Appeal No. 12/2025

IN THE MATTER OF:

M/s. Hotel Akansha Anand Plaza

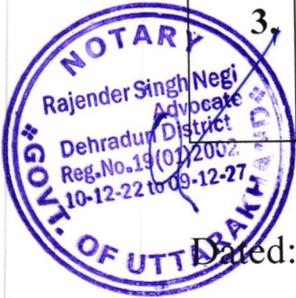

Applicant

Versus

Uttarakhand Pollution Control Board

Respondent

Response Affidavit of Dr. Parag Madhukar Dhakate, aged about 47 years
S/o Shr. M.B Dhakate presently posted as Member Secretary, Uttarakhand
Pollution Control Board, Uttarakhand.

Deponent

I, the above-named deponent does hereby solemnly affirm and state on oath as under: -

- A. That the deponent is presently posted as the Member Secretary, Uttarakhand Pollution Control Borad and is competent to sign and file the instant affidavit on behalf of respondent and as such he is well acquainted with the facts and circumstances of the case.
- B. That the deponent has gone through the contents of the above-noted Appeal (hereinafter referred to as 'the said appeal') along with the annexures and affidavit filed by the appellant and has

[Handwritten signature]

fully understood the contents thereof and is in a position to reply to the same.

- C. That before giving para-wise reply it is necessary to bring certain facts before this Hon'ble Tribunal.

BRIEF FACTS

- D. That this Hon'ble Tribunal vide order dated 26.07.2023 passed in in Original Application No. 353/2022, Kartik Sharma vs. State of Uttarakhand was pleased to direct the respondent as under: -

“

3. *The State PCB has not taken action against units/hotels which are in operation without any consent and further State PCB has not taken any steps against the past violation.*

4. *Accordingly, we direct the State PCB to take necessary action against the units/hotels which have no valid consent and further to take action against the past violation.....”*

- E. In this connection, it is pertinent to clarify that Show Cause Notice dated 09.05.2023 was already issued to 106 hotels and thereafter the environmental compensation was also imposed. Copy of Show Cause Directions dated 9.5.2023 being marked and filed as **Annexure No. 1** to this affidavit.

[Handwritten signature]

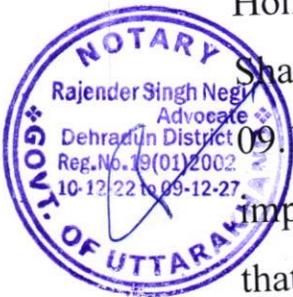

F. That the matter Original Application No. 353/2022, Kartik Sharma vs. State of Uttarakhand was again listed on 29.07.2024 and on the said date, this Hon'ble Tribunal was pleased to direct as under: -

“

4. The Member Secretary, UKPCB present in person has submitted that the hotels which were violating the norms have been imposed the EC from the date of issuance of show cause notice. These violations also cover the non-existing dual piping system and operation without CTO. Hence, action of imposition of EC was required to be taken with effect from the date of violation. Member Secretary, UKPCB has assured that in respect of each violator, now, the date of violation will be ascertained and the action will be taken.

.....”

G. That in compliance with the order dated 29.07.2024, passed by this Hon'ble Tribunal in Original Application No. 353/2022, Kartik Sharma vs. State of Uttarakhand, a meeting was conducted on 09.10.2024 to reassess the environmental compensation previously imposed on hotels in Mussoorie. In the said meeting, it came to light that a decision of imposing environmental compensation w.e.f. 21.12.2019 has already been taken by the Uttarakhand Pollution Control Board, in its 23rd meeting and therefore, it was decided that the first day of violation shall be considered 21.12.2019 for those hotels which were operating without consent as on 21.12.2019. Apart from this, in the said meeting it was also decided that the

[Handwritten signature]

environmental compensation shall be imposed on such hotels from 21.12.2019 or from the date of their operation, whichever is higher. In this connection, copy of minutes of meeting dated 15.10.2024 along with the chart of reassessment of environmental compensation against hotels are collectively being marked and filed as **Annexure No. 2** to this affidavit.

H. Earlier the environmental compensation Rs. 1,84,500/- was imposed from date of show cause direction (i.e. 09.05.2023) to date of compliance (i.e. 30.07.2023) for 82 days which is deposited by proponent. That since the date of start of appellant hotel is 01.11.2022 and date of compliance is 30.07.2023, therefore, environmental compensation has been imposed for 271 days and reassessed as under: -

Total no. of day of violation: 271

EC rate: 2250

Total EC: $271 \times 2250 = 6,09,750/-$

Previously imposed EC = 1,84,500/-

EC after reassessment = 4,25,250/-

PARA WISE REPLY:

1-2. That the contents of Paragraph No. 1 and 2 of the said appeal do not call for any reply.

