To,
Honorable Chairman
National Green Tribunal
Delhi

Subject – Regarding letter dated August 12, 2023. (Original application no. 47/2024 treated Suo-moto, paper petition)

Honorable Sir,

This is in reference to above application mailed on 12.08.2023. The PPCB Punjab has taken notice of our problem of spilling of sewerage effluents and improper working to pump out to main sewerage line.

Sir, show cause notice to municipal council Khanna & PSIEC Chandigarh has been served in this context by PPCB.

Municipal council Khanna has started the cleaning of sewerage lines which were blocked. Municipal council Khanna has also deposited about Rs. 35 Lakhs with Punjab sewerage board and the sewerage board has floated tenders in relation to proper cleaning of blocked sewerage lines, installing vent pipes/air valves at some places for smooth emission of sewerage effluents in main sewerage line.

Hon'ble Sir, we are humbly thankful for your kind action for the solution of our problem.

For Industrial Focal Point Welfare
 Association (Regd.) S.P.V.

Umesh Kumar
 Gen. Sec.

Thanking You
