Action Taken Report in terms of order dated 19.11.2019 for and on behalf of Government of NCT of Delhi and Delhi Pollution Control Committee

1. That vide order dated 19.11.2019, this Hon'ble Tribunal pleased to direct as follows:-

“Let there be enhanced monitoring and surveillance and further action taken report filed as on 15.01.2020 by 20.01.2020 by email at judicial-ngt@gov.in.”

2. That, in addition to the action taken and detailed action taken report submitted earlier dated 16.11.2019 in the compliance of the order passed by this Hon'ble Tribunal, a joint inspection drive was conducted w.e.f. 26.12.2019 by the 6 teams comprising of officials of Revenue Department, DMC, DPCC, Delhi Police, Power Distribution Company against the illegal plastic units using any of the processes and other grossly polluting industries operating in non-conforming areas, particularly in and around the villages from where the plastic trade on agricultural land was dismantled. During the inspections carried out by these 6 teams w.e.f. 27.12.2019 to 06.01.2020, sixty (60) units were effectively closed, copy of which is annexed herewith as **Annexure-1**. Further, DPCC has imposed Environmental Damages Compensation (EDC) totaling Rs. 4,86,96,250/- (Rupees Four Crore Eighty Six lakhs Ninty Six Thousand Two Hundred Fifty Only) upon the above 60 units, out of which total EDC of Rs. 8,13,750/- (Rupees Eight Lakhs Thirteen Thousand Seven Hundred Fifty Only) have been recovered.
3. That, during the earlier drive carried out between 31.07.2019 to 03.10.2019 against the illegal plastic handling units operating in non-conforming areas, 82 units were effectively closed. Further, DPCC has imposed Environmental Damage Compensation (EDC)

of Rs. 8,84,33,750/- (Rupees Eight Crore Eighty Four Lakhs Thirty Nine Thousand Seven Hundred Fifty Only) upon these 82 units out of which amount of Rs 2,78,500/-(Rupees Two Lakhs Seventy Eight Thousand Five Hundred Only) have been recovered. The list of 82 units is annexed herewith as **Annexure-2**. In addition, 16 units found operating in non-conforming areas including the villages of Ranholla, Mundka Area and Kammruddin Nagar were effectively closed.

4. That, the Municipal Corporations of South and North Delhi are also carrying out a drive against all industrial units who are operating in non-conforming areas in compliance of the orders of the Hon'ble Supreme Court of India in WP(C) No. 4677/1985 in the matter of M.C. Mehta vs. Union of India & Ors. During the Step-3 of the aforesaid drive conducted during last 3 months, in total 192 units have been effectively closed in west district. Show Cause notices have been issued by DPCC to these units for imposing EDC of total amount of Rs. 15,54,00,000/-(Rupees Fifteen Crore Fifty Four Lakhs Only) which will be finalized on examining the replies. List of 192 units closed during the aforesaid drive is placed at **Annexure-3**.
5. That, with respect to Collection of Environmental Damage Compensation (EDC) and utilisation thereof, it is most respectfully submitted that, an internal committee of DPCC examined the matter and prepared a list of activities for utilization of EDC collected so far. Total Rs 45.13 Crore has been collected by DPCC as EDC till 31.12.2019. EDC collected would be utilized for the following activities:-
 - i. Development of infrastructure for Air and Water quality surveillance and monitoring for different areas/locations in Delhi NCR and other needed places.

- ii. Remediation of contaminated sites, including hiring of Experts/Consultants for specific requirement for remediation of sites, etc.
- iii. Specific investigations and studies with regard to environment and ecology.
- iv. Carrying capacity assessment for ecologically and environmentally sensitive & critical areas, including hiring of Experts/Consultants for specific purpose and period.
- v. R & D activities with regard to new technologies, clean technologies, etc.
- vi. Capacity building of scientific and engineering personnel engaged in pollution control activities.
- vii. Specialized studies on accidental spill areas, health impact assessment, recalcitrant pollutants, etc.
- viii. Information, Education and Communication (IEC) activities.
- ix. Pilot projects.
- x. Survey of Industrial areas.
- xi. Any other scientific and technical matter concerning environment protection.

That, the following expenditures have been incurred from the EDC collected so far:

- i. Installation, operation and maintenance of continuous Ambient Air Quality Monitoring Stations – Rs. 4.09 crores
- ii. Payment made to various academic institutions such as IIT Kanpur, IIT Madras, NEERI, Jamia Millia Islamia, FICCI for carrying out research and study projects on pollution control abatement – Rs. 1.5 crores
- iii. Development of software, website and technology and public grievance redressal mobile app – Rs. 61.10 lakhs
- iv. Procurement of instrument for DPPC air lab – Rs. 24.12 lakhs
- v. Installation of recycling unit in Government School – Rs. 14.74 lakhs.

