... Respondents

**AFFIDAVIT IN REPLY ON BEHALF OF**  
**RESPONDENT NO.2 ON TO THE**  
**APPLICATION FOR CONDONATION OF**  
**DELAY FILED BY THE APPLICANT.**

MAY IT PLEASE YOUR LORDSHIP:

I, Mr. Thomas Mathew, son of K V Thomas, aged 59 years, Indian National, residing at H. No.17, St. Anthony Road, Anagalpura, Doddagubbi, Bengaluru, Karnataka, 560077, the constituted Attorney of the Respondent no.2, received a copy of application for Condonation of delay

filed by the Applicant and having perused the same by way of reply most respectfully submits as under:

1. I am the constituted attorney of the Respondent no.2, and I am conversant with the facts and circumstances of the present case and I am competent to file the present affidavit on behalf of Respondent no.2.
2. I am filing the present Affidavit for the purpose of objecting to the Application for Condonation of Delay filed by the Applicant. I reserve the right to file a detailed reply on the merits of the matter if this Hon'ble Tribunal condone the delay and order registration of appeal.
3. I specifically deny each and every inconsistent averments and pleadings made in the application for condonation of delay and every such denial deemed to have been incorporated in this reply and nothing deemed to have been admitted unless admitted specifically in writing by me.

A handwritten signature in black ink, appearing to be 'Shashikumar B. Patil', located at the bottom center of the page.

4. The application under reply is liable to be rejected as the Applicant has come before this Hon'ble Tribunal with most unclean hands and suppressing material facts from this Hon'ble Tribunal. The application is liable to be rejected as Applicant failed to substantiate the reasons for filing the appeal belatedly.
  
5. The Applicant has filed a false affidavit before this Hon'ble Tribunal stating that the Applicant was never served the order dated 01.10.2018, passed by the Respondent no.1 ordering demolition of illegal construction carried out by the Applicant in their property bearing survey no.136/13 and 136/14 of village Candolim which is a complete lie and false. Against the order dated 01.10.2018 the Applicant has filed a review application before the Respondent no.1. This fact of filing review application has been stated on affidavit by the Applicant in writ Petition No.520/2019 filed before the Hon'ble High Court of Bombay at Goa.

A handwritten signature in blue ink is located at the bottom right of the page. The signature is stylized and appears to be the name of the official who signed the document.

6. I say that the above said pleadings of the Applicant in writ petition no.522/2019 is totally contrary to what has been stated in the application under reply. The Respondent no. 2 shall rely upon the writ petition annexed to the appeal of the Applicant at the time of hearing of the application to demonstrate that the Applicant has filed false affidavit before this Hon'ble Tribunal. The Applicant is liable to be prosecuted for perjury and this Respondent reserves his right to file appropriate application in that behalf.

7. The Applicant with impunity made another false statement in his application that the impugned order dated 05.10.2018 is passed or issued against a dead person i.e. Applicant's father. The impugned order dated 01.10.2018 is not made or issued against Applicant's father Ramesh Kandolkar on the contrary the impugned order is issued to Mr. Hanumant G. Kandolkar. Therefore the Applicant conveniently and

with dishonest intention made false averments in order to gain undue advantage from this Hon'ble Tribunal. The action of consistently making false statements on oath and based on such false statements obtaining reliefs from the Court of Law amounts to fraud on the Court. A person who plays fraud on court not only entitled for any relief but also liable for prosecution. Therefore the Respondent urge this Hon'ble Tribunal to initiate appropriate proceedings against the Applicant.

- 8. I say that the statement made in the paragraph no.3 of the application is also total lie which is completely contrary to or different from the pleadings set out before the Hon'ble High Court in Writ Petition no.520/2019. In Writ Petition no.520/2019, the Applicant has claimed and affirmed that the Applicant visited office of the Respondent no.1 on 08.05.2019, where the applicant was informed that the office of the respondent no.1 has already issued order for undertaking demolition of Applicant's

house structure on 13.05.2019. The Applicant being completely aware of the consequences of making false statement, made such statement, repeatedly in order to gain undue advantage.

