In the village of the applicant that is Khampur (photo enclosed from photo 1 to 3), in photo no 1, the Safai Karmchari of North Delhi Municipal Corporation is dumping the NALI silt as well as solid waste collected from the Gali in newly made gali near residential area because the officers of the Safai Karmchari has instructed the Safai Karmchari to dump the garbage in nearby places of village not on the site where drums for solid waste collection has been placed.
5. In photo 2 the on duty Safai Karmchari in village Khampur have dumped the NALI silt and solid waste collected from the Gali adjacent to the link Road from Khampur to Hamidpur.
