Respondent(s)

**REPLY ON BEHALF OF RESPONDENT NO. 04 CENTRAL  
POLLUTION CONTROL BOARD.**

**MOST RESPECTFULLY SHOWETH:**

1. That I in capacity of Scientist "F" of Central Pollution Control Board (hereinafter referred to as "CPCB"), have made myself acquainted with the facts and circumstances of the instant case due to the official capacity as mentioned above and on the basis of available records, I am well versed with the facts and circumstances of the matter and as such competent & authorized to make this reply on behalf of Respondent No.

4.

2. That, I have read and understood the averments made by the petition in synopsis, list of dates, grounds and annexures enclosed with the writ Petition now being considered as Original Application (hereinafter referred to as "OA") and at the outset it is respectfully submitted that all averments/contentions/submissions made against the Answering

Respondent in the present OA are denied unless specifically admitted by the Answering Respondent.

3. That, CPCB is a statutory Board constituted under Section 3 of The Water (Prevention and control) Act, 1974. It performs the functions under The Water (Prevention and control) Act, 1974, The Air (Prevention and control) Act, 1981 and The Environment (Protection) Act, 1986.
4. That, this Hon'ble Tribunal passed order dated 28.08.2023 in present OA No. 515/2023 (Ganga Pollution Vs. State of U.P. and others). The relevant para of the order dated 28.08.2023 is reproduced herein below for ready reference and kind perusal of this Hon'ble Tribunal:

*“The petition has been received on transfer from the High Court of Allahabad in pursuance to the order dated 21.07.2023 passed in Writ Petition (PIL) No. 4003/2006, Re Ganga Pollution v. State of U.P. & Ors.”*

Copy of order dated 28.08.2023 passed by Hon'ble NGT is annexed herewith as **Annexure-1**.

5. That, earlier the same matter was being considered by Hon'ble High Court of Judicature at Allahabad, Allahabad Bench as WPIL No. 4003 of 2006 (Re-Ganga Pollution Vs. State of U.P. and others) wherein the Hon'ble Court passed order, dated 27.07.2022 directing the following:

*“12. In the aforesaid factual matrix, we are constrained to direct Central Pollution Control Board to collect samples from all the industries as mentioned in affidavit dated December 23, 2016 and the STPs set up in the cities on the embankment of river Ganga and submit a report to this Court as to whether these meet the prescribed standards. Needful may be done in due course. However, test reports of samples*

*collected and reports prepared before the next date of hearing be submitted in Court.*

Relevant extract of para of subsequent judgement dated 31.08.2022 is reproduced herein below for ready reference and kind perusal:

*“12 (ii). Central Pollution Control Board shall furnish the test reports of the samples collected and available up to the next date of hearing in terms of directions issued in paragraph no. 12 of the order passed on July 27, 2022;”*

6. That, in compliance of orders passed by Hon'ble High Court, CPCB constituted about 50 teams consisting of CPCB officials to undertake surprise and random inspection of 1370 Grossly Polluting Industries (GPIs), 36 Sewage Treatment Plants (STPs) and eight (08) Common Effluent Treatment Plants (CETPs)/Common Chrome Recovery Unit (CCRU) located in the State of Uttar Pradesh.
7. That, the inspections by CPCB teams commenced on 26.08.2022 and till 27.03.2024, a total of 1246 inspections have been completed including 1202 GPIs located in 62 districts of Uttar Pradesh, 36 STPs in ten (10) districts and eight (08) CETPs/ CCRU in five (05) districts. Out of these, CPCB has filed operational and compliance status of 962 GPIs, 36 STPs and 08 CETPs before the Hon'ble High Court of Allahabad & Hon'ble NGT and the details of the same are as below:
  - a. CPCB has filed operational and compliance status of 276 GPIs, 33 STPs & 08 CETPs before the Hon'ble High Court through following affidavits:

- i. Compliance affidavit dated 23.09.2022 including compliance status of 61 GPIs, 13 STPs (excluding STPs for which lab results were awaited) & 06 CETPs
- ii. Compliance affidavit dated 31.10.2022 including compliance status of 154 GPIs (including 61 filed earlier), 17 STPs (excluding STPs for which lab results were awaited) & 2 CETP
- iii. Compliance affidavit dated 30.11.2022 including compliance status of 276 (including 154 filed earlier) GPIs & 03 STPs

b. CPCB also prepared affidavits including compliance status of 110 GPIs & 02 STPs which was prepared in February, 2023 and affidavit with regard to 253 GPIs & 01 STP was prepared in July, 2023. However, it was informed by the Ld. Counsel that the said affidavits could not be filed before the Hon'ble High Court as the matter was under consideration for transferring the same to Hon'ble NGT. Copies of the aforementioned affidavits were annexed collectively as Annexure-6 of reply affidavit dated 14.10.2023 which were filed before Hon'ble NGT.

c. Operational & compliance status of 323 GPIs was filed before the Hon'ble Tribunal on 14.10.2023. Also, inspection of all CETPs and STPs has already been completed and operational and compliance status of all 36 STPs and 08 CETPs was also filed before the Hon'ble Tribunal on 14.10.2023.

