GUIDELINES
FOR PRUNING OF TREES
UNDER DELHI PRESERVATION OF TREES ACT, 1994

1. The Delhi Preservation of Trees Act, 1994 was enacted to safeguard the forest area in and around NCT of Delhi and to provide for preservation of trees. The Department of Forests & Wildlife, GNCTD has regulatory control for implementation of DPTA 1994 which prohibits felling or pruning/ head backing of trees.
2. The Sec.2 (h) of DPTA, 1994 states that "to fell a tree" with its cognate expression, means severing the trunk from the roots, uprooting the tree and includes bulldozing, cutting, girdling, lopping, pollarding, applying arboricides, burning or damaging a tree in any other manner as factors causing the death of a tree. Thus it would be apparent that its implied meaning does not appear to carry any implicit connotation that pruning of trees which do not cause damage or death of a tree could be termed as a Tree Offence.
3. In the light of above, general guidelines for pruning of trees are prescribed for adherence by all concerned, so that the trees grown with great care and precision over a period of several years are not pruned recklessly leading to their untimely death (which is an offence under Section 8 of DPTA, 1994) or result in reduction of green cover of Delhi which is an essential strategy to combat pollution.
4. Pruning means cutting off or removing dead or living parts or branches of a tree to improve shape or growth. It is a horticultural and silvicultural practice involving selective removal of parts of a plant, such as branches, buds, or roots. Reasons to prune plants include deadwood removal, shaping by controlling or directing growth, improving or maintaining health, reducing risk from falling branches, preparing nursery specimens for transplanting, etc. However, the pruning cut should not be too large so as to damage the tree.

5. For the purpose of clarity and transparency to the meaning of light and heavy pruning, following would constitute as above:

Term	Branches of girth size	Permission required or not	Remarks
Regular Pruning/ General Tending	Upto 15.7 cm.	No	May be got done by Civic Agencies at regular intervals
Light Pruning	Greater than 15.7 cm but less than and equal to 40 cm.	Required	From concerned Tree Officer on submission of prescribed Form B and other documents as prescribed in DPTA, 1994.
Heavy Pruning	Greater than 40 cm	Required	

6. The forest department does not get the trees felled or pruned/ head backed directly but only accords permission for the same to the owner of land on which the concerned tree is standing after due inspection/ investigation.

7. The actual pruning of the concerned tree/ trees is got done by Deputy Director (Hort.) of the MCDs/ NDMC/DDA/ PWD/CPWD (whoever is the land owning agency) of the concerned area or by the property owner himself/ herself.

8. For obtaining permission for felling or pruning/ head backing of trees, guidelines are in place for information to all and ease of Public/ Govt. agencies towards achieving their desired objective which are available on the department website "www.forest.delhigovt.nic.in".

9. If **Individuals/ General Public/ Society /RWAs** is desirous that any tree inside his house/premises is posing problems to him or the public and needs to be felled or pruned/ head backed, then he may apply for the same in 'Form B' along with photographs and number of tree/ trees in question to the DCF/ Tree Officer of his area for the permission. After inspection, the permission or otherwise is communicated to him/ her within 60 days as per merit of the case.

10. If the tree/trees for which felling or pruning/ head backing is required is standing on **Govt. land/ roads/ Parks/ govt. property in front of the house/ shop/ private property of an individual** and is posing problem to him, he has to apply for felling or pruning/ head backing of such tree on a simple piece of paper to the Deputy Director (Horti.) of the MCD/ NDMC/ DDA/ PWD/ CPWD (whoever is the land owning agency) with photographs of such tree/ trees.

11. It should neither be applied directly to concerned DCF nor Form B submitted directly which has to be filled and signed by the concerned Dy. Director (Horti) of the land owning agency. After inspection, the permission or otherwise is communicated within 60 days of receipt of such completed application/ Form B to the concerned Dy. Director (Horti), as per merit of the case.

12. If a tree is standing on **govt. land but leaning on private land/ building** and is considered dangerous and likely to cause damage to life and property, it should be informed immediately with photograph by the concerned aggrieved person. Permission is granted for its felling or pruning/ head backing within 48 hours of inspection, as per merit of the case. In case permission/ any intimation to the contrary is not received within this time, the person can go ahead and fell or prune/head back the dangerous/ leaning tree and intimate the concerned Tree Officer (DCF) within 24 hours of such felling or pruning/ head backing.

13. There are three (3) Deputy Conservator of Forests (DCFs) who are designated as Tree Officers to look after the cases of tree felling or pruning/ head backing and accord permissions for the same, after inspections, as per merit of the case. Their respective jurisdictions in Delhi are shown in table below.

S.N.	Name of the Division	Name of the Revenue Districts	Name of the Sub-division
1.	North Forest Division	North	Model Town, Narela & Alipur
		North West	Rohini, Kanjhawala & Sarawasti Vihar.

		North East	Seelampur, Yamuna Vihar & Karawal Nagar.

3.	South Forest Division	South	Saket, Hauz Khas, Mehrauli
		South East	Defence Colony, Kalkaji & Sarita Vihar

14 Pruning/ pollarding/ burning/ lopping/ applying arboricides or damaging a tree in any other manner would be considered as tree offence when, as per ocular estimation of such damage, the Tree Officer, in all his wisdom, holds that such act is likely to lead to the death of the tree, in near future.

15 If a tree standing on any govt. land/ road side/ private land/ building is considered dangerous and likely to cause damage to life or property, or hindrance to traffic signals, it should be pruned immediately by the concerned Civic Agency and informed to concerned Tree Officer within 24 hours and for which no permission is required from Tree Officer.
