

**DEPARTMENT OF URBAN DEVELOPMENT
GOVERNMENT OF UTTAR PRADESH**

Date: 28.07.2020

To,
The Registrar
National Green Tribunal
Principal Bench
New Delhi.

Subject: Action Taken Report in O.A. No: 209 / 2019

Hon'ble National Green Tribunal in above O.A. No: 209 / 2019 have ordered on 26.02.2020 on the matter mainly pertaining to unscientific management and dumping of Solid waste in Loni Nagar Palika Parishad.

2. The point wise compliance status on the issues observed in the report of UPPCB is as following:

S.N.	Issue	Compliance/Action Taken
1.	Continuing Dumping of Waste in the area of Ahmad Nagar Navada site.	The dumping of the municipal solid waste at the said site has been completely stopped and being taken to another location. However, the work for the remediation of legacy waste dumped at the site Ahmad Nagar Navada has been awarded to M/s Muskan Jyoti through e-tendering process during lock down period and the work order for the said work was issued on the date of 6 th July 2020 with the timeline of completing the remediation work with in 6 months of time. The work started from 07 th July 2020, the next day of signing the agreement but due to heavy rain crisis the same couldn't be continued, which shall be re-commence as soon as mansoon period is over. The pictures of ongoing work are attached here as Annexure-1 .
2.	Fresh Waste Dumping on Site Nithora Road without permission from the Board	Nagar Palika Parishad Loni has already applied for the permission to UPPCB.

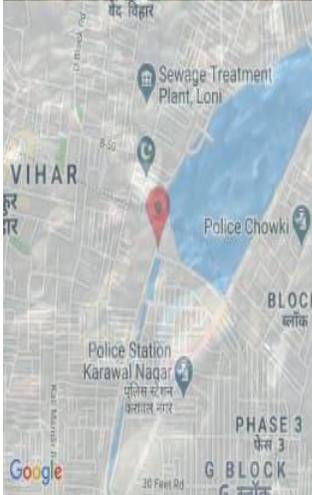

3.	Sanction of Scientific Landfill Management and Processing Facility	The state government has already sanctioned Rs. 5.31 Crore of fund for development of scientific landfill site and processing facility for Nagar Palika Parishad Loni. The Fund has been released in the year 2009 to the executing agency CNDS, UPJN. The work couldn't be completed till date due to local hinderance / protest of the nearby villagers. However, the possession on the site in question has been successfully done on the date of 12 th June 2020. The construction of boundary wall is completed and the selection of concessionaire to set-up and operate the processing plant is under process, which is expected to be completed (set-up and making the processing plant functional) within 8 month's of time. The pictures of constructed boundary wall are attached here as Annexure-2 .
4	Setting up of Scientific Landfill Site and Processing Facility at Meerpur Hindu.	The construction of boundary wall is completed and the selection of concessionaire to set-up and operate the processing plant is under process, which is expected to be completed (set-up and making the processing plant functional) within 8 month's of time.
5	Transportation of Solid Waste in open vehicles.	The waste collection in the town is being done by the 100 no of tricycles +55 No of tipper + 82 No of tractors and 7 bigger vehicles for the secondary waste collection, out of total 244 Vehicles the 63 vehicles majorly involved in the primary & secondary waste collection are GPS Enabled, the online report of the respective GPS enabled vehicle is generated on daily basis for the record. It is submitted by the Nagar Palika Parishad that the waste is being collected and transported in the covered vehicles. Nagar Palika Parishad

		Loni has contracted the work of door to door collection and transportation to an agency. Thus it is humbly submitted that it is being complied. The pictures of waste collection in covered vehicles are attached here as (Annexure-3)
6	Application for authorisation for developing Processing site at Meerpur Hindu.	The said authorisation for the processing facility has to be opted by the selected concessionaire. The revision on the DPR for the construction of processing facility is done, soon after the finalisation of concessionaire for the processing plant, it is ensured that the process of opting the authorisation and other regulatory permission shall be initiated immediately.

3. It is submitted before this Hon'ble Tribunal that the Department has always been committed to ensure compliance of SWM Rules and directions of this Hon'ble Tribunal. However, it is humbly submitted before this Hon'ble Tribunal that due to a stiff opposition of the local population against setting up of processing plant on the land earmarked, the processing facility couldn't be developed earlier and a great effort had to be put in by the department and local administration for getting the possession of land for developing scientific landfill site and processing plant and an issue that had been pending for almost a decade has been resolved after February 2020. The work for setting up a MSW Plant has been started and construction of boundary wall has been completed to secure the site for development of the plant for which the agency has been working and the entire work is scheduled to be completed in next 8 months' time. It is humbly submitted that the progress of work has also suffered due to COVID-19 Pandemic situation and lockdown as this area was highly affected. However, now the progress of work is good and desired level of compliance as per Hon'ble Tribunal's order shall be ensured by proper monitoring. The status of compliance and progress being made has also been submitted to Oversight Committee chaired by Hon'ble Justice (Rtd.) Shri S.V.S. Rathore.
