RESPONDENTS

**RESPONSE BY THE RESPONDENT M/S JAI BABA JAMUNA GIRI STONE
CRUSHER TO THE OA 480 of 2022 AS PER DIRECTION OF THIS
HON'BLE TRIBUNAL DATED 22.11.2023**

MOST RESPECTFULLY SHOWETH

1. That the present response is being filed on behalf of M/s Jai Baba Jamuna Giri Stone Crusher through its partner, in pursuance of the liberty granted by this Hon'ble Tribunal vide order dated 22.11.2023 to place on record its detailed response/submission on the observation of the Joint Committee in the inspection report. The present response may be read in addition to the comprehensive reply/counter affidavit submitted by answering respondent on the allegations grievance in the present application is regarding running of stone crushers in Birhi Kalan, District Charkhi Dadri in violation of Haryana Government notification dated 11.05.2016 and the environmental norms.

A. BRIEF FACTS OF THE CASE ARE:

1. The grievance in the present application is regarding running of stone crushers in Birhi Kalan, District Charkhi Dadri in violation of Haryana Government notification dated 11.05.2016 and the environmental norms.

2. Vide order dated 12.08.2022, this Tribunal constituted a Joint Committee comprising of HSPCB, District Agricultural Officer and Deputy Commissioner, Charkhi Dadri with direction to verify the factual position and submit Factual and Action Taken Report.
3. That an interim report was filed by the HSPCB dated 31.10.2022 regarding complying and non-complying units , it is germane to mention here that the answering respondent was found closed by its own and the inspection was conducted on 26.10.2022 and thereafter sought 2 months time to file action taken report.
4. That as per order dated 03.11.2022 in the present matter joint committee was directed to visit the stone crushers individually. As per the directions HSPCB issued notice to the answering respondent to attend hearing before the committee constituted by Ho'ble NGT .
5. It is submitted vide order dated 13.09.2023 Joint Committee was directed to verify the factual position regarding compliance with consent conditions and environmental rules/norms/regulations by all the stone crushers operating in Birhi Kala Zone and submit its report suggesting remedial measures and was directed to share the copies of the report with statutory authorities and also with the Project Proponents for remedial action.
6. That on the basis of above order joint committee inspected the answering respondent on 11.10.2023 to ensure the installation of pollution control measures as per notification dated 11.05.2016.
7. That a show cause notice for closure/prosecution and levy of Environmental Compensation under section 31 A of the Air Act, 1981 notice no. HSPCB/CD/2023/970 was issued by HSPCB on 23.10.2023 is hereby marked as **ANNEXURE 1**

8. According to the show cause notice some minimal deficiency was observed at site of the answering respondent:

- Covered shed partially provided, but broken on vibration screen section.
- Dust Suppressing system not maintained and provided as per notification dated 11.05.2016.

9. It is pertinent to mention here that vide letter dated 03.11.2023 answering respondent reply to the show cause notice dated 23.10.2023 of HSPCB in which the answering respondent apprised about the corrective measures they have implemented after the inspection of the HSPCB. Given below the corrective measures to address the issue of broken shed mentioned in the report :

- We have Implemented the corrective measures to address the issue of broken shed mentioned in the report and same has been repaired with immediate effect.
- During inspection when the respective samples were collected there have been unforeseen circumstances that includes the direction of the flowing wind which has raised the level of dust from the plant located next to out plant. We kindly request for a re-inspection and collect the samples again for testing the applicable parameters.
- It is pertinent to mention here that in the interim report of the Joint Committee status of the above mentioned stone crusher site was found to be closed by its own and therefore itself HSPCB report states that **NO ACTION REQUIRED.**

It has been prayed to the HSPCB to re-collect the samples which would give more accurate position of the current state of the plant. True Copy of the Reply by answering respondent is hereby annexed as **ANNEXURE 2**

