1. The common issue in this group of matters is conservation and protection of Delhi Ridge which is an extension of Aravalli Range extending from Tughlaqabad and branching out in Wazirabad in the north and also other parts of Delhi.

2. The proceedings were initiated on the basis of news item titled 'Three Illegal Roads cut through forest' in Times of India dated 28.02.2013 on the basis of which OA 58/2013 was filed in March, 2013. It has four zones- Northern Ridge in Delhi University, Central Ridge from Sadar Bazar to Dhaula Kuan, South West Central Ridge near JNU and Southern Ridge upto Asola and Bhatti Wildlife Sanctuary. It is further stated that the ecology of the Ridge is being destroyed, though it has been declared Reserved Forest vide Notification dated 22.05.1994 under Section 4 of the Indian Forest Act, 1927 (Forest Act) which is as follows:-

***"No. F.10(42)-1/PA/DCF/93/2012-17(1) – In pursuance of the provisions of Section -4 of the Indian Forest Act, 1927 (Act No. 16 of 1927) the Lt. Governor, of National Capital Territory of Delhi hereby declares the lands mentioned in Schedule 'A' below as reserved forest.***

3. As per the news item dated 28.02.2013, road cutting across Rajokri Forest in Southern Ridge area was illegally built resulting in unauthorized construction inside the forest and degradation of the forest. There are encroachments by private entities as well as religious institutions, as per preliminary report on the status of Sanjay van from November 2010 to May 2011 published by *Srishti*, an Environmental Group.

5. In the Application, reference has also been made to a complaint dated 28.03.2012 addressed to the Chief Conservator of Forest by one Pradip Krishen mentioning dumping of the waste on the Ridge and encroachments.

6. The matter was first taken up on 06.03.2013. Notice was issued to the Delhi Government, the Vice-Chairman, DDA, the Chairman of the Ridge Management Board (Chief Secretary, Delhi) and to the

Commissioner of Police, Delhi. Later, the MoEF&CC was also added as a party and Notice was issued to it.

7. Counter affidavit has been filed on 22.04.2013 by the Department of Forest and Wildlife, Delhi to the effect that Notification dated 04.04.1996 was issued by the Revenue Department that uncultivable surplus Gaon Sabha land will be given to the Forest Department. However, some part of the land was converted to Pedestrian path on which illegal road has been constructed in Rajokri Forest area. The Chief Conservator of Forest visited the site on 15.03.2013 and noticed the illegality. Meeting was held on 22.03.2013 to address the issue with the DDA and the Police officials. Work of dismantling the road started. A wall will be constructed to rule out rebuilding of the road. Reply by the DDA was filed on 22.04.2013 with regard to the protection of Sanjay van, which is part of the reserved forest. It was stated that the DDA has erected wall around Sanjay van and employed guards to stop vehicles therein. It has also sent complaints to the PWD and the Police against non-forestry activities. A copy of the minutes of meeting of the Ridge Management Board held on 10.07.2007, under the Chairman of the Chief Secretary who is the Chairman of the Ridge Management Board has also been annexed.

8. The matter has been dealt with on several hearings in the last almost eight years. Reference may only be made to some significant orders by which the issue was dealt with. On 21.07.2016, the Tribunal required filing of a time schedule for demarcation of the Ridge area in South District and New Delhi, Vasant Vihar, Sub-Division. On 16.08.2016, the Tribunal directed the SDM Saket, SDM Mehrauli, SDM Vasant Vihar and SDM Kalkaji Sub-Division to carry out demarcation accordingly. On 09.02.2018, the Tribunal directed completion of demarcation within one month. On 11.03.2019, the Tribunal dealt with the matter in the presence

of the Principal Secretary, Department of Revenue. The Tribunal directed the Principal Secretary, Revenue to give complete details of the forest area and the encroachments.

