NEW DELHI

DATED 02/04/2025

**BEFORE THE NATIONAL GREEN TRIBUNAL****PRINCIPAL BENCH, NEW DELHI**

Original Application No. 17/2022

Dr. D. S. Katara &amp; Anr.

.....Applicant

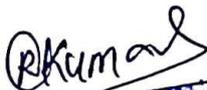

Versus

Govt. of NCT of Delhi &amp; Ors.

.....Respondent

**D.O.H. 03.04.2025****STATUS REPORT ON BEHALF OF THE RESPONDENT MUNICIPAL CORPORATION OF DELHI. WITH PHOTOGRAPHS**

1. That the present compliance/status report is being filed in compliance of direction issued by Hon'ble Tribunal vide its order dated 15.01.2025.
2. The area in question i.e. Sector-E, Pocket 1 & 2, Vasant Kunj, New Delhi-110070, is indeed under the Delhi Development Authority's (DDA) jurisdiction. With over 1,200 flats in Pocket-1 and more than 800 flats in Pocket-2, the area is not yet handed over to MCD for municipal services, such as:-
  - a. Cleaning and sweeping of roads
  - b. Cleaning of drains
  - c. Maintenance and repair of roads
  - d. Maintenance of paths
  - e. Regulation of building activities
3. However, pursuant to the directions of the Hon'ble National Green Tribunal (NGT), the concerned Junior Engineer (EMS) of the ward conducted an inspection of concerned area i.e. Sector-E, Pocket 1 & 2, Vasant Kunj, New Delhi-110070. In compliance with the NGT's directives and Solid Waste Management Rules, 2016, Four Bins (Two for dry waste

  
 Asstt. Commissioner  
 Najafgarh Zone  
 MCD

  
 Ex. Engineer (EMS)  
 Najafgarh Zone

& two for wet waste) have been installed by Municipal Corporation of Delhi (MCD) as discussed with RWA's members of both societies, members have given designated locations to place the bins. These bins are regularly cleaned, and waste is collected by the concessionaire on a daily basis (GPS-tagged photos are attached for reference)

4. MCD has appointed the concessionaire M/s DWMN Pvt. Ltd., which collects garbage from nearby areas (excluding the area Pocket 1 & 2, Vasant Kunj in question) through auto tippers from households and garbage bins. The collected garbage is then transported to the Fixed Compactor Transfer Station (FCTS), which is owned by the Municipal Corporation of Delhi (MCD) and located approximately 100 meters away from the area in question. At the FCTS, approximately 30-35 metric tons (MT) of garbage are collected daily and subsequently transported to the Waste-to-Energy (WtE) plant and the Sanitary Landfill (SLF) facility at Okhla by the concessionaire."

However, it is also pertinent to mention that these two pockets (1 & 2, Vasant Kunj) have not been handed over to MCD by the DDA for the services mentioned above.

Report is submitted before tribunal for further necessary directions.
