----	----------------	-------------------------	--

And also as per inspection notice issued from office of the Range Forest Office Quepem having Reference No. 12/COURT/RFO/QPM/2023-24/348 dated: 04/10/2023, Applicant, along with Respondents in original application No.86/2022 were present as under. Attendance Sheet is annexed as (**Annexure-I**)

1. Pundalik Kushali velip (Applicant)
2. Pratima Pundalik Velip (Applicant)
3. Sir Boitech India LTD (Respondent 04)
4. Mr. Rodney Assumption Conception Salavador Dsilva (Respondent 06)
5. Mr. Mansoor Shaikh (Respondent 07)
6. Mr Suraj Ballikar (Respondent 08)

Upon reaching all the above members at the site Chairman of the joint Committee explained all the members and applicant and respondent that while carrying out this inspection, geo tag photos of road will be clicked and geo location reading will be recorded and same will be super imposed on satellite image wherein Survey boundary of entire **Sy. No. 23 (P)** and boundary of provisionally identified perspective Private Forest will be superimposed and depicted on Satellite image, to verify the location of Road.

Accordingly the applicants Pundalik Kushali Velip and Pratima Pundalik Velip asked to show the Road, about which they have grievance, then said applicants started showing the said Road. Accordingly its geo tag photos were clicked and also recorded the geo location reading of Road as under and same are superimposed and depicted on Satellite image (**Annexure-II**)

Sr. no.	Location no.	Photograph no.	Geo Location Reading	Remark
1	1	1	N15°10'16.03" E74°03'09.71"	Starting point of tar road
2	2	2	N15°10'17.42"	Tar road continuation

			E74'03'06.86''	
3	3	3	N15'10'19.24'' E74'03'02.98''	Tar road continuation(turn)
4	4	4	N15'10'22.04'' E74'03'03.85''	Tar road continuation
5	5	5	N15'10'25.37'' E74'03'03.81''	End of tar road

Similarly Range Forest Officer has taken all the team members and applicants and respondent to the boundary line point of provisionally identified perspective Private Forest in **Sy. No 23(P)** which is towards the upside of the hill, where its geo tag photos were clicked and also recorded the geo location reading as under and same were superimposed and depicted on Satellite image (**Annexure -II**)

Sr. no.	Location no.	Photograph no.	Geo Location Reading	Remark
01	06	06	N15'10'25.92'' E74'03'01.26''	Boundary line point of provisionally identified perspective Private Forest in Sy. No 23(P) .

Upon verifying and locating all the above geo-location of road and boundary line point of provisionally identified perspective Private Forest in **Sy. No. 23 (P)**, it is found that the road identified by the applicants, is outside the boundary line of provisionally identified perspective Private Forest in **Sy. No. 23 (P)**.

The attendance of the all the above attendees present for the site inspection were recorded at the site (**Annexure-I**) and geo tag photos clicked during site inspection and geo location recorded during the inspection are put up in this site inspection report and the same report is shared with all the Joint Committee member constituted as per order No. 10/NGT(5)/LC/DCFS/2023-24/1106 dated: 04/10/2023 from the office of the Deputy Conservator of Forests South Goa Division, Margao and Applicant and Respondents in original application No.86/2022 and their signature is taken on this report.