9. On 03.04.2019, the Divisional Commissioner-cum-Principal Secretary, Revenue Department filed affidavit giving status of demarcation of 19 villages based on TSM survey in compliance with the order of the Tribunal dated 11.03.2019 as follows:

- Total Ridge Area = 71,310-18 Bighas/Biswas
- Demarcated Area = 70,941-02
- Handed over = 65,453-04
- Not handed over = 5,487-18

11. Learned Amicus points out that in respect of areas, which are un-encroached and have already been demarcated and handed over to Forest Department as per stand of the Revenue Secretary as above, final Notification under Section 20 of the Forest Act should be issued forthwith. Such area should be covered by boundary wall/fencing in accordance with Section 6 to 8 of the Forest Act. The Forest Department should prepare Management Plan and the statutory authorities must regularly inspect the area and ensure that it is kept encroachment free. With regard to the remaining, the identified encroached areas should be retrieved in second phase by time bound action plan to be executed and monitored by the authorities for which there should also be high powered oversight Committee. We find merit in the suggestion and we propose to issue directions in these terms.

12. Under the scheme of the Forest Act, once Notification under Section 4 has been issued in respect of decision to constitute Reserved Forest by the State, no right can be acquired therein except by a decision of the State in terms of the said Act. There are provisions to deal with any claims in such area, including the remedy for appeal to the State.

13. Learned Counsel for the Forest Department is unable to point out any meaningful objection to the suggestions of learned Amicus except to submit that there are difficulties in removing encroachments.

14. We may note that the Ridge in Delhi has historical and environmental significance. It is made of quartzite rocks. It has special and distinct features and uses. It is part of Aravali hills. Reference may be made to discussion in Supreme Court judgement in *DDA v. Kenneth Builders & Developers (P) Ltd.*, (2016) 13 SCC 561, at page 576, para 22 as follows :

**“.....non-forestry use of land falling in the Ridge was permitted only after a development project was cleared or recommended by the Ridge Management Board and permitted by this Court.** However, a decision was rendered by the Delhi High Court in a case filed by Ashok Kumar Tanwar [WP (C) No. 3339 of 2011 decided on 30-11-2011 to the effect that a development project on land outside the notified Ridge area but having morphological features conforming to the Ridge would also require clearance from the Ridge Management Board and this Court. **Therefore, as far as the present case is concerned though the project land falls outside the Ridge but has morphological features conforming to the Ridge bringing it within the extended Ridge, the project of DDA involving non-forestry use of the land could be permitted only after obtaining clearance from the Ridge Management Board and after obtaining the permission of this Court.”**

15. We are thus of the view that there is urgent need to take necessary steps to protect the Ridge by taking necessary steps to finalise the notification under section 20 of the Forest Act for reserved forest and protection by appropriate measures. The land about which there is clarity can be included in such notification and the remaining process can be undergone separately but expeditiously. No non-forest activity is permissible in Ridge area.

16. In view of above, we direct that the Delhi Government through the Chief Secretary, Delhi to ensure that requisite Notification under Section 20 of the Indian Forest Act, 1927 is issued within three months in respect of the area about which there is no controversy. Further actions to be taken by the Delhi Government may include suitable protection by fencing/wall and vigilance. Identification of the remaining area and action

plan for removing the encroachments be ensured within next three months. Execution of the action plan will be primarily under the Chief Secretary Delhi, who is also the Chairman of the Ridge Management Board.

17. We direct constitution of an Oversight Committee (OC) to be headed by DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun as members. Main function of the OC will be to oversee progress with regard to the removal of encroachments from the Ridge, its protection by way of fencing/boundary wall and preparation of management plan for its restitution. The Committee will be free to co-opt any other authorities/Experts. The Nodal agency will be the PCCF, Delhi for coordination and compliance. First meeting of the Committee may be held within one month and thereafter review may be undertaken periodically preferably at least once in a month till the action plan is executed.

In view of the above, O.A. No. 58/2013 stands disposed of.