10. That answering respondent has been operating at all times with a valid consent from HSPCB under provisions of the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of pollution) Act, 1981 and the consent with the validity till 31.03.2027. True Copy of the consent to establish and consent to operate is hereby annexed as **ANNEXURE 3**
11. It is submitted that answering respondent complying under the provisions of CGWA and thereafter applied for the application for NOC of CGWA from the competent authority . True Copy of the CGWA application is hereby annexed as **ANNEXURE 4**
12. It is submitted that after the plantation in the premises of the stone crusher , answering respondent applied for the forest NOC which was duly received after the verification of plantation done as per Haryana Government Environment department Notification no. S.O 12/ C.A29/1986/Ss.5 and 7/2016 dated 11 may, 2016 . True Copy of the Forest NOC is hereby attached as **ANNEXURE 5**
13. As per the report answering respondent have valid consent to operate and was complying with conditions of consent to operate . That Stone crusher has metalled road proved for vehicular movement. It is submitted that green belt of approx 150 trees provided and plantation plan was verified by the DFO. It is submitted that water sprinkler , wetting and cleaning of the grounds provided.
14. It is pertinent to mention here that answering respondent earlier granted the renewal of stone crusher license wef 08-06-2019 to 07-06-2022 as per provisions of the Haryana Regulation and Control of Stone Crushers Rules, 1992, to run the crusher. It is further submitted that the answering respondent license is hereby renewed again and permission was granted for three years with effect from 08.06.2022 to 07.06.2025. True Copy of the

Renewal granted by Department of Mines and Geology, Haryana is hereby annexed as **ANNEXURE 6**

15. That as per the notice received by the answering respondent on 20.10.2023, Stone Crusher Site was found partially broken on the side of the screen section. It is further submitted that 2 issues were raised in the show cause notice and both were cured by the answering respondent. That the 1st issue pertains to broken shed is resolved and the same was repaired. It is further submitted that 2nd issue pertains to the dust suppressing system was not maintained and provided as per notification. True Photographs of the Stone Crusher is hereby annexed as **ANNEXURE A7**
16. That the answering respondent is committed to ensure that its operation adhere to the applicable environmental regulations and standards. All the deficiency found by the HSPCB has been cured and same can be verified via a re-inspection of the Stone Crusher Site.
17. With regard to the observation by the HSPCB, with respect to the defaults and issues ascribed to the answering respondent, the above mentioned submissions will make it abundantly clear that no fault can be attributed to the answering respondent.
18. It is respectfully submitted that not providing relief to the answering respondent will result in serious miscarriage of justice and will enable grave injustice to be perpetuated.

Charkhi Dadri - 127306

Email-hspcbrocd@gmail.com

No. HSPCB/CD/2023/ 970

Dated 23/10/23

To

M/s Jai Baba Jamna Giri Stone Crusher,
Village Birhi Kalan, Charkhi Dadri

Sub: Show cause notice for closure/prosecution and levy of Environmental compensation under section 31A of the Air (Prevention & Control of Pollution) Act, 1981 & withdrawal the consent to operate granted under section 21/22 of Air (Prevention & Control of Pollution) Act, 1981.

Whereas your unit was inspected by concerned field Officer on dated 11.10.2023 to ensure the installation of pollution control measures as per notification dated 11.05.2016. During inspection unit found non-operational and following deficiencies were observed at site: -

1. Covered shed partially provided, but broken on vibration screen section.
2. Dust suppressing system not maintained and provided as per notification dated 11.05.2016.

Whereas unit will be liable to pay the environmental compensation in the terms of direction of the Board issued by order no. HSPCB/PLG/2021/2343-2350 dated 22.12.2021 as assessed by the Board as per methodology defined.

Thus, your unit is willfully & deliberately violating provision Air Act, 1981 and stone crusher notification 11.05.2016.

In view of above, you are hereby issued a show cause notice for 15 days for the non-compliance under Section 37/38, 31-A of the Air (Prevention & Control of Pollution) Act, 1981, as to why closure/prosecution, levy of Environmental compensation may not be issued against your unit along with revocation of consent to operate granted under section 21/22 of Air (Prevention & Control of Pollution) Act, 1981.

In case you fail to reply/comply with the deficiencies mentioned above within above mentioned stipulated period, it will be presumed that you have nothing to say in this regard and accept the status as mentioned above, which will warrant closure action against your unit under 31A of Air Act, 1981 besides revoking the consent to establish/consent to operate granted to your unit & initiation of legal action under the provision of Air (Prevention & Control of Pollution) Act, 1981 without giving any further notice.