[Signature]

3. That the contents of Paragraph No. 3 of the said appeal are admitted only in so far as they are a matter of record. However, it is pertinent to mention that the impugned notice/order dated 08.11.2024 were issued in strict compliance with the directions issued by this Hon'ble Tribunal vide order dated 29.07.2024 passed in OA No. 353/2022, Kartik Sharma vs. State of Uttarakhand. As per the order of this Hon'ble Tribunal, the UKPCB reassessed and imposed environmental compensation from the date of actual violation rather than from the date of show cause notice. Furthermore, earlier Show Cause Notice dated 09.05.2023 was issued to the Appellant under Section 33A of the Water (Prevention & Control of Pollution) Act and Section 31A of the Air (Prevention & Control of Pollution) Act which covered the underlying violations - operation without valid consent and non-compliance with the environmental norm. The reassessment merely involves recalculating the quantum of compensation for the same violations based on revised parameters as directed by this Hon'ble Tribunal. The essential nature of violations remained unchanged. Section 33A of the Water Act empowers the Board to issue directions in exercising its powers and performing its functions. This provision requires that reasonable opportunity be given before issuing directions, which was fulfilled through the original show cause notice.

REPLY OF FACTS

1. That the contents of Paragraph No. 1 of the said appeal are admitted only in so far as they are a matter of record. However, it is pertinent to mention that the impugned notices/orders dated 08.11.2024 is just and fair and in accordance with the directions issued by this Hon'ble Tribunal vide order dated 29.07.2024 passed in OA No. 353/2022, therefore deserves to be upheld.
2. That the contents of Paragraph No. 2 of the said appeal are admitted only in so far as they are a matter of record.
3. That the contents of Paragraph No. 3 of the said appeal are wrong and hence denied. It is pertinent to mention that initial Show Cause Notice dated 09.05.2023 provided the Appellant an opportunity to present its case. The subsequent reassessment of environmental compensation was done pursuant to the specific directions of this Hon'ble Tribunal, which had been deliberating this matter with the full participation of all stakeholders since May 2022. The requirements of natural justice are contextual and flexible. When a violation is persistent and clearly established, and when a statutory authority reassesses, compensation based on the tribunal's directions, the rigors of natural justice stand satisfied with the initial notice and opportunity to respond.
4. That the contents of Paragraph No. 4 of the said appeal are admitted only in so far as they are a matter of record.

[Handwritten signature]

5. That the contents of Paragraph No. 5 of the said appeal are not admitted as stated. All insinuation directed against the respondent is vehemently denied. It is pertinent to mention that environmental compensation has been imposed against the appellant for violation of environmental norms, therefore, the appellants cannot take plea of being small industries they succumbed to the pressure of the authority.
- 5-7. That the contents of Paragraph No. 6 and 7 of the said appeal are admitted only in so far as they are a matter of record
8. That the contents of Paragraph No. 8 of the said appeal are admitted only in so far as they are a matter of record. However, it is reiterated that environmental compensation has been imposed for past violations on the part of the appellant hotel.
9. That the contents of Paragraph No. 8 and 9 of the said appeal are admitted only in so far as they are a matter of record. Anything contrary thereto is vehemently denied.
10. That the contents of Paragraph No. 10 of the said appeal do not call for any reply.
- That the contents of Paragraph No. 11 of the said appeal are wrong false and are vehemently denied. It is pertinent to mention that impugned order/notice dated 08.11.2024 was issued in strict compliance with the directions issued by this Hon'ble Tribunal vide order dated 29.07.2024 passed in OA No. 353/2022, Kartik Sharma vs. State of Uttarakhand. Further, initial Show Cause Notice dated 09.05.2023 provided the Appellant an opportunity

to present its case. The subsequent reassessment of environmental compensation was done pursuant to the specific directions of this Hon'ble Tribunal, which had been deliberating this matter with the full participation of all stakeholders since May 2022. The requirements of natural justice are contextual and flexible. When a violation is persistent and clearly established, and when a statutory authority reassesses, compensation based on the tribunal's directions, the rigors of natural justice stand satisfied with the initial notice and opportunity to respond.