O.A. No. 144/2015 seeks removal of encroachment in South Ridge Forest for which no separate order is necessary. The same will stand disposed of. O.A. No. 116/2015 also seeks removal of encroachments from Rangpuri area in South Delhi which will also stand disposed of. O.A. No. 10/2014 which also involves similar issue has already been disposed of by an earlier order of this Tribunal dated 11.11.2014, wherein M.A. No. 258/2015 has been filed for enforcement of earlier order will also stand disposed of.

We place on record our appreciation for the valuable assistance rendered by learned Amicus.

All pending M.A.s/I.A. will also stand disposed of in view of the order passed in main matter.

A copy of this order be forwarded to DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi (through PCCF Delhi) and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun by mail for compliance.

CALCULATION OF AREAS IN THE CENTRAL RIDGEBASIS OF AREA CALCULATION

As per the map of the Central Ridge furnished by the L&DO, CPWD is having ownership over 1600 acres of Central Ridge (640 ha approx.), which is inclusive of many allotments and encroachments. Extensive ground verification has been carried out by the CPWD and Forest Department officials between 27.07.2004 to 02.09.2004, keeping the map of the Central Ridge furnished by the L&DO as the basis.

The map is having a scale of 16 inches = 1 mile. Converting into metric units, the scale for area calculations is  $1 \text{ cm}^2 = 1568.16 \text{ m}^2$ . In absence of any detailed measurements on ground, the various allotments depicted on the map are taken as correct and the areas calculated on map by breaking them up in rectangles, trapezoids and triangles. In some calculations, allotment areas in acres is also taken to arrive at a fair figure.

Mr. Gigi. C. George, Adv. with Mr. Raghubir Singh, ACP, Mehrauli & S.H.O. Maidan Garhi, Delhi Police  
Ms. Jyoti Mendiratta, Adv. for PCCF**ORDER**

1. This Execution Application (EA) has been filed by the applicant seeking compliance of the order dated 15.01.2021 passed in OA No. 58/2013.

2. By order dated 15.01.2021, Tribunal had disposed of the OA along with connected matters concerning conservation and protection of Delhi Ridge which is an extension of Aravali Range extending from Tughlaqabad and branching out in Wazirabad in the north and also other part of Delhi.

3. The tribunal took note of the urgent need to protect the ridge by finalizing the notification under Section 20 of the Indian Forest Act, 1927

for reserve forest and protection by appropriate measures. Tribunal, therefore, while disposing of the OA and connected matters by order dated 15.01.2021 had issued the following directions:-

“xxx.....xxx.....xxx

15. *We are thus of the view that there is urgent need to take necessary steps to protect the Ridge by taking necessary steps to finalise the notification under section 20 of the Forest Act for reserved forest and protection by appropriate measures. The land about which there is clarity can be included in such notification and the remaining process can be undergone separately but expeditiously. No non-forest activity is permissible in Ridge area.*
  16. *In view of above, we direct that the Delhi Government through the Chief Secretary, Delhi to ensure that requisite Notification under Section 20 of the Indian Forest Act, 1927 is issued within three months in respect of the area about which there is no controversy. Further actions to be taken by the Delhi Government may include suitable protection by fencing/wall and vigilance. Identification of the remaining area and action plan for removing the encroachments be ensured within next three months. Execution of the action plan will be primarily under the Chief Secretary Delhi, who is also the Chairman of the Ridge Management Board.*
  17. *We direct constitution of an Oversight Committee (OC) to be headed by DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun as members. Main function of the OC will be to oversee progress with regard to the removal of encroachments from the Ridge, its protection by way of fencing/boundary wall and preparation of management plan for its restitution. The Committee will be free to co-opt any other authorities/Experts. The Nodal agency will be the PCCF, Delhi for coordination and compliance. First meeting of the Committee may be held within one month and thereafter review may be undertaken periodically preferably at least once in a month till the action plan is executed.”*
4. In term of the above directions, Delhi Government through Chief Secretary, Delhi was required to ensure that requisite Notification under Section 20 of the Indian Forest Act,1927 is issued within three months in respect of area about which there is no controversy.

