Short Reply by way of Affidavit of Navdeep Kaur,
DDPO, Ludhiana Respondent No. 4 in the above
noted matter:-

With respect to the above cited subject, the status report about the condition of ponds in village Alamgir, block Ludhiana-1, district Ludhiana as per report submitted by BDPO Ludhiana-1 is as under:

1. Pond No. 1 - In this pond desilting chamber has been constructed for disposal and proper treatment of sullage water.
2. Pond No. 2 - In this pond desilting chamber has been constructed for disposal and proper treatment of sullage water.
3. Pond No. 3 - In this pond dewatering and desilting was carried out and now the work is under progress under Thapar model project.
4. Pond No. 4 - In this pond dewatering and desilting of pond has been completed.
5. Pond No. 5 - In this pond dewatering of pond was started recently but due to heavy rain work was stopped and the same will be started and completed in few days as per Hon'ble NGT's order.

So it is requested that the administration is earnestly trying to restore and rejuvenate the ponds across the district.
