.....Applicants

Versus

State of Punjab

.....Respondents

Action Taken / Status report on behalf of Punjab Pollution Control Board in compliance to order dated 01.09.2023.

1. That Mr. Rajesh Kumar resident of H.No. M3/538, S.D School street, Guru Ram Dass Nagar, Tehsil and District Amritsar has filed O.A. no. 186 of 2022 before the Hon'ble National Green Tribunal complaining that hospitals situated in Pathankot, particulars of which were mentioned in Annexure 'A' to the application are illegally and unscientifically disposing of bio-medical waste into the streets, roads and vacant land in violation of the Bio-medical Waste Management Rules 2016 thereby causing grave risks to human health and environmental degradation.
2. That in view of the grievances made in the application, the Hon'ble National Green Tribunal was pleased to constitute a Joint Committee comprising of Central Pollution Control Board, State Pollution Control Board, Municipal Corporation and District Magistrate, Pathankot vide order dated 20.04.2022

with a direction to file factual and action taken report particularly with regard to status of granting of authorizations under the Bio Medical Waste Management Rules, 2016. Consequent upon filing of report by the Joint Committee vide email dated 18.8.2022, the Hon'ble National Green Tribunal was pleased to disposed of the application vide order dated 30.8.2022, thereby directing the Punjab Pollution Control Board to dispose of all applications for renewal pending before it and also take appropriate remedial action for closure and imposition of environmental compensation against non-compliant operators/defaulters within two months from the date of receipt of a copy of the order and send report by email at judicial-ngt@gov.in.

3. That in compliance to the order dated 30.8.2022, the Punjab Pollution Control Board has filed report before the Hon'ble Tribunal. However, the report of Punjab Pollution Control Board was not accepted being materially deficient and vide order dated 1.9.2023 notice was issued to the Punjab Pollution Control Board by the Hon'ble Tribunal with direction to file action taken / status report with regard to compliance with the Bio Medical Waste Management Rules, 2016 in Pathankot by the Bio Medical Waste Treatment Facility Operator and all the health care facilities operation in Pathankot within two months. at judicial-ngt@gov.in preferably in the form of searchable PDF / OCR supported PDF and not in the form of image PDF.
4. That in compliance to the orders dated 01.09.2023, it is respectfully submitted that there are about 214 number of Health Care Facilities (HCFs) in Pathankot, the status of which according to bed capacity is given below in tabular form:

Status of Health Care Facilities (HCFs) with bedded and non-bedded capacity including laboratories

A list containing the name, address, category of HCFs (Hospital/Nursing Home/Clinics/Dispensaries/Veterinary/Laboratories/Ayush/Forensic lab or Research lab) with bed capacity is enclosed herewith as **Annexure-A** for kind perusal.

5. That there is one Common Bio Medical Waste Treatment Facility namely Bio Medical Waste Treatment Plant Pvt. Ltd. in Pathankot.
6. That the Health Care Facilities of Pathankot were visited and inspected by the officers of the Punjab Pollution Control Board, Regional Office, Batala from 31.10.2023 to 7.11.2023 to verify the status of Segregation at the point of generation of waste in colour coded containers, In-house transportation of BMW, Temporary storage of BMW within HCFs, Records of waste generation and housekeeping in reference to the Bio Medical Waste Management Rules, 2016. The observations of the visiting officer are recorded herein below:
 - a) The bio-medical waste is being collected on daily basis from all the wards of the Hospital at a fixed interval of time. Dedicated staff along with supervisor for in-house collection and management of the same has been engaged by the bedded hospital. Remaining HCFs have also made proper arrangement for the same.
 - b) At the time of inspection each bag of biomedical waste at the temporary storage area of health care facilities was provided with bar code label for tracking of the same according to the CPCB guidelines.
 - c) The perusal of records provided by HCF operators and bar code generated receipts indicate collection time along with quantity of

different category of wastes with colour coding. The bio-medical waste generated from all the HCFs is lifted daily by the CBWTF for final disposal.