5. Response in this EA on behalf of respondents nos. 1 and 2 has been filed, summarizing the position as under:-

*“7. That the Present Reply has been divided in the following parts:*

*a. PART I: STATUS OF NOTIFICATION UNDER SECTION 20 OF IFA, 1927.*

*b. PART II: STATUS OF BOUNDARY WALL CONSTRUCTION/ FENCING TO PROTECT RIDGE FOREST LAND.*

*C. PART III: STATUS OF ENCROACHMENT REMOVAL FROM THE FOREST LAND IN THE NCT OF DELHI”.*

6. It is not in dispute that so far as part one is concerned that relates to undisputed portion of the ridge has been filed by respondent nos. 1 and 2.

7. It is not in dispute that the order dated 15.01.2021 of the Tribunal to finalise the notification under Section 20 of the Forest Act, 1927 in respect of the undisputed portion of the ridge has not been complied with. The order was passed by the Tribunal more than four years back, and the ridge in question acts as the green lungs of Delhi and has an active role in maintaining the air quality in Delhi. Thus, compliance with the order within time would have contributed to improvement of air quality in Delhi, yet the order has not been complied with and no clear reasons are given by GNCTD in its affidavit for non-compliance of the order. Counsel appearing for the GNCTD also submits that she has no instruction in this regard.

8. NGT Act 2010 provides for requisite action that may be taken to ensure compliance with the order of the Tribunal. Relevant provisions of the Act in this regard are quoted below:-

*“Section 26. Penalty for failure to comply with orders of Tribunal.*

*(1) Whoever, fails to comply with any order or award or decision of the Tribunal under this Act, he shall be punishable with imprisonment for a term which may extend to three years, or with fine which may extend to ten crore rupees, or with both and in case the failure or contravention continues, with additional fine which may extend to twentyfive thousand rupees for every day during which such failure or contravention continues after conviction for the first such failure or contravention:*

*Provided that in case a company fails to comply with any order or award or a decision of the Tribunal under this Act, such company shall be punishable with fine which may extend to twenty-five crore rupees, and in case the failure or contravention continues, with additional fine which may extend to one lakh rupees for every day during which such failure or contravention continues after conviction for the first such failure or contravention.*

*(2) Notwithstanding anything contained in the Code of Criminal Procedure, 1973 (2 of 1974) every offence under this Act shall be deemed to be non-cognizable within the meaning of the said Code.*

#### 28. Offences by Government Department.

*(1) Where any Department of the Government fails to comply with any order or award or decision of the Tribunal under this Act, the Head of the Department shall be deemed to be guilty of such failure and shall be liable to be proceeded against for having committed an offence under this Act and punished accordingly:*

*Provided that nothing contained in this section shall render such Head of the Department liable to any punishment if he proves that the offence was committed without his knowledge or that he exercised all due diligence to prevent the commission of such offence.*

*(2) Notwithstanding anything contained in sub-section (1), where an offence under this Act has been committed by a Department of the Government and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of any officer, other than the Head of the Department, such officer shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.”*

9. Thus, we give two weeks to respondent no. 1 to file a fresh affidavit and explain why action be not initiated against concerned authorities/officers of respondent no. 1 in terms of the provisions of NGT Act, 2010.

11. Learned Amicus points out that in respect of areas, which are un-encroached and have already been demarcated and handed over to Forest Department as per stand of the Revenue Secretary as above, final Notification under Section 20 of the Forest Act should be issued forthwith. Such area should be covered by boundary wall/fencing in accordance with Section 6 to 8 of the Forest Act. The Forest Department should prepare Management Plan and the statutory authorities must regularly inspect the area and ensure that it is kept encroachment free. With regard to the remaining, the identified encroached areas should be retrieved in second phase by time bound action plan to be executed and monitored by the authorities for which there should also be high powered oversight Committee. We find merit in the suggestion and we propose to issue directions in these terms.