Explanations: For the avoidance of doubts, it is hereby declared that the power to issue directions under above said sections of Air Act (31-A) includes the power to direct: -

- (a) the closure, prohibition or regulation of any industry, operation or process or
- (b) the stoppage or regulation of supply of electricity, water or any other service

Sub. Reply/comply with the deficiencies mentioned in show cause notice no HSPCB/CD/2022/913 issued to jai baba jamna giri stone crushing co. dated 20-10-2023

Dear sir,

This is in response to the show cause notice dated 20-oct-2023 received pertaining to the inspection conducted on 09-oct-2023. Given below are the corrective measure and/ or response to the raised concerns,

1. we have implemented the corrective measures to address the issue of broken shed mentioned in the report and same has been repaired with immediate effect.
2. During the inspection when the respective samples were collected there have been unforeseen circumstances that plant located in the direction of the flowing wind which has raised the level of dust from the plant located next to our plant. We kindly request for a re-inspection and collect the sample again for testing the application parameters.

We believe that a re-collection of the sample will provide a more accurate representation of the current state of the plant.

We are committed to ensure that our operations adhere to the application environmental regulations and standard and we are committed to rectify any further concerns.

Thank you for your kind attention and our humble request is to take appropriate action.

Sincerely,

Surinder Singh

Sub. : Issue of Consent to Establish from pollution angle .

Please refer to your Consent to Establish application received in this office on the subject noted above. Under the Authority of the Haryana State Pollution Control Board vide its agenda Item No. 47.8 dated 28.04.83 sanction to the issue of "Consent to Establish" with respect to pollution control of Water and Air is hereby accorded to the unit Jai Baba Jamna Giri Stone Crusher, for manufacturing of **Bazri/Roor i/Zeera**, with the following terms and conditions:-

1. The industry has declared that the quantity of effluent shall be 1 KL/Day i.e 0KL/Day for Trade Effluent, 0 KL/Day for Cooling, 1 KL/Day for Domestic and the same should not exceed .
2. The above "Consent to Establish" is valid for 60 months from the date of its issue to be extended for another one year at the discretion of the Board or till the time the unit starts its trial production whichever is earlier. The unit will have to set up the plant and obtain consent during this period.
3. The officer/official of the Board shall have the right to access and inspection of the industry in connection with the various processes and the treatment facilities being provided simultaneously with the construction of building/machinery. The effluent should conform the effluent standards as applicable
4. That necessary arrangement shall be made by the industry for the control of Air Pollution before commissioning the plant. The emitted pollutants will meet the emission and other standards as laid/will be prescribed by the Board from time to time.
5. The applicant will obtain consent under section 25/26 of the Water (Prevention & Control of Pollution) Act, 1974 and under section 21/22 of the Air (Prevention & Control of Pollution) Act, 1981 as amended to-date-even before starting trial production
6. The above Consent to Establish is further subject to the conditions that the unit complies with all the laws/rules/decisions and competent directions of the Board/Government and its functionaries in all respects before commissioning of the operation and during its actual working strictly.
7. No in-process or post-process objectionable emission or the effluent will be allowed, if the scheme furnished by the unit turns out to be defective in any actual experience
8. The Electricity Department will give only temporary connection and permanent connection to the unit will be given after verifying the consent granted by the Board, both under Water Act and Air Act
9. Unit will raise the stack height of DG Set/Boiler as per Board's norms.
10. Unit will maintain proper logbook of Water meter/sub meter before/after commissioning.

