Original Application No. 207 of 2026

(I.A. Nos. 255/2026 & 256/2026)

Environment Protection and Welfare Trust

Applicant

Versus

State of Haryana and Others.

Respondents

**Short reply by way of Affidavit of Sunder Lal, IFS, Deputy
Conservator of Forests, Rohtak**

1. That the instant application is pending before this Hon'ble bench and is fixed for 13.05.2026.
2. That this Hon'ble Bench pleased to pass directions in the instant matter vide order dated 01.04.2026, the relevant part is reproduced as under: -

"Considering the issue involved in the O.A., we direct the parties to maintain status quo in respect of the felling of trees till the next date of hearing."

3. That the Forest Department holds the highest regard for the orders and directions passed by the Hon'ble National Green Tribunal and is committed to ensuring strict compliance in letter and spirit. Immediately after receiving the direction Deputy Conservator of Forest, Rohtak wrote a letter No. 02 Dated 01.04.2026 to Estate Officer, HSVP, Rohtak regarding the above stated instructions, the felling/cutting of trees was stopped with immediate effect. The copy of the same is annexed herewith as **Annexure-R1**.

4. That the very contention of the applicant herein is about the inclusion of land which was subject matter of OA No. 124 of 2024 in the definition of "**Forest**", considering this patch of land as per notification dated 18.08.2025 issued by Govt. of Haryana. The matter of definition of "Forest" already heard by Hon'ble NGT in OA No 124 of 2024 by Hon'ble National Green Tribunal in O A number 124/2024 titled Sukhbir Singh v/s Union of India &ors in the judgement dated 09/09/2025 is applicable on the said land. The Hon'ble Tribunal in para number 87 of the judgement has clarified the following: -

"The Applicant has claimed himself to be in possession of the land in question and pleaded in the original application that vide order dated 03.11.2011(copy at page no. 79 of the paper book) passed on CWP No. 20329 filed by him, Hon'ble Punjab and Haryana High Court issued notice to the respondents and stayed dispossession of the petitioner. Vide order dated 12.03.2012 (copy at page no. 80 of the paper book) Hon'ble Punjab and Haryana High Court made interim order dated 03.11.2011 absolute. Respondents No.1 to 5 have claimed that the possession of the acquired land was handed over to Estate Officer, HUDA on 29.12.2004 except in those cases in which stay had been granted by Hon'ble Punjab and Haryana High Court. The applicant has not produced copy of stay order operating in his favour on 29.12.2004 to support his claim that possession of his land was not taken in view of such stay order. The Applicant has claimed himself to be in possession on the basis of interim orders passed by Hon'ble Punjab and Haryana High Court in CWP No. 20329 but the writ petition was filed and interim orders dated 03.11.2021 and 12.03.2012 were passed much later and the same

also stood vacated and protection thereof ceased to operate on dismissal of his writ petition by Hon'ble Punjab and Haryana High Court vide order dated 06.05.2024. Respondent no. 5 has claimed that after dismissal of SLP No. 25243/2023 vide order dated 01.12.2023 encroachment drive was launched and physical possession of the land was taken and possession of the above said land lies with HSVP. In view of section 16 of the Land Acquisition Act, 1894 on passing of the award and payment of compensation to the applicant and dismissal by Hon'ble Punjab & Haryana High Court of the writ petitions filed by the applicant and by Hon'ble Supreme Court of SLP filed by the applicant, land involved in the present original application must be held to have vested in State of Haryana and thereafter in HSVP free from all encumbrances. Respondent No. 5 has submitted that the Applicant trespassed over the land in question and planted trees over the same regarding which FIR No.0243 dated 21.07.2024 was registered.

.....Even if the Applicant be assumed to be in possession of the land involved in the present application, even then due to the status of applicant being that of trespasser, the applicant is liable to be dispossessed from the land in question and is not entitled to protection of his possession over the same. Trees planted by the Applicant over the land in question during pendency of the litigation filed/representation made by him do not confer any right on the applicant to continue in possession thereof as ownership of the trees standing over the land in question will also vest in present owner of the land in question HSVP/allottees as the case may be. **The land involved in the present original application which was agricultural land earlier, was acquired for residential and**

etc

commercial purposes and trees standing over the same will not change nature thereof and transform the land acquired as being a "forest patch" so as to bring the same within definition of "forest" laid down by Hon'ble Supreme Court in *TN Godavarman Thirumulkpad Vs. Union of India and others* : (1997) 2 SCC 267 so as to extend the protection of the Indian Forest Act, 1927 and the Forest Conservation Act, 1980 renamed as Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 to the same.

It may be observed here that there is no absolute bar to cutting of trees and in conformity with the principle of Sustainable Development, the trees can be cut in accordance with permission granted by the Competent Authority for valid reasons on consideration of relevant factors by complying with conditions of compensatory plantation and conservation thereof. Since the land in question was acquired for a public purpose namely for the development and utilisation of land as Residential and Commercial in Sector-6 Rohtak, Respondents No.2 to 5 are entitled and are also legally bound in view of order dated passed by Hon'ble Punjab & Haryana High Court in CWP No. 2835/2024 to develop the same and to hand over the possession thereof to the allottees....."

