) is attached herewith as Annexure R3.

.3..

-3-

That the replying respondent has never changed the topography of her land. It is pertinent to mention here that my land was in shape of uneven land and I have only leveled the said land to develop the same which was shown as Khadetar. It is further submitted that the land developed is below the level of N.H. which falls within the distance of 500 meters from N.H. and the work done/made by me had not affected any individual, public at large and not even against the public policy prevailing at the relevant time and even the same has not changed the topography of the land. I had taken care of all the norms made by the all concerned and leveled my land in a scientific manner.

I have not made any cutting of any hills as alleged by the complainant in his original application. As already submitted above, since my land was in a zig zag shape and uneven on the spot and I have only leveled the same as per norms . This way I have not flouted any norms issued by the different departments

It is further submitted that the original application filed by the complainant is outcome of the personal enmity and same was filed by the complainant just to settle his personal scores.

..4..

-4-

It is pertinent to mention here that the applicant/ complainant and my family are in litigation with each other. Even my husband had to face allegations of Section 302 IPC at the instance of complainant in which my husband was acquitted by the competent court of law, Copy of which is annexed as R-4.

Complainant was also accused in criminal case as the complainant along with his associates had mercilessly beaten my husband. Although the complainant was also acquitted by the Ld. Court.

At the cost of repetition, even the complainant has also filed an application U/s 319 Cr.P.C. to implead me as an accused which was rightly rejected by the Ld. Sessions Judge Una and the complainant had assailed the said order before the Hon'ble High Court of H.P. and the Hon'ble High Court of H.P confirmed the order passed by the Ld. Sessions Judge Una. It is further submitted that original applicant has assailed the Judgment of acquittal of my husband passed by the Ld. Sessions Judge Una before the Hon'ble High Court of H.P. Shimla and the same is pending before the Hon'ble High Court of H.P. Shimla.

...5..

-5-

Besides aforesaid litigation, the wife of the complainant has also filed a civil suit against my husband which is presently pending before the Ld. Civil Judge, Court no. IV, Una, District Una HP).

It is therefore, humbly prayed that above said submission may kindly be considered after seeing the documents annexed with the present submissions before submitting the reply^{report} before N.G.T.

Thanking you,

Complaint no. - HPRERA2022003

Present: - Sh. Abhishek Banta Ld. Advocate alongwith Sh. Bhawak Prashar
complainant

Sh. Ram Parkash Singh for Smt. Indu Walia, Respondent

HEARING THROUGH WebEx.

In the present matter, in terms of the previous order, it has been appraised by the respondent that the process for registration has been initiated by the promoter after being assisted by the office of this Authority but the process for applying for registration is not yet complete. Once the applying process is completed the office of the Authority may grant registration in accordance with the Real Estate (Regulation and Development) Act, 2016 rules and regulation made there under.

Further an application has been filed by complainant for stay of construction, development and sale of land till the promoter complies with the mandate of Real Estate (Regulation and Development) Act, 2016. This application is registered as MA no. 17 of 2022. The Authority has heard the arguments on this application on behalf of both the parties.

It has been argued on behalf of the complainant that the respondent/promoter is owner in possession of land comprised in in khata/ khatauni no. 23/28 of khasra no. 2795 measuring 00-48-30, 3665/2858 measuring 00-06-48, khasra no. 3667/2858 measuring 00-44-99, khasra no. 2860 measuring 00-15-34, khasra no. 2862 measuring 00-15-35, khasra no. 3153/2874 measuring 00-43-24, khasra no. 3421/2875 measuring 00-26-10, khasra no. 3423/2875 measuring 00-71-56, Khasra no. 3548/2894 measuring 01-08-44. In khata khatauni no. 26/31 of khasra no. 3549/2894 measuring 02-13-25. In khata/ khatauni no. 318/419 of khasra no. 2804 measuring 00-03-24. In khata/ Khatauni no. 45/51 of khasra no. 2895 measuring 00-54-49. In khata/ khatauni no. 362/489 of khasra no. 2861 measuring 00-05-13. In khata/ Khatauni no. 177/227 of khasra no. 2750 measuring 00-07-46. In khata/ Khatauni no. 289/380 of khasra no. 2857 measuring 00-07-42. In khata/ Khatauni no. 267/354 of khasra no. 2806, 2813 measuring 00-29-54. In khata/ Khatauni no. 484/683 of khasra no. 3305/2844 measuring 00-04-05. In khata/Khatauni no. 411/574 of khasra no. 2871 measuring 00-19-77. In khata/ Khatauni no. 367/499 of khasra no. 2863, 2864 measuring 00-19-54 total of all measuring 7-70-34 approximately 200.60 kanals in mauja Malahat, District Una, H.P.

