It has four zones- Northern Ridge in Delhi University, Central Ridge from Sadar Bazar to Dhaula Kuan, South West Central Ridge near JNU and Southern Ridge upto Asola and Bhatti Wildlife Sanctuary. It is further stated that the ecology of the Ridge is being destroyed, though it has been declared Reserved Forest vide Notification dated 22.05.1994 under Section 4 of the Indian Forest Act, 1927 (Forest Act) which is as follows:-

"No. F.10(42)-1/PA/DCF/93/2012-17(1) – In pursuance of the provisions of Section -4 of the Indian Forest Act, 1927 (Act No. 16 of 1927) the Lt. Governor, of National Capital Territory of Delhi hereby declares the lands mentioned in Schedule 'A' below as reserved forest.

No. F.10(42)-I/PA/DCF/93/2018-23(ii). – In Pursuance of the provision of clause (c) of sub-section (1) of section 4 of the Indian Forest Act, 1927 (Act No. 16 of 1927, the Lt. Governor of National Capital Territory of Delhi is pleased to appoint A.D.M. 3. As per the news item dated 28.02.2013, road cutting across Rajokri Forest in Southern Ridge area was illegally built resulting in unauthorized construction inside the forest and degradation of the forest. There are encroachments by private entities as well as religious institutions, as per preliminary report on the status of Sanjay van from November 2010 to May 2011 published by *Srishti*, an Environmental Group.

4. The Hon’ble Supreme Court issued directions for protection of the Ridge vide order dated 25.01.1996 and 13.03.1996 in *W.P.(C) No. 4677/85, M.C. Mehta v. U.O.I.* It was directed that the uncultivated surplus land of the Gaon Sabha falling in the Ridge area will not vest in the Gaon Sabha under Section 154 of the Delhi Land Reforms Act, 1954. It will be made available for ‘Reserved Forest’ of 50,480 Bighas and 16 Biswas (10,517-10 Acres) in 14 villages. The Notification dated 02.04.1996 issued in pursuance of the order of the Hon’ble Supreme Court is as follows:-

“Delhi, the 2nd April, 1996

No.F.1(29)/PA/DC/95.- Whereas the Supreme Court of India in I.A. No. 18 and 22 in Writ Petition (Civil) No. 4677/85 *M.C. Delhi Land Reforms Act, 1954 and made available for the purpose of creation of Reserved Forest.

Now, therefore, in exercise of powers conferred u/s 154 of the Delhi Land Reforms Act, 1954 (8 of 1954), the Lt. Governor of National Capital Territory of Delhi, hereby declares the uncultivated land of Gaon Sabha specified in Column 'III' and Annexure 'A' to 'N', situated in Southern Ridge in respect of Villages mentioned in Column 'II' of table given below as surplus land and lands at the disposal of Forest Department of Government of National Capital Territory of Delhi.

5. In the Application, reference has also been made to a complaint dated 28.03.2012 addressed to the Chief Conservator of Forest by one Pradip Krishen mentioning dumping of the waste on the Ridge and encroachments.

6. The matter was first taken up on 06.03.2013. Notice was issued to the Delhi Government, the Vice-Chairman, DDA, the Chairman of the Ridge Management Board (Chief Secretary, Delhi) and to the

Commissioner of Police, Delhi. Later, the MoEF&CC was also added as a party and Notice was issued to it.

7. Counter affidavit has been filed on 22.04.2013 by the Department of Forest and Wildlife, Delhi to the effect that Notification dated 04.04.1996 was issued by the Revenue Department that uncultivable surplus Gaon Sabha land will be given to the Forest Department. However, some part of the land was converted to Pedestrian path on which illegal road has been constructed in Rajokri Forest area. The Chief Conservator of Forest visited the site on 15.03.2013 and noticed the illegality. Meeting was held on 22.03.2013 to address the issue with the DDA and the Police officials. Work of dismantling the road started. A wall will be constructed to rule out rebuilding of the road. Reply by the DDA was filed on 22.04.2013 with regard to the protection of Sanjay van, which is part of the reserved forest. It was stated that the DDA has erected wall around Sanjay van and employed guards to stop vehicles therein. It has also sent complaints to the PWD and the Police against non-forestry activities. A copy of the minutes of meeting of the Ridge Management Board held on 10.07.2007, under the Chairman of the Chief Secretary who is the Chairman of the Ridge Management Board has also been annexed.