11. That in the case of an industry or any other process the activity is located in an area approved and that in case the activity is sited in an residential or institutional or commercial or agricultural area, the necessary permission for siting such industry and process in an residential or institutional or commercial or agricultural area or controlled area under Town and Country Planning laws CLU or Municipal laws has to be obtained from the competent Authority in law permitting this deviation and be submitted in original with the request for consent to operate.
12. That there is no discharge directly or indirectly from the unit or the process into any interstate river or Yamuna River or River Ghaggar.
13. That the industry or the unit concerned is not sited within any prohibited distances according to the Environmental Laws and Rules, Notification, Orders and Policies of Central Pollution control Board and Haryana State Pollution Control Board.
14. That of the unit is discharging its sewage or trade effluent into the public sewer meant to receive trade effluent from industries etc. then the permission of the Competent Authority owing and operating such public sewer giving permission letter to his unit shall be submitted at time of consent to operate.
15. That if at any time, there is adverse report from any adjoining neighbor or any other aggrieved party or Municipal Committee or Zila Parishad or any other public body against the unit's pollution; the Consent to Establish so granted shall be revoked.
16. That all the financial dues required under the rules and policies of the Board have been deposited in full by the unit for this Consent to Establish.
17. In case of change of name from previous Consent to Establish granted, fresh Consent to Establish fee shall be levied.
18. Industry should adopt water conservation measures to ensure minimum consumption of water in their Process. Ground water based proposals of new industries should get clearance from Central Ground Water Authority for scientific development of previous resource.
19. That the unit will take all other clearances from concerned agencies, whenever required.
20. That the unit will not change its process without the prior permission of the Board.
21. That the Consent to Establish so granted will be invalid, if the unit falls in Aravali Area or non conforming area.
22. That the unit will comply with the Hazardous Waste Management Rules and will also make the non-leachate pit for storage of Hazardous waste and will undertake not to dispose off the same except for pit in their own premises or with the authorized disposal authority.
23. That the unit will submit an undertaking that it will comply with all the specific and general conditions as imposed in the above Consent to Establish within 30 days failing which Consent to Establish will be revoked.
24. That unit will obtain EIA from MoEF, if required at any stage.
25. In case of unit does not comply with the above conditions within the stipulated period, Consent to Establish will be revoked.

Specific Conditions

- 1 Unit will construct the proper septic tank as per Bureau of Indian standards.
- 2 Green belt of adequate width shall be provided by the unit.
- 3 Unit shall obtain trial consent to operate before start of production
- 4 The unit shall dispose plastic waste only to authorised agency for disposal of plastic waste by any state pollution control board

Haryana State Pollution Control Board.

Terms and conditions

1. The applicants shall maintain good house keeping both within factory and in the premises. All hose pipelines valves, storage tanks etc. shall be leak proof. In plant allowable pollutants levels, if specified by State Board should be met strictly.
2. The applicant/company shall comply with and carry out directive/orders issued by the Board in this consent order at all subsequent times without negligence of his /its part. The applicant/company shall be liable for such legal action against him as per provision of the law/act in case of violation of any order/directives. Issued at any time and or non compliance of the terms and conditions of his consent order.
3. The applicant shall make an application for grant of consent at least 90 days before the date of expiry of this consent.
4. Necessary fee as prescribed for obtaining renewal consent shall be paid by the applicant alongwith the consent application.
5. If due to any technological improvement or otherwise this Board is of opinion that all or any of the conditions referred to above required variation (including the change of any control equipment either in whole or in part) this Board shall after giving the applicant an opportunity of being heard vary all or such condition and there upon the applicant shall be bound to comply with the conditions so varied.
6. The industry shall provide adequate arrangement for fighting the accidental leakages, discharge of any pollutants gas/liquids from the vessels, mechanical equipment etc. which are likely to cause environment pollution.
7. The industry shall comply noise pollution (Regulation and control) Rules, 2000.
8. The industry shall comply all the direction/Rules/Instructions as may be issued by the MOEF/CPCB/HSPCB from time to time.
9. The industry shall ensure that various characteristics of the effluents remain within the tolerance limits as specified in EPA Standard and as amended from time to time and at no time the concentration of any characteristics should exceed these limits for discharge.
10. The industry would immediately submit the revised application to the Board in the event of any change in the raw material in process, mode of treatment/discharge of effluent. In case of change of process at any stage during the consent period, the industry shall submit fresh consent application alongwith the consent to operate fee, if found due, which may be on any account and that shall be paid by the industry and the industry would immediately submit the consent application to the Board in the event of any change during the year in the raw material.

quantity, quality of the effluent, mode of discharge, treatment facilities etc.