5. That the Hon'ble Supreme Court in Civil Appeal No. 13873 of 2025 upheld the directions in OA no. 124/2024. (Annexure R- 2)

That the Hon'ble NGT directs HSVP at para 111 of the O.A. 124 as -
"Since the matter of laying down regulatory mechanism governing cutting of trees in urban areas is likely to take some time, interim

Ok

directions given by this Tribunal here-in-above will be applicable to the land involved in the present original application. In view thereof respondent no.5-HSVP is directed to apply to the Divisional Forest Officer, Rohtak for grant of permission for translocation/cutting of trees as may be necessary and take further action regarding translocation/cutting of trees and compensatory plantation in accordance with the orders of the Divisional Forest Officer, Rohtak on the same."

7. That the office of DFO, Rohtak received a letter from HSVP, Rohtak office dated 15.09.2025 requesting to this office seeking permission for felling / translocation of trees standing on HSVP land in Sector-6, Rohtak, Kill no. 33//20/2 (0-13), 21(8-0), 40//1 (7-11), 41//7/2(3-8), 8 (8-0), 9 (8-0), 12 (8-0), 13 (8-0), 18 (8-0) in compliance with the directions of the Hon'ble National Green Tribunal in O.A. No. 124/2024 (Sukhbir Singh vs. Union of India & Others). In response to the said request, this office sought certain essential information, documents and undertakings required as per the *procedure prescribed by the Hon'ble NGT* for permitting tree felling / translocation, vide letters dated 19.09.2025 and 03.10.2025. HSVP, Rohtak submitted the requisite details in compliance with this office communication dated 03.10.2025, on 15.10.2025, including undertaking for compensatory plantation as mandated under the NGT judgment.

8. That as per the inspection findings and the species-wise details submitted by HSVP, it has been ascertained that **924 trees** are proposed for felling and **268 trees** are proposed to be **translocated**. Necessary approval for the same has been obtained

Ch

from the competent authority of the Forest Department. Out of all these tree, 625 trees are fruit trees planted on the said land.

9. That the proposal seeking necessary approval for tree felling/translocation in compliance with the orders of the Hon'ble NGT in O.A. No. 124/2024 was forwarded to the Conservator of Forests, Central Circle, Rohtak, vide DCF office letter No. 1422 dated 06.11.2025. The office of the Conservator of Forests, Rohtak, thereafter forwarded the proposal to the Principal Chief Conservator of Forests (HoFF), Haryana, for consideration and approval, vide letter No. 2615 dated 06.11.2025. Subsequently, the office of the Additional Principal Chief Conservator of Forests (Forestry), Haryana, vide letter No. Forestry/NT/413 dated 12.11.2025, to the Conservator of Forests, Rohtak, issued the direction with the approval of PCCF cum HoFF to take action in accordance with the directions of Hon'ble National Green Tribunal in O A number 124/2024 titled Sukhbir Singh v/s Union of India & Ors. Accordingly, the DCF office is issuing the tree felling/translocation permission in this case. The felling permission issued by the office of Deputy Conservator of Forest, Rohtak as per the directions of Hon'ble National Green Tribunal in OA No 124 of 2024 was strictly in compliance with that judgement (i.e. strictly under judicial compliance), due process and factual ground realities has been followed, as per the orders under OA No 124 of 2024, earlier it was an agriculture land acquired by HSVP, on ground most of it is a fruit orchard. Google imagery confirms no vegetation prior to 2011, establishing it is a plantation, not natural forest.

Q.1

10. That the Govt of Haryana vide identification No. 6723 (CFMS)Ft-1-2025/4185 dated 18.08.2025 has defined the expression "Forest as per Dictionary Meaning" for the State of Haryana as follows: -

"A patch of land shall be deemed to be "Forest as per Dictionary Meaning" if it fulfils the following conditions:

- i) *It has a minimum area of 5 (Five) hectares, if it is in isolation; and minimum area of 2 (Two) hectare, if it is in contiguity with Government notified forest.*
- ii) *It has a Canopy Density of 0.4 or more.*

Provided that, all linear/compact/agro-forestry plantation and orchards situated outside the Government notified forests shall not be treated as forest under the above definition"

11. That in this regard a District Level Committee of Experts have been constituted by Government vide order dated 01.04.2025 to identify the forest like areas in the respective district coming under the definition of 'Forest' by Dictionary Meaning under Chairmanship of Deputy Commissioner of respective District. The other members of the District Development & Panchayat Officer, District Town Planner, Municipal Commissioner of all Local Bodies in the District, District Revenue Officer, Deputy Director Agriculture, General Manager, District Industries Centre and Divisional Forest Officer as Member Secretary. This committee identified the areas as per the Haryana Government Notification dated 18.08.2025, as per the report this area not comes under the definition of 'Forest' as per Dictionary Meaning. As the notification says that ***"Provided that, all linear/compact/agro-forestry plantation and***

Ch

orchards situated outside the Government notified forests shall not be treated as forest under the above definition."

Since most of the trees /pole size plants standing in this area are fruit **plants** and comes under the category of orchards and the area is situated outside the Government notified forests so it does not come under the Dictionary meaning of 'Forest' as per Haryana Government Notification dated 18.08.2025. List of trees showing species mostly fruit trees attached herewith as Annexure- R-3.

12. That as per the directions of Hon'ble National Green Tribunal in OA No 124 of 2024, the felling/transplanting of trees from the area in reference permitted by following the Sustainable Development Principles 3 times of the number of trees felled/transplanted will be done as Compensatory afforestation by HSVP.
13. That in view of the above submissions, it is humbly submitted that the grounds raised in the present OA are irrelevant, misconceived, untenable and thus liable to be rejected.

Prayer

In view of submissions made herein above, it is humbly prayed that present OA may kindly be dismissed.