8. The matter has been dealt with on several hearings in the last almost eight years. Reference may only be made to some significant orders by which the issue was dealt with. On 21.07.2016, the Tribunal required filing of a time schedule for demarcation of the Ridge area in South District and New Delhi, Vasant Vihar, Sub-Division. On 16.08.2016, the Tribunal directed the SDM Saket, SDM Mehrauli, SDM Vasant Vihar and SDM Kalkaji Sub-Division to carry out demarcation accordingly. On 09.02.2018, the Tribunal directed completion of demarcation within one month. On 11.03.2019, the Tribunal dealt with the matter in the presence

of the Principal Secretary, Department of Revenue. The Tribunal directed the Principal Secretary, Revenue to give complete details of the forest area and the encroachments.

9. On 03.04.2019, the Divisional Commissioner-cum-Principal Secretary, Revenue Department filed affidavit giving status of demarcation of 19 villages based on TSM survey in compliance with the order of the Tribunal dated 11.03.2019 as follows:

- Total Ridge Area = 71,310-18 Bighas/Biswas

11. Learned Amicus points out that in respect of areas, which are un-encroached and have already been demarcated and handed over to Forest Department as per stand of the Revenue Secretary as above, final Notification under Section 20 of the Forest Act should be issued forthwith. Such area should be covered by boundary wall/fencing in accordance with Section 6 to 8 of the Forest Act. The Forest Department should prepare Management Plan and the statutory authorities must regularly inspect the area and ensure that it is kept encroachment free. With regard to the remaining, the identified encroached areas should be retrieved in second phase by time bound action plan to be executed and monitored by the authorities for which there should also be high powered oversight Committee. We find merit in the suggestion and we propose to issue directions in these terms.

12. Under the scheme of the Forest Act, once Notification under Section 4 has been issued in respect of decision to constitute Reserved Forest by the State, no right can be acquired therein except by a decision of the State in terms of the said Act. There are provisions to deal with any claims in such area, including the remedy for appeal to the State.

13. Learned Counsel for the Forest Department is unable to point out any meaningful objection to the suggestions of learned Amicus except to submit that there are difficulties in removing encroachments.

14. We may note that the Ridge in Delhi has historical and environmental significance. It is made of quartzite rocks. It has special and distinct features and uses. It is part of Aravali hills. Reference may be made to discussion in Supreme Court judgement in *DDA v. Kenneth Builders & Developers (P) Ltd.*, (2016) 13 SCC 561, at page 576, para 22 as follows :

“.....non-forestry use of land falling in the Ridge was permitted only after a development project was cleared or recommended by the Ridge Management Board and permitted by this Court. However, a decision was rendered by the Delhi High Court in a case filed by Ashok Kumar Tanwar [WP (C) No. 3339 of 2011 decided on 30-11-2011 to the effect that a development project on land outside the notified Ridge area but having morphological features conforming to the Ridge would also require clearance from the Ridge Management Board and this Court. **Therefore, as far as the present case is concerned though the project land falls outside the Ridge but has morphological features conforming to the Ridge bringing it within the extended Ridge, the project of DDA involving non-forestry use of the land could be permitted only after obtaining clearance from the Ridge Management Board and after obtaining the permission of this Court.”**

15. We are thus of the view that there is urgent need to take necessary steps to protect the Ridge by taking necessary steps to finalise the notification under section 20 of the Forest Act for reserved forest and protection by appropriate measures. The land about which there is clarity can be included in such notification and the remaining process can be undergone separately but expeditiously. No non-forest activity is permissible in Ridge area.