11. The officer/official of the Board shall reserve the right to access for the inspection of the industry in connection with the various process and the treatment facilities. The consent to operate is subject to review by the Board at any time.
12. Permissible limits for any pollutants mentioned in the consent to operate order should not exceed the concentration permitted in the effluent by the Board.
13. The industry shall pay the balance fee, in case it is found due from the industry at any time later on.
14. If the industry fails to adhere to any of the conditions of this consent to operate order, the consent to operate so granted shall automatically lapse.
15. If the industry is closed temporarily at its own, they shall inform the Board and obtain permission before restart of the unit.
16. The industry shall comply all the Directions/ Rules/Instructions issued from time to time by the Board.

Specific Conditions :

1. That the unit will run and maintain the APCM/ physical control measures to bring the emissions within limits prescribed by the board.
2. The unit will keep the air emissions within limits prescribed limits by the Board/under provision of EP Act, 1986.
3. The unit will submit the analysis report of Air emission regularly as per policy of Board.
4. The unit will apply for renewal of consent at least 90 days before expiry date of the consent.
5. The unit will abide with the directions/guidelines HSPCB/CPCB/ any court decision/ direction of any competent authority.
6. The unit will make stringent compliance of stone crusher notification 11.05.2016.
7. If unit found violating the production capacity, the CTO so granted shall be revoked automatically.
8. The unit adhere to the production capacity mentioned in CTE/CTO certificate.
9. The unit will procure the raw material from legitimate source only.
10. This CTO is without prejudice to any action to be taken against the unit and its responsible persons under the provisions of applicable laws / acts / notification / courts order to be taken in respect of any violations found at any stage without any claim of the unit.
11. The unit will obtain prior NOC/Permission from central Ground Water Authority or from any other competent authority in case underground water resource is used.
12. This CTO is without prejudice to any action to be taken against the unit and its responsible persons under the provisions of applicable laws / acts / notification / courts order to be taken in respect of any violations found at any stage without any claim of the unit.
13. The unit will abide with the directions/guidelines HSPCB/CPCB/EPCA/ direction of any competent authority or any relevant decision of any Court.
14. If fails to comply the provisions of said notification, the CTO so granted shall be revoked automatically without giving any notice.
15. The unit will plant sufficient Nos. of trees within & outside the premises during coming monsoon season or with the approval of Forest deptt. as per notification dated 11.5.2016.
16. If the unit is found not complying the conditions of CTO so granted at any stage, the unit will be liable for legal action, closure action as per the provisions of environmental Acts/laws and for lavvy of Environment Compensation on the basis of polluter pay principal as per the

directions of Hon'ble NGT / EPCA/CPCB/ HSPCB issued from time to time.
17. Unit will comply with the order passed in OA No. 607 of 2018 pending before Hon'ble
NGT.

(ii) Breakup of Water Requirement and Usage:

Activity	Existing Requirement (m3/day)	Proposed Requirement (m3/day)	Total Requirement (m3/day)	No. of Operational Days in a Year	Annual Requirement (m3/year)
Industrial Activity	99.00	0.00	99.00	360	35640.00
Residential / Domestic	0.50	0.00	0.50	365	182.50
Greenbelt Development / Environment Maintenance	0.50	0.00	0.50	365	182.50
Other Use	0.00		0.00		0.00
Grand Total	100.00	0.00	100.00		36005.00

(iii) Breakup of Recycled Water Usage:

	(m3/day)	(Days)	(m3/year)
(a) Total Waste Water Generated:	0.50	360	180.00
(b) Quantity of Treated Water Available	0.00	0	0.00
i). Reuse in Industrial Activity:	0.00	0	0.00

ii). Reuse in Green Belt Development:	0.00	0	0.00
iii). Any other use	0.00	0	0.00
(c) Total Treated Water Utilized:	0.00		0.00
(d) Quantity and mode of disposal of unutilised effluent:	0		