12. Under the scheme of the Forest Act, once Notification under Section 4 has been issued in respect of decision to constitute Reserved Forest by the State, no right can be acquired therein except by a decision of the State in terms of the said Act. There are provisions to deal with any claims in such area, including the remedy for appeal to the State.

13. Learned Counsel for the Forest Department is unable to point out any meaningful objection to the suggestions of learned Amicus except to submit that there are difficulties in removing encroachments.

14. We may note that the Ridge in Delhi has historical and environmental significance. It is made of quartzite rocks. It has special and distinct features and uses. It is part of Aravali hills. Reference may be made to discussion in Supreme Court judgement in *DDA v. Kenneth Builders & Developers (P) Ltd.*, (2016) 13 SCC 561, at page 576, para 22 as follows :

**“.....non-forestry use of land falling in the Ridge was permitted only after a development project was cleared or recommended by the Ridge Management Board and permitted by this Court. However, a decision was rendered by the Delhi High Court in a case filed by Ashok Kumar Tanwar [WP (C) No. 3339 of 2011 decided on 30-11-2011 to the effect that a development project on land outside the notified Ridge area but having morphological features conforming to the Ridge would also require clearance from the Ridge Management Board and this Court. Therefore, as far as the present case is concerned though the project land falls outside the Ridge but has morphological features conforming to the Ridge bringing it within the extended Ridge, the project of DDA involving non-forestry use of the land could be permitted only after obtaining clearance from the Ridge Management Board and after obtaining the permission of this Court.”**

15. We are thus of the view that there is urgent need to take necessary steps to protect the Ridge by taking necessary steps to finalise the notification under section 20 of the Forest Act for reserved forest and protection by appropriate measures. The land about which there is clarity can be included in such notification and the remaining process can be undergone separately but expeditiously. No non-forest activity is permissible in Ridge area.

16. In view of above, we direct that the Delhi Government through the Chief Secretary, Delhi to ensure that requisite Notification under Section 20 of the Indian Forest Act, 1927 is issued within three months in respect of the area about which there is no controversy. Further actions to be taken by the Delhi Government may include suitable protection by fencing/wall and vigilance. Identification of the remaining area and action

plan for removing the encroachments be ensured within next three months. Execution of the action plan will be primarily under the Chief Secretary Delhi, who is also the Chairman of the Ridge Management Board.

17. We direct constitution of an Oversight Committee (OC) to be headed by DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun as members. Main function of the OC will be to oversee progress with regard to the removal of encroachments from the Ridge, its protection by way of fencing/boundary wall and preparation of management plan for its restitution. The Committee will be free to co-opt any other authorities/Experts. The Nodal agency will be the PCCF, Delhi for coordination and compliance. First meeting of the Committee may be held within one month and thereafter review may be undertaken periodically preferably at least once in a month till the action plan is executed.

In view of the above, O.A. No. 58/2013 stands disposed of.

O.A. No. 144/2015 seeks removal of encroachment in South Ridge Forest for which no separate order is necessary. The same will stand disposed of. O.A. No. 116/2015 also seeks removal of encroachments from Rangpuri area in South Delhi which will also stand disposed of. O.A. No. 10/2014 which also involves similar issue has already been disposed of by an earlier order of this Tribunal dated 11.11.2014, wherein M.A. No. 258/2015 has been filed for enforcement of earlier order will also stand disposed of.

We place on record our appreciation for the valuable assistance rendered by learned Amicus.

All pending M.A.s/I.A. will also stand disposed of in view of the order passed in main matter.

A copy of this order be forwarded to DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi (through PCCF Delhi) and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun by mail for compliance.

1. This Execution Application (EA) has been filed by the applicant seeking compliance of the order dated 15.01.2021 passed in OA No. 58/2013.

2. By order dated 15.01.2021, Tribunal had disposed of the OA along with connected matters concerning conservation and protection of Delhi Ridge which is an extension of Aravali Range extending from Tughlaqabad and branching out in Wazirabad in the north and also other part of Delhi.