16. In view of above, we direct that the Delhi Government through the Chief Secretary, Delhi to ensure that requisite Notification under Section 20 of the Indian Forest Act, 1927 is issued within three months in respect of the area about which there is no controversy. Further actions to be taken by the Delhi Government may include suitable protection by fencing/wall and vigilance. Identification of the remaining area and action

plan for removing the encroachments be ensured within next three months. Execution of the action plan will be primarily under the Chief Secretary Delhi, who is also the Chairman of the Ridge Management Board.

17. We direct constitution of an Oversight Committee (OC) to be headed by DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun as members. Main function of the OC will be to oversee progress with regard to the removal of encroachments from the Ridge, its protection by way of fencing/boundary wall and preparation of management plan for its restitution. The Committee will be free to co-opt any other authorities/Experts. The Nodal agency will be the PCCF, Delhi for coordination and compliance. First meeting of the Committee may be held within one month and thereafter review may be undertaken periodically preferably at least once in a month till the action plan is executed.

In view of the above, O.A. No. 58/2013 stands disposed of.

O.A. No. 144/2015 seeks removal of encroachment in South Ridge Forest for which no separate order is necessary. The same will stand disposed of. O.A. No. 116/2015 also seeks removal of encroachments from Rangpuri area in South Delhi which will also stand disposed of. O.A. No. 10/2014 which also involves similar issue has already been disposed of by an earlier order of this Tribunal dated 11.11.2014, wherein M.A. No. 258/2015 has been filed for enforcement of earlier order will also stand disposed of.

We place on record our appreciation for the valuable assistance rendered by learned Amicus.

All pending M.A.s/I.A. will also stand disposed of in view of the order passed in main matter.

A copy of this order be forwarded to DG Forest, MoEF&CC, Government of India with the Secretaries Revenue and Forest, Delhi Govt., the PCCF, Delhi, the concerned Deputy Commissioners, Delhi (through PCCF Delhi) and the nominees of Police Commissioner, Delhi and the Forest Survey of India, Dehradun by mail for compliance.

Sub: Applicability of the provisions of Forest Conservation Act(FCA), 1980-reg.

Sir/Madam

Your kind attention is invited towards the Section 2 of Forest (Conservation) Act, 1980 which restricts non-forestry use of forest land. The relevant portion of the FCA, 1980 is reproduced below:

*"2. Restriction on the dereservation of forests or use of forest land for non-forest purpose.—Notwithstanding anything contained in any other law for the time being in force in a State, no State Government or other authority shall make, **except with the prior approval of the Central Government**, any order directing,—*

(i) that any reserved forest (within the meaning of the expression "reserved forest" in any law for the time being in force in that State) or any portion thereof, shall cease to be reserved;

*(ii) that **any forest land or any portion thereof may be used for any non-forest purpose;** 1/(iii) that any forest land or any portion thereof may be assigned by way of lease or otherwise to any private person or to any authority, corporation, agency or any other organisation not owned, managed or controlled by Government;*

*(iv) that **any forest land or any portion thereof may be cleared of trees which have grown naturally in that land or portion, for the purpose of using it for reforestation.**"*

Further, may kindly peruse judgment dated 21.07.2022 of Hon'ble Supreme Court of India in C.A.NO. 10294 OF 2013 which provides clarity over the concept of "forest land" or "forest" mentioned in above section. The relevant part of the judgment is reproduced below:

"38. Now, coming to the meaning of "forest" or "any forest land" covered by Section 2, this Court in 1997 Godavaraman's case¹ has explained the legal position. Paragraphs 3 and 4 of the said decision read thus:-

".....The term "forest land", occurring in Section 2, **will not only include "forest" as understood in the dictionary sense, but also any area recorded as forest in the Government record irrespective of the ownership.** This is how it has to be understood for the purpose of Section 2 of the Act. The provisions enacted in the Forest Conservation Act, 1980 for the conservation of forests and the matters connected therewith must apply clearly to all forests so understood irrespective of the ownership or classification thereof...."

Thus, according to the aforesaid decision, Section 2 applies to three categories of forests:

i. Statutorily recognized forests such as reserved or protected forests to which clause (i) of Section 2 is applicable;

ii. The forests as understood in accordance with dictionary sense and

iii. Any area recorded as a forest in Government records. So far as the first category of forests is concerned, it poses no difficulty as the forests under the said category covered by Clause (i) of Section 2 are statutorily recognized forests.