8. In continuation to the above, CPCB has conducted the inspection of additional 240 GPIs till 27.3.2024. Operational and compliance status of

240 GPIs is being presented in this instant reply and the details are given in subsequent Para 9.

### Grossly Polluting Industries (GPIs)

9. As per the 240 inspection reports, 152 GPIs were found operational and 88 were found non-operational. Out of the 152 operational GPIs, 58 GPIs have been found complying, 86 GPIs are found to be non-complying and due to dry operation the compliance of 08 units couldn't be verified and hence, recommended for re-inspection. Out of 88 non-operational units, re-inspection of 19 temporary non-operational units in view of roster issued by UPPCB/ power failure /maintenance issues etc. were recommended and the inspection reports of remaining 69 non-operational GPIs were also forwarded to UPPCB for taking necessary action.

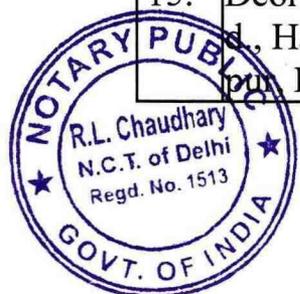

10. Operational and compliance status of the 240 GPIs is presented in tabular form in Table 1 as following: -

**Table 1: Summarized compliance status of 240 GPIs**

11. That, details of these 240 GPIs along with names, operational status, Effluent Treatment Plant (ETP) functional status, consent status and compliance status are presented in tabular form and annexed herewith as Annexure 1a).; the details of parameter wise values at ETP outlet (as per test report) and details of parameter wise values at ETP inlet (as per test reports), for the 240 GPIs are presented in tabular form and annexed herewith as Annexure 1 c) and Annexure 1 b) respectively.

12. That, as on 27.03.2024, total 1202 inspection reports of GPIs (including 760 operational units and 442 non-operational units) have been prepared.

Out of the 760 operational GPIs; 369 GPIs have been found complying and 391 are non-complying. Among 442 non-operational units, 109 GPIs were found temporarily non-operational in view of roster issued by UPPCB/ power failure /maintenance issues etc. or were found operating dry process due to which their compliance could not be verified. The UPPCB has been asked to re-inspect the same for taking necessary action. Further, the inspection reports of remaining 333 non-operational GPIs were also forwarded to UPPCB for taking necessary action.

13. That, the cumulative outcome of the 1246 inspections and sample collections carried out by CPCB officials from 26.08.2022 to 27.03.2024 is summarized in Table 2:

**Table 2 : Cumulative table on inspections carried out till 27.03.2024**

S.No.	Type of Unit	GPI	STP	CETP	Total
1.	Total units to be inspected*	1370	36	8	1414
2.	<b>Total units inspected (as on 27.03.2024)</b>	<b>1202</b>	<b>36</b>	<b>8</b>	<b>1246</b>
a.	Non operational	442	4	0	446
b.	Operational	760	32	8	800
	Complying	369	7	1	377
	Non complying	391	25	7	423

\*Number of GPIs as per inventory of 2021 received from Uttar Pradesh Pollution Control Board

14. That, the Hon'ble High Court of Allahabad, vide order dated 26.09.2022, also directed the following: ".....10. *Learned counsel for the U.P. Pollution Control board shall also apprise the Court about the contents of the affidavit filed by the Central Pollution Control Board whereby number of GPIs were not found to be meeting the parameters laid down for treatment of discharge of effluents*"

Pursuant to the above, inspection reports of 1202 GPIs, 36 STPs and 8 CETPs have been forwarded to UPPCB for perusal and necessary action. Upon completion of remaining inspections of GPIs (which is under progress) the inspection reports shall be forwarded to UPPCB for taking necessary action. In view of the supra stated facts and circumstances, it is most respectfully prayed that this Hon'ble Tribunal may be pleased to pass such or further orders as it may deem fit.