3. The tribunal took note of the urgent need to protect the ridge by finalizing the notification under Section 20 of the Indian Forest Act, 1927

for reserve forest and protection by appropriate measures. Tribunal, therefore, while disposing of the OA and connected matters by order dated 15.01.2021 had issued the following directions:-

“xxx.....xxx.....xxx

15. *We are thus of the view that there is urgent need to take necessary steps to protect the Ridge by taking necessary steps to finalise the notification under section 20 of the Forest Act for reserved forest and protection by appropriate measures. The land about which there is clarity can be included in such notification and the remaining process can be undergone separately but expeditiously. No non-forest activity is permissible in Ridge area.*
16. *In view of above, we direct that the Delhi Government through the Chief Secretary, Delhi to ensure that requisite Notification under Section 20 of the Indian Forest Act, 1927 is issued within three months in respect of the area about which there is no controversy. Further actions to be taken by the Delhi Government may include suitable protection by fencing/wall and vigilance. Identification of the remaining area and action plan for removing the encroachments be ensured within next three months. Execution of the action plan will be primarily under the Chief Secretary Delhi, who is also the Chairman of the Ridge Management Board.*
17. *We direct constitution of an Oversight Committee (OC) to be headed by DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun as members. Main function of the OC will be to oversee progress with regard to the removal of encroachments from the Ridge, its protection by way of fencing/boundary wall and preparation of management plan for its restitution. The Committee will be free to co-opt any other authorities/Experts. The Nodal agency will be the PCCF, Delhi for coordination and compliance. First meeting of the Committee may be held within one month and thereafter review may be undertaken periodically preferably at least once in a month till the action plan is executed.”*

4. In term of the above directions, Delhi Government through Chief Secretary, Delhi was required to ensure that requisite Notification under Section 20 of the Indian Forest Act,1927 is issued within three months in respect of area about which there is no controversy.

5. Response in this EA on behalf of respondents nos. 1 and 2 has been filed, summarizing the position as under:-

*“7. That the Present Reply has been divided in the following parts:*

*a. PART I: STATUS OF NOTIFICATION UNDER SECTION 20 OF IFA, 1927.*

*b. PART II: STATUS OF BOUNDARY WALL CONSTRUCTION/ FENCING TO PROTECT RIDGE FOREST LAND.*

*C. PART III: STATUS OF ENCROACHMENT REMOVAL FROM THE FOREST LAND IN THE NCT OF DELHI”.*

6. It is not in dispute that so far as part one is concerned that relates to undisputed portion of the ridge has been filed by respondent nos. 1 and 2.

7. It is not in dispute that the order dated 15.01.2021 of the Tribunal to finalise the notification under Section 20 of the Forest Act, 1927 in respect of the undisputed portion of the ridge has not been complied with. The order was passed by the Tribunal more than four years back, and the ridge in question acts as the green lungs of Delhi and has an active role in maintaining the air quality in Delhi. Thus, compliance with the order within time would have contributed to improvement of air quality in Delhi, yet the order has not been complied with and no clear reasons are given by GNCTD in its affidavit for non-compliance of the order. Counsel appearing for the GNCTD also submits that she has no instruction in this regard.

8. NGT Act 2010 provides for requisite action that may be taken to ensure compliance with the order of the Tribunal. Relevant provisions of the Act in this regard are quoted below:-

*“Section 26. Penalty for failure to comply with orders of Tribunal.*

*(1) Whoever, fails to comply with any order or award or decision of the Tribunal under this Act, he shall be punishable with imprisonment for a term which may extend to three years, or with fine which may extend to ten crore rupees, or with both and in case the failure or contravention continues, with additional fine which may extend to twentyfive thousand rupees for every day during which such failure or contravention continues after conviction for the first such failure or contravention:*

*Provided that in case a company fails to comply with any order or award or a decision of the Tribunal under this Act, such company shall be punishable with fine which may extend to twenty-five crore rupees, and in case the failure or contravention continues, with additional fine which may extend to one lakh rupees for every day during which such failure or contravention continues after conviction for the first such failure or contravention.*

