Noida Authority
Gautambudhnagar- UP 201301

Compliance of directions issued by Honorable National Green Tribunal in OA 859 of 2022 titled Abhisht Kusum Gupta vs State of UP & ors and letter issued by District Magistrate's office Dated 27.01.2023 reference no 3805/29-1

Dear Mam

In continuation with our meeting with Ms Vandana Tripathi, Director, Horticulture, Noida Authority, where we discussed below points for area lying within the jurisdiction of Noida Authority in alignment with the directions issued by Honorable Green Tribunal in OA 859 of 2022 titled Abhisht Kusum Gupta vs State of UP & ors and letter dated 27.01.2023 reference no 3805/29-1 by District Magistrate's office, we request you to extend your support as Noida Authority has the responsibility to ensure adequate greenery in and around Hindon River (refer to letter above)

- At least 500 mts of land starting from banks of river should be covered. This will stop contaminated water runoff into the river in rows

- i. 1st row should have plants which can absorb pollutants like heavy metals, chemicals, etc.
- ii. 2nd row should be fruit trees to provide food for wildlife
- iii. 3rd row should be trees which can provide shade for various purposes

- Request would be made with District Magistrate/District Forest Officer to support this drive by providing designated land area to be developed by **District Forest Officer's office/ district administration**, as district administration is willing to extent support, provided land is granted to them for any such development

- Request you create wetlands and marshes in and around Hindon, which will support river life by slowing pollution and extend river flow during distress seasons as done on **Rhine in Germany & The Netherlands**

- Trees to be planted should be conducive for local environment and should support wildlife fooding along with reducing pollution into he river like on **Siege in Germany**

- Monthly cleaning drive to be undertaken by Team for which place to be identified with support of Noida Authority vis-a-vis Director Horticulture.

Look forward for your support as always.

Regards
Abhisht Kusum Gupta