39. It is the second category which poses some difficulty. As the object of Section 2 of the 1980 Forest Act is to ensure that only sustainable growth/development takes place on forest lands. The need for giving a wider meaning to "forest" or "forest land" contemplated by the 1980 Forest Act can be well understood and justified. Moreover, the object of the 1980 Forest Act is to prevent ecological imbalance resulting from deforestation. The provision is aimed at protecting inter-dependence between the right to development of an individual and the right to the natural environment of the public at large. The Legislature has used the words "any forest" in Clauses (ii) to (iv) of Section 2 after referring to the reserved forests in Clause (i) of Section 2. The intention is to bring all the forests, whether covered by the 1927 Forest Act or not, within the sweep of the 1980 Forest Act. A dictionary always contains the meaning of the words as they are understood by people for generations. It contains the meaning of a word which is already legitimized. Lexicographers include a word in the dictionary when it is used by many in the same way. Therefore, forest as understood by its dictionary meaning is covered by Section 2."

In continuation of above, your kind attention is drawn towards the affidavit dated 15.09.1997 of the then Conservator of Forests, GNCTD filed before Hon'ble Supreme Court of India in WPC No. 202/ 1997 enlisted forest areas across NCT of Delhi, which includes details of reserve forest, protected forest and deemed forest. The areas considered as deemed forest have already been communicated to your office by Department of Forest and Wildlife, GNCTD through letter dated 11.09.2023 **(copy enclosed)**.

The preliminary notification of Ridge Reserve Forest of Delhi under Section-4, Indian Forest Act (IFA) 1927 was done vide notification no. F.10(12)/1/PA/DCF/93/2012-17(1) dated 24.05.1994, F11(40)/PA/DCF/96(1) dated 19.03.1996 & F1(29)/PA/DC/95 dated 02.04.1996 and your kind attention is drawn to the fact that provisions of FCA, 1980 are applicable on the land notified under Section 4 of Indian Forest Act, 1927 which has been emphasized by the Hon'ble Supreme Court of India vide its order dated 07.05.2010 in WPC 202/1995. The relevant extract of the order is reproduced below:

*"We are of the view, that the aforesaid order was with reference to the **transitory period**, namely, from the date of the issuance of the notification under Section 4 of the Forest Act, till the culmination of the process of declaration under Section 20 of the Forest Act. We are of the view, that the afore-stated direction was inevitable, in view of the fact, that **in case an individual was desirous of using forest land for non-forest purposes, permission under Section 2 of the Forest (Conservation) Act, 1980 was imperative, and it is therefore, that even during the transitory period, it would be open to the Ministry of Environment and Forests, to approve a request for use of forest area for non-forest purposes, under Section 2 afore-mentioned.**"*

The protection of Ridge & forest, as per the provisions of Forest (Conservation) Act, 1980 and the relevant orders of the Hon'ble Supreme Court of India, is the responsibility of respective ridge managing agency.

In view of the above, if any non-forestry work is proposed in ridge/ reserve forest, it is mandatory for forest & ridge managing agency to obtain following permissions/approvals as per status of land mentioned below:

Category 1: Part of ridge notified as Forest	
Step 1:	Recommendation of Ridge Management Board
Step 2:	Recommendation of Central Empowered Committee
Step 3:	Approval of Hon'ble Supreme Court
Step 4:	Permission under Forest (Conservation) Act, 1980.
Category 2: Part of ridge outside notified Forest	
Step 1:	Recommendation of Ridge Management Board
Step 2:	Recommendation of Central Empowered Committee
Step 3:	Approval of Hon'ble Supreme Court
Step 4:	Permission under Forest (Conservation) Act, 1980/Delhi Tree Preservation Act, 1994 (as the case may be)
Category 3: Other forest areas attracting provisions of FCA, 1980.	
Step 1:	Permission under Forest (Conservation) Act, 1980.

In case of forest & ridge, the proposals must be submitted to Department of Forest & Wildlife, GNCTD through concerned Dy. Conservator of Forests.