*(2) Notwithstanding anything contained in the Code of Criminal Procedure, 1973 (2 of 1974) every offence under this Act shall be deemed to be non-cognizable within the meaning of the said Code.*

#### 28. Offences by Government Department.

*(1) Where any Department of the Government fails to comply with any order or award or decision of the Tribunal under this Act, the Head of the Department shall be deemed to be guilty of such failure and shall be liable to be proceeded against for having committed an offence under this Act and punished accordingly:*

*Provided that nothing contained in this section shall render such Head of the Department liable to any punishment if he proves that the offence was committed without his knowledge or that he exercised all due diligence to prevent the commission of such offence.*

*(2) Notwithstanding anything contained in sub-section (1), where an offence under this Act has been committed by a Department of the Government and it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part of any officer, other than the Head of the Department, such officer shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.”*

9. Thus, we give two weeks to respondent no. 1 to file a fresh affidavit and explain why action be not initiated against concerned authorities/officers of respondent no. 1 in terms of the provisions of NGT Act, 2010.

5. In the Application, reference has also been made to a complaint dated 28.03.2012 addressed to the Chief Conservator of Forest by one Pradip Krishen mentioning dumping of the waste on the Ridge and encroachments.

6. The matter was first taken up on 06.03.2013. Notice was issued to the Delhi Government, the Vice-Chairman, DDA, the Chairman of the Ridge Management Board (Chief Secretary, Delhi) and to the

Commissioner of Police, Delhi. Later, the MoEF&CC was also added as a party and Notice was issued to it.

7. Counter affidavit has been filed on 22.04.2013 by the Department of Forest and Wildlife, Delhi to the effect that Notification dated 04.04.1996 was issued by the Revenue Department that uncultivable surplus Gaon Sabha land will be given to the Forest Department. However, some part of the land was converted to Pedestrian path on which illegal road has been constructed in Rajokri Forest area. The Chief Conservator of Forest visited the site on 15.03.2013 and noticed the illegality. Meeting was held on 22.03.2013 to address the issue with the DDA and the Police officials. Work of dismantling the road started. A wall will be constructed to rule out rebuilding of the road. Reply by the DDA was filed on 22.04.2013 with regard to the protection of Sanjay van, which is part of the reserved forest. It was stated that the DDA has erected wall around Sanjay van and employed guards to stop vehicles therein. It has also sent complaints to the PWD and the Police against non-forestry activities. A copy of the minutes of meeting of the Ridge Management Board held on 10.07.2007, under the Chairman of the Chief Secretary who is the Chairman of the Ridge Management Board has also been annexed.

8. The matter has been dealt with on several hearings in the last almost eight years. Reference may only be made to some significant orders by which the issue was dealt with. On 21.07.2016, the Tribunal required filing of a time schedule for demarcation of the Ridge area in South District and New Delhi, Vasant Vihar, Sub-Division. On 16.08.2016, the Tribunal directed the SDM Saket, SDM Mehrauli, SDM Vasant Vihar and SDM Kalkaji Sub-Division to carry out demarcation accordingly. On 09.02.2018, the Tribunal directed completion of demarcation within one month. On 11.03.2019, the Tribunal dealt with the matter in the presence

of the Principal Secretary, Department of Revenue. The Tribunal directed the Principal Secretary, Revenue to give complete details of the forest area and the encroachments.

9. On 03.04.2019, the Divisional Commissioner-cum-Principal Secretary, Revenue Department filed affidavit giving status of demarcation of 19 villages based on TSM survey in compliance with the order of the Tribunal dated 11.03.2019 as follows:

11. Learned Amicus points out that in respect of areas, which are un-encroached and have already been demarcated and handed over to Forest Department as per stand of the Revenue Secretary as above, final Notification under Section 20 of the Forest Act should be issued forthwith. Such area should be covered by boundary wall/fencing in accordance with Section 6 to 8 of the Forest Act. The Forest Department should prepare Management Plan and the statutory authorities must regularly inspect the area and ensure that it is kept encroachment free. With regard to the remaining, the identified encroached areas should be retrieved in second phase by time bound action plan to be executed and monitored by the authorities for which there should also be high powered oversight Committee. We find merit in the suggestion and we propose to issue directions in these terms.

