Response of the NMCG in compliance of the order dated 02.05.2024, passed by the Hon'ble NGT in the matter of O. A. No. 200 of 2014 – M.C. Mehta Vs. Union of India & Ors.

1. The Hon'ble NGT while considering the report of NMCG dated 01.05.2024 filed in aforesaid matter related to prevention, control and abatement of pollution in River Ganga and its tributaries in the State of West Bengal passed a direction in order dated 02.05.2024, inter-alia, directing NMCG to disclose the steps taken for monitoring the utilization of fund allocated for projects sanctioned in respect of the State of West Bengal; details about number, operational status of existing STPs and their performance; number of drains carrying sewage/sullage into River Ganga and its tributaries and their interception status.
2. That a Central Monitoring Committee (CMC) under the Chairmanship of Secretary, DoWR, RD & GR, MoJS was constituted by Hon'ble NGT in the matter O. A. No. 673 of 2018 for monitoring the progress made by the 31 States/ UTs across India in implementation of the Action Plan for restoration of polluted river stretches. The Chief Secretaries of the 31 States/ UTs are members of the Committee. The Committee held regular meetings since January 2020 and the 18th meeting of the Committee was held in January 2024. NMCG is the nodal agency for providing

secretarial assistance to the Committee. Next meeting of the CMC is proposed shortly.

3. That as per the direction of Hon'ble NGT, 31 States/ UTs submits Monthly Progress Reports (MPR) to NMCG. The MPRs indicates the progress made by the State/ UT against the actionable points as identified by the NGT in its orders, which are critically reviewed by the CMC and necessary directions are issued for implementation by the States.
4. That the latest Monthly Progress Report of West Bengal (uploaded on NMCG website <https://nmcg.nic.in/ngtprogressreport.aspx> submitted for the month of May, 2024 contains primarily of the State-wise details, and not district-wise.
5. As reported by the Government of WB in its Monthly Progress Report for the month of May, 2024, the total estimated sewage generation in Urban areas in the State is 2,758 MLD. Against this, treatment capacity of 1,875.69 MLD has been created through 49 no. of operational STPs. Further, 18 STPs are under progress which will add additional treatment capacity of 367.80 MLD. This apart, 25 STPs are under proposal/tender stage for creation of 611.64 MLD. Combined together, treatment capacity stands at 2,855.13 MLD. Details of existing STPs are placed at *Annexure-1*;

Total sewage generation in Rural areas is estimated to be in the order of 1,400 MLD. To address this, State Government has taken up separate programme for setting up of Faecal Sludge Treatment Plants (FSTPs).

6. As per the information provided by the State, 40 MLD CETP (8 modules of 5 MLD each) is existing in the State. Moreover, there are 456 Water polluting industries in the state whose effluent discharge of 1,360.87 MLD are being treated through 456 ETPs of same capacity.
7. As per West Bengal SPMG, Status of drains DCG wise for a total of 105 Major Drains, discharging in river Ganga, is enclosed as *Annexure - 2*.
 - For identification of Additional Drains (Over and above 105 drains) for 9 DGCs & Kolkata in West Bengal discharging in river Ganga - a joint monitoring team has been formed by the Regional Director, CPCB, Kolkata involving WBPCB, KMDA, ULBs & WBSPMG.
 - Joint monitoring of additional drains for Hooghly district has been completed, a list of 122 drains identified during joint monitoring is attached in *Annexure - 3*.
 - Joint monitoring of additional drains for North 24 Parganas district has been completed, list is yet to be finalized by the office of the Regional Director, CPCB, Kolkata. The rest drains in other Ganga District will be taken up in phases under the leadership of Regional Director, CPCB, Kolkata.

8. Initiatives undertaken by NMCG in West Bengal (WB) –

The Status of aforementioned projects related to setting up of STPs/
sewerage infrastructure sanctioned under the *Namami Gange Program*

in West Bengal are being regularly monitored by the CMC as well as NMCG to ensure their completion within the timelines and shortfalls, if any, are duly reported.