In case any violation, under FCA, 1980 i.e., use of forest land for non-forestry purpose, is done by the ridge & reserve forest managing agency, action may be initiated as per the following provisions of FCA, 1980:

“Section 3A. Penalty for contravention of the provisions of the Act
— *Whoever contravenes or abets the contravention or any of the provisions of section 2, shall be punishable with simple imprisonment for a period which may extend to fifteen days.*

Section 3B. Offences by authorities and Government departments.—

(1) *Where any offence under this Act has been committed—*

(a) *by any department of Government, the head of the department; or*

(b) *by any authority, every person who, at the time the offence was committed, was directly in charge of, and was responsible to, the authority for the conduct of the business of the authority as well as the authority, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly:*

Provided that nothing contained in this sub-section shall render the head of the department or any person referred to in clause (b), liable to any punishment if he proves that the offence was committed without his knowledge or that he exercised all due diligence to prevent the commission of such offence.

(2) *Notwithstanding anything contained in sub-section (1), where an offence punishable under the Act has been committed by a department of government or any authority referred to in clause (b) of sub-section (1) and*

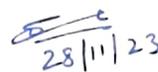

it is proved that the offence has been committed with the consent or connivance of, or is attributable to any neglect on the part, of, any officer, other than the head of the department, or in the case of an authority, any person other than the persons referred to in clause (b) of sub-section (1), such officer or persons shall also be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.]”

This issue was also emphasized in the last meeting of Oversight Committee, constituted by the Hon'ble National Green Tribunal through its judgment dated 15.01.2021 in OA No. 58/2013 “Sonya Ghosh Vs. GNCTS & Ors.” under chairmanship of Director General of Forests & SS, Government of India, held on 14.11.2023. The Minutes of 7th Oversight Committee was shared via email dated 21.11.2023. (copy of email is enclosed)

In view of this, you are requested to sensitize all the concerned officers/officials of your department/ organization with regard to the contents of this letter.

This issues with the approval of competent authority.

Yours faithfully

3. It is the contention of the learned senior counsel for the petitioners that the Forest (Conservation) Amendment Act, 2023 has an effect of diluting the definition of forest as defined by this Court in the judgment of this Court passed on 12.12.1996 in T.N. Godavarman v. Union of India in W.P. (C) No.202/1995.

4. It is submitted that as per T.N. Godavarman judgment (supra) the forest as understood in accordance with the dictionary sense are also included in the definition of forest.

5. It is further submitted that Section 1A is likely to restrict the definition of forest and exclude the aforesaid category of forest, as understood in accordance with the dictionary sense, from the ambit of the Forest Conservation Act.

6. Shri Balbir Singh, learned Additional Solicitor General of India, on instructions, makes a statement that there is no intention to dilute the scope of forest as defined in the judgment of this Court in T.N. Godavarman (supra). He submits that the exemptions which will be granted under sub-section (2) of Section 1A would be in accordance with the guidelines that the Central Government would be notifying in accordance with sub-section (3) thereof. He submits that the guidelines are being finalized and would be notified in a short period. However, in order to address the concern of the petitioners, he makes a statement that no perceptative actions will be taken by the Union of India until further orders in respect of the forest, as understood in accordance with the dictionary sense.

GOVERNMENT OF NCT OF DELHI

I.P.ESTATE, NEW DELHI-110002**

Dated the 28rd August, 2024

Minutes of the XII Meeting of the Oversight Committee constituted in compliance with the order of Hon'ble NGT (Principal Bench), New Delhi held on 29.07.2024 at 10:00 hrs in the Indira Paryavaran Bhavan, Jorbagh, New Delhi.

The XII meeting of the Oversight Committee constituted by the Hon'ble NGT, New Delhi in the matter O.A. No. 58/2013 titled (*Sonya Ghosh Vs. Govt. of NCT of Delhi*) was convened on 29.07.2024 at 10:00 hrs under the Chairmanship of the Director General of Forests & Special Secretary, MoEF&CC, Govt. of India. The list of participants is attached as Annexure- A.