### ORDER

1. The core issue involved in these petitions revolves around defining the flood plain zone of river Ganga and its tributaries in the State of UP and action by the concerned authorities to protect the flood plain zone.

2. In terms of the previous order, Counsel for the State of UP has filed the compilation in five volumes containing the various orders passed by

the High Court and Rules, Regulations, Bye-laws and Circulars in this regard.

3. The flood plain is required to be determined in terms of the provisions which are contained in The River Ganga (Rejuvenation, Protection and Management) Authorities Order, 2016. In that order, the flood plain has been defined under Clause 3 (l) as under:

*“3.(l) “flood plain” means such area of River Ganga or its tributaries which comes under water on either side of it due to floods corresponding to its greatest flow or with a flood of frequency once in hundred years;*

4. In addition to defining the flood plain, the order also defines the buffer area as under:-

*“3. (c)“Buffer Area” means an area which extends beyond the flood plain of a stream;”*

5. Clause 4 (ix) of the order provides for protection of the flood plain from the construction, as under:-

*“4. (ix) the bank of River Ganga and its flood plain shall be construction free Zone to reduce pollution sources, pressures and to maintain its natural ground water recharge functions;”*

6. Clause 55 of the order deals with functions and powers of District Ganga Committee and in terms of Clause 55 (1), every District Ganga Committee is responsible to perform the duties for rejuvenation, protection, restoration and rehabilitation of river Ganga and its tributaries in the specified District as provided in para 6 and 7 of the order as per the principles specified in Clause 4. Clause 4(ix) has already been quoted above.

7. Clause 24 of the order provides for powers, duties and functions of the State Ganga Committee and one of the responsibility of the State Ganga Committee is to protect the flood plains as under:-

*“24.(3)(a) coordination and implementation of the conservation activities relating to River Ganga including augmentation of sewerage infrastructure, catchment area treatment, **protection of flood plains**, creating public awareness and such other measures at the State level and regulation of activities aimed at the prevention, control and abatement of pollution in the River Ganga to maintain its water quality, and to take such other measures relevant to river ecology and management in the State concerned;”*

8. The powers of the National Mission for Clean Ganga have been prescribed in Clause 41. Sub-Clause 2 (f) thereof, relates to *inter-alia* approval of planning, functioning and execution of programme for protection of flood plains and reads as under:-

*“41.(2)(f) approve the planning, financing and execution of programmes for abatement of pollution in the River Ganga including augmentation of sewerage and effluent treatment infrastructure, catchment area treatment, **protection of flood plains**, creating public awareness, conservation of aquatic and riparian life and biodiversity and such other measures for promoting environmentally sustainable river rejuvenation;”*

9. The National Mission for Clean Ganga on the basis of the reports from State Ganga Committee and District Ganga Committee and another authorities is required to prepare a consolidated report every year in respect of each specified District abutting river Ganga and its tributaries which includes the condition of flood plain disclosing as under:-

*“49.(1)(d) condition of River Bed and flood plains and habitat in the specified District;”*

10. A perusal of the above clauses clearly reveals that the responsibility lies with the authorities, at the first instance, to determine the flood plain and thereafter to take action for protection of the flood plain and carry out various responsibilities as enumerated in 2016 order. It is not in

dispute that till now the flood plains have not been demarcated. So far nothing has been placed on record indicating what parameters and methodology have been adopted for demarcation of the flood plain in terms of the definition of flood plain as provided in the order of 2016. A Standard Operating Procedure (SOP) is required to be prepared for demarcation of flood plain of River Ganga and its tributaries in the Districts.

11. Learned Counsel appearing for State of UP has submitted that the entire stretch from Bijnor to Ballia has been divided in two phases. The first phase is from Bijnor to Unnao and the second phase is from Unnao to Ballia. He submits that the study in respect of ascertainment of flood plain in the first phase has been completed by Central Water Commission and for the second phase it is being conducted by National Institute of Hydrology (NIH), Roorkee. Learned Counsel for the State has also failed to point out as to why the responsibility for defining the flood plain in the second phase has been entrusted to NIH instead of CWC.

12. In this background, Counsel for the State has prayed for six week's time to place on record a comprehensive report by the State disclosing the parameters for determining the flood plain, the action taken by the authorities for defining the flood plain and as to how the District and State Committees formed under 2016 order are discharging their responsibilities to protect the flood plains of river Ganga and its tributaries in the State of UP when even the flood plain has not been defined till now.

13. List on 27.05.2024.