Further by way of this application it has been alleged that respondent / promoter has sold 21 plots of different shapes and sizes in between the year 2016 and 2021. The details of mutations are 1628 dated 21.07.16, 1995 dated 24.02.2021, 1996 dated 24.2.2021, 2004 dated 24.02.2021.

The corresponding jamahandi's have been appended along with the application. It was further argued that the aforesaid sale deeds have been done in utter violation of the provisions of the Real Estate (Regulation and Development) Act, 2016 and therefore it was prayed that he may be restrained from further alienating or selling the plot, apartment or building in Mauja Malahat, District Una as per the mandate of Section 3 of the Act ibid.

The respondent has argued that the complainant has no locus standi to invoke the provisions of the Act ibid and therefore his complaint may kindly be dismissed. He further submitted that he was not aware of the provisions of the RERD Act and that he has to get the project registered with the Authority before entering into any sale transaction.

The Authority has heard both the parties and also gone through the record. The Authority is convinced from the record that the respondent is owner of more than 200 kanals of land in Mohal Malahat District Una and has sold 21 plots of different shapes and sizes in between the year 2016 to 2021

Section 3 of the RERD Act is as under:

"(1) No promoter shall advertise, market, book, sell or offer for sale, or invite persons to purchase in any manner any plot, apartment or building, as the case may be, in any real estate project or part of it, in any planning area, without registering the real estate project with the Real Estate Regulatory Authority established under this Act:

Provided that projects that are ongoing on the date of commencement of this Act and for which the completion certificate has not been issued, the promoter shall make an application to the Authority for registration of the said project within a period of three months from the date of commencement of this Act:

Provided further that if the Authority thinks necessary, in the interest of allottees, for projects which are developed beyond the planning area but with the requisite permission of the local authority, it may, by order, direct the promoter of such project to register with the Authority, and the provisions of this Act or the rules and regulations made there under, shall apply to such projects from that stage of registration.

(2) Notwithstanding anything contained in sub-section (1), no registration of the real estate project shall be required—

(a) where the area of land proposed to be developed does not exceed five hundred square meters or the number of apartments proposed to be developed does not exceed eight inclusive of all phases:

Provided that, if the appropriate Government considers it necessary, it may reduce the threshold below five hundred square meters or eight apartments, as the case may be, inclusive of all phases, for exemption from registration under this Act:

- (b) where the promoter has received completion certificate for a real estate project prior to commencement of this Act;
- (c) for the purpose of renovation or repair or re-development which does not involve marketing, advertising selling or new allotment of any apartment, plot or building, as the case may be, under the real estate project.

Explanation.—For the purpose of this section, where the real estate project is to be developed in phases, every such phase shall be considered a stand alone real estate project, and the promoter shall obtain registration under this Act for each phase separately."

The provisions of section 3 of the Act *ibid* are very clear that no promoter shall advertise, market, book, sell or offer for sale or invite persons to purchase in any manner any plot having area more than 500 sq. mtrs. or flats more than eight, in any planning area without registering the same with this Authority

In the present case the respondent has sold about twenty one plots having area more than 500 sq. mtrs. without obtaining registration from this Authority under the provision of Real Estate (Regulation and Development) Act, 2016. It is clear that the respondent has violated the aforesaid provisions and violations are writ large. As per his version he is in the process of getting the project registered with the Authority. Since he is in the process of registration therefore the issue of imposition of penalty under Section 61 of the Act for failure to comply with the provisions of the Act shall be decided at a later stage.

So far as the issue of locus standi raised by the respondent before the Authority is concerned it is pertinent to mention here that any person can apprise this Authority about any violations being caused of the provisions of the Act *ibid* because this Authority has suo moto powers under Section 31 (f) & (g) to deal with any of the violations under the Act and to ensure compliance of obligations cast upon various stakeholders under the Act. Further the well known legal maxim 'ignorantia juris non excusat' that has been approved by various courts of law means that ignorance of law is no excuse. Therefore the respondent cannot escape liability by merely saying that he was not aware of the legal provisions.

The Authority considering all the facts and circumstances of the case holds that respondent shall not advertise, market, book, sell or offer for sale or invite persons to purchase in any manner any plot, apartment or building without first getting the project registered with this Authority as per the mandate of Real Estate (Regulation and Development) Act 2016. To conclude the respondent is barred/restrained from advertising, marketing, booking, selling or offering for sale or inviting persons to purchase in any manner any plot, apartment or building owned by