At the outset, the DGF&SS, MoEFCC welcomed all the participants in the meeting. Thereafter, a brief presentation on the present status of various agenda items was given by the Department of Forests and Wildlife (DFWL), Government of NCT of Delhi (GNCTD). After detailed deliberations, the following decisions/recommendations were arrived at by the committee:

Agenda 1: Status of encroachment removal from the forest land in the NCT of Delhi.

- a. The details of ridge forest land made free from encroachments as provided in Annexure-B were placed before the Committee. **The committee noted that there was no significant progress in the eviction of encroachments since the last report submitted by the GNCTD before the Oversight Committee on 13.03.2024.**
- b. The Committee recommended that the District Task Force (DTF) of the concerned District should hold fortnightly meetings to review and execute encroachment removal plans in respect of the Ridge

- Reserve Forests immediately.
- c. The Committee was informed as per Annexure-C about the current status of notification of forest land under Section 20 of the Indian Forest Act, 1927. The Committee was also appraised by the DM (South) that the villages falling in the final Notification of the Southern Ridge Forests were urbanized, and the urbanized villages transferred to the purview of the DDA for further necessary action.
 - d. However, it was emphasized that the responsibility for protecting the ridge lies with the respective land-owning agencies under whose jurisdiction the ridge falls. The Delhi Forest Department should ensure that no violation of any provision under the Indian Forest Act (IFA) 1927 or the Van (Sanrakshan Evam Samvardhan) Adhinyam 1980 takes place in the forests irrespective of ownership.
 - e. It was recommended that a high-level meeting as decided earlier be convened with the VC, DDA along with officials of Land Management, DG, CPWD regarding formulation and implementation of suitable strategies to avoid violation of the Indian Forest Act, 1927 and the Van (Sanrakshan Evam Samvardhan) Adhinyam, 1980 in the forest areas.

**[Action: DFWL/ Revenue Department, GNCTD/
All landowning agencies]**

Agenda 2: Status of construction of boundary wall to protect the ridge forests in Delhi.

The Committee was apprised of the budgetary constraints/ limitations faced by DoFW, GNCTD in gaining progress with the construction of a boundary wall to protect the ridge forests.

Accordingly, the Committee recommended that the Department of Forests & Wildlife (DFWL), GNCTD must take up the matter related to the shortage of funds at the level of the Chief Secretary, GNCTD for necessary financial assistance for the construction of a boundary wall for the protection of the ridge forests in Delhi.

At the outset, the SDM, Vasant Vihar, briefed the Chairman and representatives present from various departments regarding the proposal by the DCF, West Division, for the removal of encroachments from Rajokari, Rangpuri, and Ghitorni Ridge areas under the jurisdiction of New Delhi District, in reference to the 15th Oversight Committee meeting held on 06/11/2024 under the chairmanship of the DGF.

Further, the DCF, West, informed that notices had been issued to the encroachers in respect of forest land in village Rajokari as per the schedule discussed in the earlier DTF meeting held on 01/08/2024. However, the encroachment removal program could not be executed because some affected persons/encroachers had approached the Hon'ble High Court, and the Hon'ble Court issued a direction to maintain the status quo/granted a stay. The same writ is still pending before the Hon'ble High Court.

The DCF, West, also informed that the Forest Department had requested DUSIB to provide the map & KML file and the list of eligible dwellers in Village Rajokari & Rangpuri, in reference to the meeting held on 20/08/2024 under the chairmanship of the Hon'ble Minister (Environment & Forest), GNCTD. However, no response has been received yet. The chairman directed that the required information may be shared with DCF West Forest Division by DUSIB and directed to SDM Vasant Vihar to send a letter to the concerned officer of DUSIB accordingly.

Further, the SDM, Vasant Vihar, intimated the Chairman and representatives from different departments about the issue of Tatima proceedings in respect of forest land, which was discussed during the meeting of the Oversight Committee. The SDM also informed that the villages falling under the jurisdiction of New Delhi District had been declared urbanized in 2019, and consequently, the DLR Act no longer applies in these villages. This matter had already been discussed during the last Oversight Committee meeting.