12. That in reply of the contents of Paragraph No. 12 of the said appeal it is reiterated that impugned order/notice dated 08.11.2024 was issued in strict compliance with the directions issued by this Hon'ble Tribunal vide order dated 29.07.2024 passed in OA No. 353/2022, Kartik Sharma vs. State of Uttarakhand.
13. That the contents of Paragraph No. 13 of the said appeal are admitted only in so far as they are a matter of record. Anything contrary thereto is vehemently denied.

That in reply to the contents of Paragraph No. 14 of the said appeal it is again reiterated that the reassessment and imposition of compensation has been done in strict compliance with the directions issued by this Hon'ble Tribunal vide order dated 29.07.2024 passed in OA No. 353/2022, Kartik Sharma vs. State of Uttarakhand.

REPLY TO GROUNDS:

A. That the grounds taken by the appellant from para no. A to W are not legally tenable. The appellant is not entitled for claiming any relief, therefore, in view of the above facts and circumstances the present appeal is liable to be dismissed. The Respondent herein opposes the Appeal of the Appellant, inter alia, on the following grounds:

- I. The Demand Notice dated 08.11.2024 was issued in strict compliance with the order of the Hon'ble Tribunal dated 29.07.2024, which specifically directed the reassessment of environmental compensation for all hotels from the date of actual violation rather than from the date of show cause notice.
- II. The Appellant's contention that principles of natural justice were violated is baseless. The initial Show Cause Notice dated 09.05.2023 provided the Appellant an opportunity to present its case. The subsequent reassessment of environmental compensation was done pursuant to specific directions of this Hon'ble Tribunal, which had been deliberating this matter with the full participation of all stakeholders since May 2022. The requirements of natural justice are contextual and flexible. When a violation is persistent and clearly established, and when a statutory authority reassesses, compensation based on the tribunal's directions, the rigours of natural justice stand satisfied with the initial notice and opportunity to respond.

[Handwritten signature]

- III. These parameters were applied uniformly to all violating hotels in Mussoorie after considering factors such as the period of violation, severity of the violation, water consumption patterns, and environmental impact. The Appellant's contention that the demand notice does not explain the basis of calculation is not tenable. The calculation methodology was developed in compliance with this Hon'ble Tribunal's orders and was applied uniformly to all violating establishments.
- IV. The original Show Cause Notice dated 09.05.2023 issued to the Appellant under Section 33A of the Water (Prevention & Control of Pollution) Act and Section 31A of the Air (Prevention & Control of Pollution) Act already covered the underlying violations - operation without valid consent and non-compliance with the environmental norm. The reassessment merely involves recalculating the quantum of compensation for the same violations based on revised parameters as directed by this Hon'ble Tribunal. The essential nature of violations remained unchanged. Section 33A of the Water Act empowers the Board to issue directions in exercising its powers and performing its functions. This provision requires that reasonable opportunity be given before issuing directions, which was fulfilled through the original show cause notice.
- V. The Polluter Pays Principle justifies the summary procedure for the assessment of compensation.

- VI. When a subsequent order is passed as a continuation of an earlier order, the earlier order merges with the later order. Applying the doctrine of merger as a continuous process, the reassessment merged with the initial assessment, and no further notice was required. A fresh notice is required only when there is a substantial alteration in the nature of proceedings or charges.
- VII. In the present case, there was no alteration in the nature of violations. The reassessment only recalibrated the compensation amount.
- VIII. The Appellant has acknowledged its liability for the underlying violations by paying the initially assessed environmental compensation. Having accepted liability by paying the initial compensation, the Appellant cannot now challenge the reassessment on procedural grounds. The principle of estoppel prevents the Appellant from denying liability when only the quantum is being reassessed. The Tribunal's order dated 29.07.2024 explicitly directed UKPCB to recalculate EC for past violations. This was not a *new* allegation but a recalibration of penalties for already established violations.
- IX. The Appellant's CCA (23.04.2024) was granted subject to compliance with Tribunal orders, including payment of revised EC. The Appellant cannot claim ignorance of this condition

A handwritten signature in blue ink, appearing to be "Rajender Singh Negi".

- B. Therefore, in light of the above stated facts and circumstances, it is humbly prayed that the appellant is not entitled for claiming any relief, and hence, the present appeal is liable to be dismissed.
- C. That the deponent is a responsible Government servant having the highest regard for the Hon'ble Tribunal and order passed by them. The deponent has always made his sincerest efforts to carry out the orders passed by this Hon'ble Tribunal in its letter and spirit and shall continue to do so in the future.
