IN THE HON'BLE NATIONAL GREEN TRIBUNAL**PRINCIPAL BENCH, NEW DELHI****ORIGINAL APPLICATION NO. 480 OF 2023****IN THE MATTER OF:****ASHOK KUMAR****.... APPLICANT****VERSUS****STATE OF U.P.****.... RESPONDENT****REPORT IN COMPLIANCE OF ORDER DATED 11.09.2023****MOST RESPECTFULLY SHOWETH:**

1. That it is most respectfully submitted that this report is filed by respondent no.2
2. That it is respectfully submitted that as per the directions of the Hon'ble Tribunal passed an order dated:22.11.2023 whereas, the order said: -

"Action Taken Report be filed by the Executive Officer, Nagar Panchayat Parikshitgarh, Meerut within two months by e mail preferably in the form of searchable PDF/ OCR supported PDF and not in the form of image PDF."

3. That it is pertinent to mention here that total waste generated from the said population of the Nagar Panchayat Parikshitgarh is 6.38 metric ton/ per day.
4. That it is respectfully submitted Nagar Panchayat Parikshitgarh has hired private agency, M/S Muskan Jyoti Samiti for scientific disposal of Municipal Solid Waste and settled a contract with regard to the entire Nagar Panchayat Parikshitgarh as per the rules of 2016. A true copy of the work order is annexed here as **Annexure 1**.
5. That it is respectfully submitted that Nagar Panchayat Parikshitgarh, has hired M/S Muskan Jyoti Samiti for segregation at source with door-to-door collection services. Door to Door collection is now covered all 13 wards of Nagar Panchayat. A true copy of the photographs is annexed here as **Annexure 2**.
6. That the same agency is also doing awareness programs with the local households and school students by educating them on the difference of wet waste and dry waste, the two-dustbin concept and the segregation at source and its long-term benefit to avoid legacy waste. A true copy of the photographs is annexed here as **Annexure 3**.
7. That it is respectfully submitted that with Nagar Panchayat Parikshitgarh is ensuring that the concerned agency is segregating the wet waste, Thereafter the said waste is taken to the composting plant wherein, the wet waste is treated with cultural spray, so that organic fertilizer is prepared, which is further used for horticulture. In last three months (Oct -Nov -Dec 2023) . Approx. 1250 Kg compost prepared by compost bed method and drum composting. A true copy of the photographs is annexed here as **Annexure 4**.
8. That it is pertinent to mention here that the Nagar Panchayat Parikshitgarh has installed a New Material Recovery Facility (MRF) of capacity 05 MT/day. This facility consists of conveyor belt, fatka machine, shredder,

bell press machine, weighing machine etc. Belling press machine is used at garbage site near kanha gaushala.

9. That the MRF is still not operational because of the ward members and local public. The public have started agitation and are aggressive towards the MRF centre. They are not allowing to start the functioning of MRF centre due to which segregation and processing of solid waste is behind schedule.
10. That it is respectfully submitted that when the undersigned joined, he came to know that approx. 1,500 metric ton of solid waste is disposed around the Kanha Gaushala . The removal of above-mentioned legacy waste is under process. Three boundary wall of kanha gaushala is cleared and on part is remaining and under process. Photos of the process are annexed as **Annexure 6**.
11. That the Nagar Panchayat Parikshitgarh went into contract with private agency to dispose off legacy waste (RDF), 184.26 metric ton of which has already been disposed off scientifically. The RDF is collected, segregated and sent to Waste energy plant, Meerut by the concerned agency. A copy is annexed here as **Annexure 7**.
12. That it is respectfully submitted that the six months time is required for the proper disposal and management of the legacy waste, as the land for solid waste management processing center is purchased.

Table of schedule for completion of processes involved

S.No.	Process	Completion date
1.	Removal of dung from gaushala	Completed
2.	Turning waste into Compost	Started

3.	Hiring of agency for door-to-door waste collection and segregation	Completed
4.	Getting Trommel machine from other ULB under agreement	Completed
5.	Buying of land for Scientific Land fill site	Completed
6.	Removal of legacy waste around Gaushala	28-02-2024
7.	Construction of boundary wall	15-03-2024
8.	Implementing door to door waste collection and segregation in all 13 wards	31-08-2024
9.	RDF	Completed

PRAYER

It is, therefore, most respectfully prayed that this Hon'ble Tribunal may graciously be pleased to:

1. Grant us eight months of time to start the solid waste management processing centre.
2. Pass any such other order as may deem fit.