Further, in response to the para 5 of Hon'ble NGT order dated 02.05.2024, following is submitted: -

- i. The project mentioned at sr no. 7 was for construction of I&D structures for diverting the flow to the existing STP at Barrackpore, and had no component of sewer network. Hence, it was reported as 'Zero' under sewer network column;
- ii. Similarly, the projects mentioned at sr. no. 10 & 11 were for upgradation of the existing STPs, and had no works towards sewerage network. Hence, 'Zero' entries were reported in sewer network column.

(B) Monitoring of STPs, etc.

That in order to ensure that the STPs/CETPs/Industries remain compliant to the stipulated standards, the CPCB/West Bengal PCBs are continuously carry out inspections of the STPs/CETPs, and issue necessary instructions from time to time.

(C) Preparation of Plans for pollution abatement

That as per Para 57 of the River Ganga (Rejuvenation, Preservation and Management) Authorities Order, 2016, every District Ganga Committee

shall prepare its plan for protection of River Ganga and its tributaries and their River bed abutting the specified District and submit the same to the National Mission for Clean Ganga for its approval.

NMCG is supporting the State of West Bengal through various measures including capacity building of stakeholders and support in development of plans as under: -

i. Development of District Ganga Plan:

A handbook on District Ganga Planning has been developed as a guidance document for development of DGPs by other District Ganga Committees (DGCs) (this may be visited at https://nmcg.nic.in/download_forms.aspx). NMCG in coordination with GIZ will be handholding two districts of West Bengal in preparation of their District Ganga Plan;

ii. Development of Urban River Management Plans and capacity building of multi-stakeholders:

(a) Urban River Management Plans (URMPs): URMP is a cutting edge tool to promote river-centric development of cities through planning and identifying interventions. NMCG is supporting the State of West Bengal in development of URMPs for 5 Urban Local Bodies

of West Bengal namely; **Asansol, Durgapur, Howrah, Nabadwip** and **Siliguri**;

(b) Training programs & Workshops: NMCG has conducted 3 workshops in West Bengal beginning May 2022 till June 2024 aimed at sensitizing stakeholders and professionals on river conservation and decentralized wastewater management. These activities engaged participants, including government agencies, academic institutions, non-governmental organizations, urban local bodies, town planners, and professionals from diverse sectors.

(D) Ghat and Crematoria Projects: -

Under the *Namami Gange Programme* in West Bengal, 9 projects for the construction/renovation of 14 Ghats and 6 crematoria have been sanctioned at the estimated cost of Rs. **46.78 Cr.** Out of these, 5 projects with construction of 13 Ghats and 3 crematoria have been completed; 4 projects for 1 Ghat and 3 crematoria construction are in progress.

(E) Strengthening of laboratories of West Bengal Pollution Control

Board: -

NMCG has also sanctioned the project “Strengthening of laboratories of West Bengal Pollution Control Board (WBPCB) on 06.06.2018 for establishment of State PCB laboratory infrastructure in terms of

instruments, staff, laboratory development, chemical & glassware and laboratory operation at Kolkata, Barrackpore and Hooghly with the financial assistance of Rs. 12.93 crores with 100% Central funding.

(F) Afforestation projects:

Under the *Namami Gange Program*, NMCG through the State Forest Departments has been implementing a Forestry Intervention Project in the Ganga river basin as per the DPR prepared by the Forest Research Institute (FRI), Dehradun. The DPR proposed site-specific afforestation models along the banks of the river Ganga in five states Uttarakhand, Uttar Pradesh, Bihar, Jharkhand, and West Bengal.

In West Bengal, a total of 2115 ha. plantation has been carried out since the year 2016-17 for which an expenditure of Rs. **29.8 Cr.** has been incurred by State Forest Departments West Bengal.

State	Area in ha.	No. of Plants	Expenditure (Rs. In Cr.)