12. Under the scheme of the Forest Act, once Notification under Section 4 has been issued in respect of decision to constitute Reserved Forest by the State, no right can be acquired therein except by a decision of the State in terms of the said Act. There are provisions to deal with any claims in such area, including the remedy for appeal to the State.

13. Learned Counsel for the Forest Department is unable to point out any meaningful objection to the suggestions of learned Amicus except to submit that there are difficulties in removing encroachments.

14. We may note that the Ridge in Delhi has historical and environmental significance. It is made of quartzite rocks. It has special and distinct features and uses. It is part of Aravali hills. Reference may be made to discussion in Supreme Court judgement in *DDA v. Kenneth Builders & Developers (P) Ltd.*, (2016) 13 SCC 561, at page 576, para 22 as follows :

**“.....non-forestry use of land falling in the Ridge was permitted only after a development project was cleared or recommended by the Ridge Management Board and permitted by this Court.** However, a decision was rendered by the Delhi High Court in a case filed by Ashok Kumar Tanwar [WP (C) No. 3339 of 2011 decided on 30-11-2011 to the effect that a development project on land outside the notified Ridge area but having morphological features conforming to the Ridge would also require clearance from the Ridge Management Board and this Court. **Therefore, as far as the present case is concerned though the project land falls outside the Ridge but has morphological features conforming to the Ridge bringing it within the extended Ridge, the project of DDA involving non-forestry use of the land could be permitted only after obtaining clearance from the Ridge Management Board and after obtaining the permission of this Court.”**

15. We are thus of the view that there is urgent need to take necessary steps to protect the Ridge by taking necessary steps to finalise the notification under section 20 of the Forest Act for reserved forest and protection by appropriate measures. The land about which there is clarity can be included in such notification and the remaining process can be undergone separately but expeditiously. No non-forest activity is permissible in Ridge area.

16. In view of above, we direct that the Delhi Government through the Chief Secretary, Delhi to ensure that requisite Notification under Section 20 of the Indian Forest Act, 1927 is issued within three months in respect of the area about which there is no controversy. Further actions to be taken by the Delhi Government may include suitable protection by fencing/wall and vigilance. Identification of the remaining area and action

plan for removing the encroachments be ensured within next three months. Execution of the action plan will be primarily under the Chief Secretary Delhi, who is also the Chairman of the Ridge Management Board.

17. We direct constitution of an Oversight Committee (OC) to be headed by DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun as members. Main function of the OC will be to oversee progress with regard to the removal of encroachments from the Ridge, its protection by way of fencing/boundary wall and preparation of management plan for its restitution. The Committee will be free to co-opt any other authorities/Experts. The Nodal agency will be the PCCF, Delhi for coordination and compliance. First meeting of the Committee may be held within one month and thereafter review may be undertaken periodically preferably at least once in a month till the action plan is executed.

In view of the above, O.A. No. 58/2013 stands disposed of.

O.A. No. 144/2015 seeks removal of encroachment in South Ridge Forest for which no separate order is necessary. The same will stand disposed of. O.A. No. 116/2015 also seeks removal of encroachments from Rangpuri area in South Delhi which will also stand disposed of. O.A. No. 10/2014 which also involves similar issue has already been disposed of by an earlier order of this Tribunal dated 11.11.2014, wherein M.A. No. 258/2015 has been filed for enforcement of earlier order will also stand disposed of.

We place on record our appreciation for the valuable assistance rendered by learned Amicus.

All pending M.A.s/I.A. will also stand disposed of in view of the order passed in main matter.

A copy of this order be forwarded to DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi (through PCCF Delhi) and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun by mail for compliance.