- d) During visit, officers checked the general waste containers of the hospitals to verify if there was any disposal of bio medical waste mixed with general waste. No bio medical waste was found mixed with general waste. The representatives informed that general waste is lifted by Municipal Corporation, Pathankot or is disposed of as per the Solid Waste Management Rules, 2016.
- 7) That the visiting officer has further verified the compliance status of the Health Care Facilities with regard to the execution of agreements with Common Bio-Medical Waste Treatment Facility (CBWTF) and the provisions of the Bio Medical Waste Management Rules, 2016. The findings and observations of the visiting officer are recorded herein below:
- a) As per record of the Board, there are 214 HCFs in District Pathankot and all the Health Care Facilities have made valid agreement for the lifting of Bio Medical Waste with the Common Bio-Medical Waste Treatment Facility (CBWTF).
- b) Out of the said 214 number of HCFs, 191 HCFs have obtained the valid authorization under the Bio Medical Waste Management Rules, 2016.
- c) 23 number of HCFs were found to be operating without the authorization of the Board under the Bio Medical Waste Management Rules, 2016, but the HCFs were having valid agreement with the Common Bio-Medical Waste Treatment Facility. A list of 23 number of HCFs is enclosed herewith as **Annexure-B**.
- d) 08 number of HCFs were found to be indulged in improper segregation of Bio Medical Waste and its storage and hence were not complying with provisions of the Bio Medical Waste

-5-

Management Rules, 2016. A list of 08 number of HCFs is enclosed herewith as **Annexure-C**.

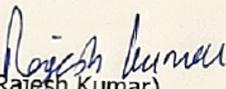

- 8) That keeping in view the violation of the Bio Medical Waste Management Rules, 2016 by the Health Care Facilities as explained in para no. 7(c) and 7 (d) above, the Board has issued notice of violation of the provisions of Bio Medical Waste Management Rules, 2016 to the Health Care Facilities with proposal to impose Environmental Compensation. It is pertinent to mention here that otherwise the Health Care Facilities were having valid agreement and were disposing of their Bio Medical Waste to the Common Bio-Medical Waste Treatment Facility (CBWTF).
- 9) That apart from the above the Common Bio-Medical Waste Treatment Facility (CBWTF) namely Bio Medical Waste Treatment Plant Pvt. Ltd. Pathankot was also visited and inspected by the officer of the Board on 6.11.2023 and the observations of the visiting officer are mentioned herein below:
 - a) The CBWTF operator is having valid authorization under the Bio-medical Waste Management Rules, 2016, which is valid upto 30/06/2027.
 - b) The operator of the facility informed that all the member HCFs have been allotted bar code system for tracking of biomedical waste from source of generation to final disposal with CBWTF.
 - c) The CBWTF operator has 14 no. dedicated transportation vehicles fitted with GPS for collection and transportation of the bio-medical waste from member HCFs.
 - d) As per data provided by the CBWTF operator, on an average about 3174 kg/day of bio- medical Waste is collected from member HCFs, out of which yellow category waste is 882 Kg/day, red category waste is 1628 kg/day, blue category waste is 627.95 Kg/day and White category waste is 36.11 kg/day.
 - e) The CBWTF operator has installed one incinerator of capacity 150kg/hr for incineration, 02 Autoclaves of total capacity 4850

Lit/batch (2850 Lit/batch & 2000 Lit/batch) for autoclaving and 02 shredders of total capacity 550 Kg/hr (250 kg/hr & 300 kg/hr) for shredding of Bio Medical Waste.

- f) The CBWTF operator has installed Online Continuous Emission Monitoring System (OCEMS) for monitoring of CO, CO₂, PM, NOX in flue gases along with temperature in primary and secondary chamber of incinerator. The OCEMS is connected with Central Pollution Control Board and Punjab Pollution Control Board server.
 - g) As per records provided by CBWTF operator, the facility has made requisite arrangements for lifting and treatment of the biomedical waste generated from the area of operation of the CBWTF.
 - h) The CBWTF has suitable arrangements for treatment of the biomedical waste generated in the area covered by it.
- 10) That the Punjab Pollution Control Board has initiated and is taking appropriate action against the Health Care Facilities in accordance with the provisions of Law which are found violating the provisions of the Bio Medical Waste Management Rules, 2016.
- 11) That the Action Taken / Status Report in respect of Health Care Facilities and Common Bio-Medical Waste Treatment Facility (CBWTF) at Pathankot is hereby submitted in compliance to order dated 01.09.2023 for kind perusal and consideration of this Hon'ble Tribunal.