- vi. Monitoring of air pollution in various locations of Delhi – Rs. 89.64 lakhs
- vii. Installation of real time water quality monitoring station at Wazirpur and Okhla – Rs. 29.67 lakhs
- viii. Fund transferred to CPCB on the direction of NGT – Rs. 5.11 crores
- ix. Installation of CCTVs on 15 poles of Mayapuri Industrial Area Phase-II – Rs. 61.53 lakhs

That, the 700 persons which were engaged as environmental marshals were discontinued promptly w.e.f. 27.11.2019. These marshals were engaged for a brief period from 10.11.2019 to 27.11.2019 to assist the field officers in keeping strict night vigil to prevent waste burning and dumping. As has been directed, that the funds collected from Environmental Damage Compensation were not utilised for expenditure incurred towards these personnel. The cost for the brief period of their deployment of 18 days was met out from the administrative fund.

- 6. That, with regard to use of ISRO's Bhuvan application for detection of fire incidents, DPCC has requested ISRO to provide their technical assistance /support regarding Bhuvan geo portal application for detecting fire accidents/burning of garbage and biomass and control other air pollution sources in Delhi. The National Remote Sensing centre vide their letter dated 06.01.2020 has responded by replying as:-

“In context of fires from illegal dumping and burning of waste, plastic burning etc., the areas are likely too small for detection using the satellite data. It is also important to note that satellite detection is restricted to active fires during the time of overpass. One of the solutions could be an app based solution where the citizens can also be involved for monitoring of burning sites/dumps. An app customized for the same could be handled

by the clearing staff/monitoring staff. They can upload photos and monitoring could be done. ISRO Geo portal Bhuvan can be used for the same, should such an app based solution be considered suitable, further discussion could be held with the Bhuvan and mobile app teams at NRSC.

The letter of ISRO is annexed herewith as **Annexure-4**.

Accordingly, it has been decided to develop a dedicated mobile application for lodging grievances and redressal thereof on the pattern of SAMEER application. DPCC has assigned the task to NIC for the same. Copy of the letter dated 22.02.2020 is annexed herewith as **Annexure-5**.

7. That as far as deployment of CRPF personnel during severe plus category of air pollution to prevent burning of garbage and biomass and control other air pollution sources is concerned, the DPCC has requested CRPF to depute personnel during severe air plus category situations in Delhi. CISF has expressed its inability to depute personnel for such short period when the pollution levels are severe. Copy of the letter dated 06.03.2020 is annexed herewith as **Annexure-6**.
8. That, as already informed to this Hon`ble Tribunal, study was awarded to Jamia Millia Islamia University for assessment of the environmental degradation in village like Tikri Kalan, Nangloi, Mundaka, Kamuruddin Nagar and Ghewra etc affected by plastic waste recycling and handling. The team of officials of Jamia Millia have collected soil and water samples on 02.11.2019. Jamia Millia Islamia University has provided its interim report and has concluded that the study does not show any significant impact on the soil because of plastic waste recycling waste practices.

9. In the matter of 'N.S. Yadav & Ors. Vs Commissioner, North MCD & Ors.' in OA No. 435 of 2016, 50 numbers of units were inspected and 18 units were closed in Naharpur Village Area, 32 units had vacated the premises after issuance of notice by North Delhi Municipal Corporation. Regular vigil and surveillance has been carried out along with North Delhi Municipal Corporation. During the recent inspection carried out along with the complainant on 20.02.2020, no violation was observed. Further, the complainant has been requested to inform NDMC/DPCC in case any unit clandestinely starts operation.

10. OA No. 726 of 2017, "Chattar Singh Rachhoya Versus North Delhi Municipal Corporation & Ors."

That in the matter of 'Chattar Singh Rachhoya Versus North Delhi Municipal Corporation & Ors' in OA No. 726 of 2017, 192 sheds operating in Community Work Centers (CWCs), Nangloi were closed down, so as to stop polluting activities in the area. In addition, DPCC has imposed Environmental Damage Compensation of total amount of Rs.96600000/- (Nine crores sixty six lakhs) on the violators.

11. OA No. 13 of 2017, "Chanakya Place Residents Welfare Association Versus Govt. of NCT of Delhi & Ors."

That, earlier a joint inspection was carried out by officials of South Delhi Municipal Corporation (SDMC) and Delhi Pollution Control Committee (DPCC) with respect to Original Application Number 13 of 2017. 03 units, out of 623 units which were polluting in nature were effectively closed. EDC was imposed on these 03 units and the imposed EDC has been deposited by these 3 units. 620 units are small and tiny tailoring/ embroidery and similar units. SDMC has

been requested to file Action Taken Report before this Hon'ble Tribunal for kind consideration.