After detailed deliberations, the Forest Department agreed to take directions through their panel. The Chairman directed the SDM, Vasant Vihar, to request DDA regarding the urbanization of the said villages and to take necessary action in the matter.

Further, the SDM, Vasant Vihar, informed the Chairman and representatives from different departments about various complaints received regarding unauthorized/illegal construction at khasra no 583, 584, 615 & 614 of village Ghitorni. As the village Ghitorni is urbanized and at disposal of DDA for maintenance and development, the DDA may take necessary action. Further informed that at the land bearing Khasra No. 614, Village Ghitorni, which belongs to the Forest Department, the trespassing by encroachers and felling of trees was reported in the complaints. The matter was discussed, and directions were issued to

- a) the Forest Department to take action as per the law and submit an Action Taken Report (ATR) within 7 days.
- b) DDA/MCD to examine the matter and to take appropriate action as per law and to submit an Action Taken Report (ATR) within 7 days.

Further, the SDM, Vasant Vihar, briefed the Chairman about the matter of encroachment on the connecting roads from Palika Bhawan Complex, RK Puram, caused by idly parked vehicles obstructing repair work, painting, denting, maintenance, etc. He informed that this is an important public grievance, as various Union Government offices, the Sub-Registrar's Office, SDM office, and banks are located in the Palika Bhawan Complex. Due to this type of encroachment, the general public is suffering. After detailed deliberations, the Chairman directed the following actions:

- a) ACP Traffic to remove all such nuisances and make the road free for traffic. An ATR should be submitted.
 - b) The SDM, Vasant Vihar, to conduct a joint drive with NDMC, local Police, and Traffic Police to resolve this issue.
- The meeting ended with a vote of thanks.

Vide the present petition, the petitioners are seeking quashing of the impugned notification dated 02.04.1996 issued by the Revenue Department of the Govt. of NCT of Delhi, to the extent of reserving Khasra no.435, Village Neb Sarai, Tehsil Mehrauli, Delhi as Forest Land, which land was allotted to the petitioners/their predecessors by the Government itself in 1981.

Learned counsel for the petitioners submits that the petitioners have been in possession of the land on the aforesaid Khasra for the last 35 years after being allotted the same under the 20 Point

1566

1102

Programme in 1980-83 as a part of the Indira Avas Yojana.

He further submits that, after the land was allotted to them, the petitioners were provided electricity and water connections, and were also issued Election Identity Cards, Aadhaar Cards and other documents by the concerned Government departments. He submits that the respondents initiated steps to demolish the properties of the petitioners on the said land in gross violation of the principles of natural justice, and by ignoring the admitted position that the aforesaid land was allotted to them only as a part of the Indira Avas Yojana.

Learned counsel for the petitioners submits that the petitioners were never informed of the impugned notification dated 02.04.1996 or of any order passed by the National Green Tribunal against the land lawfully owned by the petitioners, and submits that he learned about the Impugned Notification during the hearing of W.P.(C) No. 3704/2018 on 16.04.2018, which petition was then withdrawn with liberty to challenge the notification. He further submits that a copy of the said order passed in W.P.(C) No. 3704/2018 has not been made available to him till date. He places reliance on the order dated 08.05.2017 passed by the Division Bench in LPA No.345/2017. In that case, while considering an Appeal against order dated 09.03.2017 passed by the Single Judge in W.P.(C) No. 2146/2017 rejecting a challenge to the same notification dated 02.04.1996, the Division Bench has directed the parties to maintain status quo regarding the title, possession and construction of the properties.

Despite service, none appears for the respondents.

1567

1408

Having heard learned counsel for the petitioners, I am of the view that the petitioners have been able to make out a prima facie case and grave prejudice would be caused to them if the respondents are not restrained from undertaking any further demolition in respect of the land in question.

Till the next date of hearing, the respondents are restrained from taking any further demolition action on the land in question. The parties shall maintain status quo with respect to the title, possession and construction of the property.

Upon the petitioner filing process fee, issue notice to the respondents through ordinary process, registered A.D. and speed post returnable on 24.07.2018.