9. I specifically deny the contents of para 4 of the application as the contents thereof are fraught with malafides and falsity. The Applicant is making inconsistent and concocted statements before different judicial forums and seeking redressal of his grievances. Therefore the application is liable to be rejected with heavy cost and appropriate proceedings may be initiated against the Applicant including contempt proceedings and he be punished in accordance with law.
  
10. The Applicant cannot invoke the cause of filing proceedings before wrong forum or proceedings pending before the Hon'ble High Court in order to come out the limitation period as the Applicant inspite of knowing that no review is permissible by

*Pras*

Respondent no.1 preferred to file review application before the Respondent No.1 after the limitation period for filing appeal expired. The NGT Act, 2010 stipulates that within a period of 30 days from the date on which the order or decision or direction or determination is communicated to him, prefer an appeal to the Tribunal. The appeal filed by the applicant is much beyond the limitation period as prescribed. It is settled law that while excluding the period of limitation spent before the improper forum, the court has to see whether the proceedings were filed before a wrong forum within the period of limitation.

11. The Hon'ble High Court while disposing the Writ Petition also observed that the appropriate remedy for the Applicant to challenge the order passed by the GCZMA to file appropriate proceedings before this Hon'ble Tribunal. The Hon'ble High Court of Bombay at Goa was pleased to dispose off the writ petition no.293/2019 on 16.02.2024. The applicant

A handwritten signature in blue ink, appearing to be 'Anca' or similar, located at the bottom center of the page.

inspite of being party to the said writ petition preferred not to challenge the impugned order dated 01.10.2018 before this Hon'ble Tribunal and filed MCA No. 2215/2024 (F) in writ petition no.520/2019 before the Hon'ble High Court of Bombay at Goa on 21.09.2024. **Annexed hereto is the copy of the relevant filing details of MCA no. 2215/2024(F) as Annexure A .**

12.I say that during the period of disposal of writ Petition no. 293/2019 and the date of filing of MCA NO.2215/2024(f) i.e. from 16.02.2024 till 21.09.2024 (filing date of MCA NO.2215/2024(f)) there was no proceedings pending before any Court or authority concerning the subject matter. Therefore, the delay in filing the present appeal for a period of almost more than 7 months cannot be condoned.

13.The order dated 24.09.2024 and order dated 08.10.2024 are obtained from the Hon'ble High Court by the Applicant by playing fraud on the

Hon'ble High Court by supressing the material facts that the appeals are already time barred. The Applicants have conveniently not produced the application before this Hon'ble Tribunal in order to prevent this Hon'ble Tribunal from knowing the truth. This Respondent was not served with the copy of Misc. Civil Application No.2380/2024 or any Application filed by the Applicant before the Hon'ble High Court seeking protection.

- 14. I say that based on the Complaint filed by the Respondent No.2 along with the Impugned Order the Respondent No.1 has passed three other Orders based on the same material and evidence on record. One of the Order was made against one Shri. Nitin S. Kandolkar, directing him to demolish a compound wall and staircase raised by him in survey No.136/16 of Village Candolim identified by the DSLR Report identified as Structure 'D' in terms of the directions issued by this Hon'ble Tribunal in Application No.88/2016( WZ) dated 06/07/2018. **Annexed**

*[Handwritten signature]*

hereto is the Copy of Order dated 06/07/2018  
as Annexure B.

15. Aggrieved by the said Order dated 05/10/2018 passed by Respondent No.1, the said Nitin S. Kandolkar filed appeal No.77/2018(WZ) before this Hon'ble Tribunal and this Hon'ble Tribunal vide Order dated 29/01/2020 dismissed the Appeal by a reasoned Order which has attained finality for want of challenge. **Annexed hereto is the Copy of Order dated 05/10/2018 passed by the Respondent No.1 and the Order dated 29/01/2020 passed by this Hon'ble Tribunal as Annexure C Colly.**

16. I say that in view of Order dated 29/01/2020 the issues raised in the Appeal filed by the Applicant no more survives and cannot be re agitated before this Hon'ble Tribunal.

17. It is therefore prayed that Application filed by the Applicant be dismissed and consequently the Appeal also be dismissed.