3. Details of existing and/ or proposed groundwater abstraction structures

(a) Groundwater Abstraction Structure-Existing

SNo.	Type/ Year of construction	Depth (meter) / Diameter (mm)	Depth to water level (meters below ground level)	Discharge(m ³ per hour)	Operational hours/ (day)/ days/year	Mode of lift	Horse Power of pump	Whether fitted with water meter or not	Whether permission/ registered with HRWA / if so Details of permission
1	bore well/ 2021	80.00/ 2.00	2.00	0.00	12/ 360	1	5	No	No/

Quantum of ground water recharge(m ³ /year)	120.00
Details of rainwater harvesting and artificial recharge measures for groundwater recharge in the premises. If the firm has proposed to take up rainwater harvesting and recharge outside the industrial unit premises, then provide NOC from the concern authority/agency where the harvesting measures are proposed, if already implemented, details may be furnished. (attach report on comprehensive & feasible Rainwater harvesting/recharge proposal).	Download
Water Balance Chart with water requirement at each Stage.	Download
Have you applied earlier for groundwater clearance from Government Agency, if so, give details thereof with status	Download
Water Efficient Technology will be adopted	Download
Consent of operate issued by HSPCB(CTO)	Download
Impact Assessment Report Proposed Extraction	
Proof of MSME	Download
Certificate regarding non/ partial availability of fresh water/ treated waste water supply from the local government water supply agency	Download

**FOREST DEPARTMENT GOVT. OF HARYANA****O/o Divisional Forest Officer Charkhi Dadri**

Rohtak Road, Near P.W.D. Rest House, Ch. Dadri, E-mail:-dfodadri@gmail.com

Letter No. 1478

Dated. 04/01/2021

To,

Jai Baba Janna Giri Stone Crusher,
Vill. Birhi Kalan, Charkhi Dadri

Subject- Approval for the Plantation Plan as per Haryana Government, Environment Department Notification No. S.O 12/C.A29/1986/Ss. 5 and 7/2016 dated 11th May, 2016.

In compliance of the Item No II (Pollution control Measures) condition no (F) stated in the above subjected notification, the approval of the Plantation plan submitted by you is hereby accorded, subject to the following conditions which have been laid out keeping in view the letter & spirit of the notification as well as the technical aspects of the plantation :-

- 1) The plantation should be done of the species of Avenue/Green belt plants only.
- 2) The plantation is to be done in Minimum Two Rows parallel or staggered to each other.
- 3) Preferably Tall plants of 6-8 ft should be used for plantation.
- 4) Proper size pit be dug before planting the plant.
- 5) Timely watering of the plants should be done.
- 6) Weeding and Hoeing of the plants should be carried out as per the requirement.
- 7) Proper protection of the plantation should be taken care of against Biotic/Machinery mishandling.
- 8) The species should be so selected which attain good height, have high speed of growth, have broad leaves, aesthetic value, provide shade etc. For the sake of suggestion but not limiting to, a preferable list of species of suitable plants for the above purpose includes- Arjun, Suhanjana, Gulmohar, Jharul, Neem, Ailanthus, Siris, Pilkhan, Kadamb, Chukrassia, Hathiphal etc.

Divisional Forest Officer,
Charkhi Dadri

Plantation Plan As per Haryana Government, Environment Department
 Notification No. S.O 12/C.A29/1986/Ss. 5 and 7/2016 dated 11th May, 2016.

DETAIL OF THE CRUSHER UNIT	STATISTICAL DATA/ INFORMATION FURNISHED
Name of the Crushing Unit	JAI BABA GIRI STONE CRUSHER
Location Of the Crushing Unit	N.P.O. BELHAI KANWAL TEHSIL CH. DADRI (IND)
Total Area Of the Crushing Unit(sq.mtr)	6070.29 Sq. mtr
Total peripheral length(mtr)	256.45 mtr
Available peripheral Length for plantation(mtr)	104.33 mtr
Proposed no. of plantation Rows	3 Rows
Proposed no. of plants to be planted	248 PLANTS
Layout of the Plantation Plan (Not to Scale/ Approximate)	Attached

It is certified that I/We have taken up the utmost possible avenue plantation as means of pollution control measure at my above mentioned crushing unit and shall continue to do so as per availability of space in future also. I/We also assure that the plantation done as per the approved plan shall be taken care of us per the conditions laid down by the Forest Department in letter and spirit.