I say that whatever has been stated herein above are true to my knowledge based on the records maintained and the legal submission are based on legal advice received which I believe the same to be true.

the work. The letter be taken on record.

Upon perusal of the record we find that the respondent Nos.2 to 5 have not been appearing for several dates commencing from August, 2017 and prior to that, they had been doing so intermittently through different counsel. They are absent even today.

We find substance in the submissions of the learned Counsel and the prayers made on behalf of the applicant and the respondent No.1 quite justified. We, accordingly, direct the District Magistrate and the Superintendent of Police, North Goa to ensure that the surveyors are provided with sufficient police protection at the time when they are undertaking the works.

As suggested on behalf of the respondent No.1, let the survey and mapping work be taken up on 18<sup>th</sup> -19<sup>th</sup> July, 2018. The respondent No.1 shall ensure that Notices are issued to all the parties which include the applicant and the respondent Nos.2 to 5 of the date and time of the survey work. They shall also inform of this to the District Magistrate and the Superintendent of Police, North Goa to facilitate action on their part as directed by us.

GCZMA shall file report of the survey and mapping work on the next date. They are also at liberty to take appropriate action for removal of the encroachments in accordance with law.

The proceedings in the matter in 183<sup>rd</sup> GCZMA meeting held on 31/08/2018 can be seen as follows:- "The Complainant alongwith his advocate Wilson Braganza was present to defend his matter. Advocate Pankaj Verenkar appeared on behalf of respondents Hanumant Kandolkar, Deepak Kandolkar and Ramesh Kandolkar. Advocate Nitin Sawant appeared on behalf of respondent Nitin Kandolkar.

The complainant pointed out the plans depicting that the structures (A, B, C and D) as per DSLR plan dated 02/08/2018 are new and encroaching into property of the complainant. He further produced the photographs showing ongoing construction at site during mapping and site inspection. The complainant referred to letter dated 27/12/2016 and photographs annexed therein. The complainant referred to the photographs that 1<sup>st</sup> floor is completed by the respondent and 2<sup>nd</sup> floor construction is in progress. With respect to structure D the said structure is covered with Zinc sheet. The said structure is G+1 and used for commercial activity. The compound wall is encroaching property of the complainant and public road.

215

The advocate on behalf of respondent *inter alia* submitted with respect to structures (A, B and C) structure C belongs to Hanumant Kandolkar and the said structure is pre-1991. The advocate referred to House tax certificate and village Panchayat letter. He further stated that no reconstruction has been carried out and admittedly repair of roof has been carried out without GCZMA permission. With respect to structure A and B belongs to Deepak Kandolkar and Ramesh Kandolkar referred to judgement passed by Hon'ble high Court of Bombay at Goa in favour of the respondent. The respondents placed reliance upon house tax receipts.

The authority noted that the existing structures in the Survey no.136/13 and 136/16 of village Candolim are in variance with structures shown in of DSLR plan. The respondents were asked to explain this variance by way of approved plan or permission which the respondents could't explain."

AND WHEREAS, in the 183<sup>rd</sup> GCZMA meeting held on 31/08/2018 the authority meeting after discussion and deliberation decided as follows:- "The authority noted that pursuant to order dated 06/07/2018 a detailed mapping of structures is carried out by DSLR. The structures belonging to respondents are clearly identified with letters A, B, C, D respectively in the survey plan prepared by DSLR. The authority heard all the parties and perused all the documents on record filed by the complainant and individual respondent. The authority noted that the house tax receipts produced by the respondents cannot be construed as justification for extension, re-construction and construction of new floor on the existing structures without necessary permission. The Authority resolved the following with regard to individual structures belonging to the respondents:

D) With regard to structure D belonging to Mr. Nitin Kandolkar in 136/16 of village Candolim, the authority observed that there exists at site a structure with Compound wall, stair case and temporary structures extending in Syno.136/14 of village Candolim belonging to complainant. Even considering the case that the structure may have been altered to its present state prior to 1991, it is beyond doubt that Compound wall, stair case, two temporary structures in Syn.136/16 and temporary structures extending from Syno.136/16 to Syno.136/14 has been constructed by respondent without any permission. The authority decided to issue order to demolish the Compound wall, stair case and temporary structures in Sy Nos 136/14 and 136/16 of village Candolim belonging to the respondent."

A copy of the 183<sup>rd</sup> GCZMA meeting held on 31/08/2018 is annexed hereto and marked as Annexure "A".

**ORDER**

1. This Appeal is directed against order dated 05.10.2018 passed by the Goa Coastal Zone Management Authority (GCZMA) directing demolition of a compound wall and stair case raised by the Appellant on Survey no. 136/16 at Wadi, Candolim, Bardez-Goa.
2. The primary contention of the learned counsel for the Appellant is that although the compound wall did encroach upon the prohibited

219

area, the stair-case did not as it was a pre-existing structure having been constructed prior to the year 1991, i.e., before the CRZ notification, 2011 was notified.

3. The relevant portion of the impugned order relied upon by the Appellant reads as follows;

"D) with regard to structure D belonging to Mr. Nitin Kandolkar in 136/16 of village Candolim, the authority observed that there exists at site a structure with compound wall, stair case and temporary structures extending in Syno. 136/14 of village Candolim belonging to complainant. Even considering the case that the structure may have been altered to its present state prior to 1991, it is beyond doubt that compound wall, stair case, two temporary structures in Syn. 136/16 and temporary structures extending from Syno. 136/16 to Syno. 136/14 has been constructed by respondent without any permission. The authority decided to issue order to demolish the compound wall, stair case and temporary structures in Syn Nos 136/14 and 136/15 of village Candolim belonging to the respondent."

4. We have gone through the pleadings and have heard the learned counsel for the Appellant. The portion of the order extracted above, in our considered opinion, does not in any manner indicate that the stair case was constructed prior to the year 1991 but rather reflects to the contrary as would be evident from the words appearing in the order.

5. A perusal of the impugned order reveals that the GCZMA had undertaken various exercises before arriving at the impugned decision. DSLR had been directed to carryout survey of the entire

property in question in order to verify the encroachments, if any, and to submit a super-imposed plan to the authority. The report filed by the DSLR as a consequence was objected to by the complainant on the ground that the survey was carried out in his absence. Thus, a second survey was conducted in the presence of the parties. When this was also objected to, this time by the Respondents, i.e., the present Appellant, a third survey was undertaken by the DSLR, the report in respect of which was finally considered in the 183<sup>rd</sup> meeting of the GCZMA held on 31.8.2018. It may also be relevant to note that the GCZMA had held several proceedings during the intervening period when both the parties had been heard before the final hearing that was held on 31.8.2018.

6. During the course of the hearing, the Appellant had urged before the Authority that three structures referred to as A, B and C were pre 1991 structures. Re-constructions had been carried out to those and house taxes paid. We need not deal with each of the structures but suffice it to note that it was the case of the Appellant before the Authority that all the four structures, the fourth of which was identified as 'D' which included a compound wall, stair case and temporary structures in Survey no. 136/14 of village Candolim, were legitimate. However, the Authority had held that even if the structures had been altered to its present state prior to the year 1991, there was no doubt that the compound wall, stair case, two temporary structures in survey no. 136/16 and temporary structures extending from Survey no. 136/16 to Survey no. 136/14 had been constructed by the appellant without any permission.

7. Thus, it was only after undertaking an elaborate exercise and detailed finding that the order impugned in the present Appeal was passed by the Authority by which the Appellant had been directed to demolish the compound wall, stair case and temporary structures as identified in the DSLR plan in Survey no. 136/14, 136/16 of Wadi, Candolim, Bardez-Goa, taluka depicted in the DSLR plan. The very order impugned in the Appeal makes it evident that all relevant factors had been taken into consideration by the GCZMA, before passing the order.

8. We, therefore, do not find any reason as to why we should interfere with the order.

9. In the result, the Appeal stands dismissed along with the connected M.A., I.A. and other Applications.

10. The order, however, shall not be executed for a period of 15 days from hence.

11. No order as to cost.