12. That, in compliance of the directions of Hon'ble Supreme Court of India in WP(Civil) No. 13029/1985 in the matter of MC Mehta Vs UOI & Ors and also in pursuant to the directions of this Hon'ble Tribunal, the Chief Secretary, Delhi had issued a number of directions to the Urban Local Bodies, PWD, DSIIDC and DPCC to deploy enhanced resources in terms of machinery, officials and finances to carry out sustained drive of identifying garbage and plastic dumps, clearance thereof, identification and filling up of potholes and unpaved stretches in all parts of Delhi including hotspots. The cumulative amount of construction and demolition waste of 163275 MT dumped on road sides and vacant plots and drains have been cleared from 08.11.2019 upto 12.02.2020. During the same period garbage and plastic waste of 97596 MT has also been cleared, potholes of 6756 sq. meter of space were filled up and 226 km of road stretch have been paved. A consolidated statement of the action taken during this period is annexed as **Annexure-7**.

13. That, 13 hotspots have been identified in Delhi in consultation with EPCA and CPCB as the said spots have higher air pollution levels in comparison to other areas. Specific action plans have been drawn up for identifying and mitigating the local sources of air pollution so that there is immediate impact on the improvement in the air quality around these hotspots. The Dy. Commissioners of MCD Zones have been made responsible as Nodal Officers for the execution of the action plan(s) and the officers from other concerned line agencies have been made members of the execution team on ground so as to ensure effective coordinated action. Summary of actions since 08.11.2019 taken to curb local sources of pollution in identified hotspot regions are submitted as below:

- i. Jahangirpuri
 - 2002.42 MT of C&D waste and 528.46 MT of garbage & plastic dumps cleared by North DMC and PWD.
 - 1086.92 Km stretch of the roads sprinkled with water sprinklers.
 - 23 polluting units closed in the non-conforming areas.
 - 47 challans imposed amounting to Rs. 4.25 lakhs for various violations.
 - 99.5 Sqm road repaired.
 - 3051.46 km stretch of roads swept using mechanical road sweeping machines.
 - PWD has greened 2600 Sqm of the area.
- ii. Rohini
 - 652 MT of C&D waste and road dust and 892 MT garbage removed by North DMC and PWD.
 - 3273.5 km km stretch of roads swept using mechanical road sweeping machines
 - 417.62 km of roads prone to road dust cleaned using water sprinklers.
 - 105 challans amounting to Rs. 5,25,000/- imposed for various violations.
 - 72 Sqm of potholes filled
- iii. Bawana
 - 164.9 MT of C&D waste and road dust and 6904.49 MT garbage cleared by North DMC and PWD.
 - 710 km stretch of roads swept using mechanical road sweeping machines.
 - 516 km of roads prone to road dust cleaned using water sprinklers.
 - 79 Sqm of potholes filled and 79 Sqm road repaired.
 - 4 polluting units operating in non-conforming areas closed.
 - 530 nos. Of plantations done and developed 6 nos. Of lawns in MPL school
 - 25 Number of open burning incidents mitigated.
- iv. Ashok Vihar & Wazirpur
 - 23 MT of C&D waste and 615 MT of garbage & plastic dumps cleared by North DMC and PWD.

- Potholes on the adjoining roads near Wazirpur Fire Station Air quality Monitoring station and 20 such locations identified during the joint survey by North DMC and DSIIDC officials at Block-A, B and C of Wazirpur Ind Area have been filled up.
- 597 challans amounting to Rs. 49.36 lakhs/- imposed for various violations
- 1177.2 km of roads prone to road dust cleaned using water sprinklers.
- 3150.1 km stretch of roads swept using mechanical road sweeping machines.
- 9 polluting units closed operating in non-conforming areas.

v. Vivek Vihar

- 2267 MT of C&D waste and 4289.52 MT of garbage & plastic dumps cleared by East DMC and PWD.
- 2066 km of roads prone to road dust cleaned using water sprinklers.
- 3312 km stretch of roads swept using mechanical road sweeping machines.
- 78 kms of road repaired and 159 sqm of pot holes filled.
- Traffic congestion has been removed under Shahdara flyover near Mansarover Park, Metro Station Jhilmil Industrial area and 55 number of cars were seized.
- Nil polluting units closed in non-confirming areas.
- 313 challans of amount Rs. 6.95 lakhs imposed.

vi. Anand Vihar

- 2812 MT of C&D waste and 3854.81 MT of garbage & plastic dumps cleared by East DMC and PWD.
- 4074.38 km of roads prone to road dust cleaned using water sprinklers.
- 2662 km stretch of roads swept using mechanical road sweeping machines.
- 55 kms of road repaired and 118 sqm of pot holes filled.
- 5 polluting units closed in non-confirming areas.
- 150 challans of amount Rs. 2.77 lakhs imposed.

vii. Punjabi Bagh

- 3462 MT of C&D waste and 874.5 MT of garbage & plastic dumps cleared by North DMC and PWD.

- 40 Kms of roads paved.
- 382 km of roads prone to road dust cleaned using water sprinklers.
- 656 km stretch of roads swept using mechanical road sweeping machines.
- 0.85 acre greenery developed with 270 tree saplings

viii. Mundka

- 694 MT of C&D waste and 13841.326MT of garbage & plastic dumps cleared by North DMC and PWD.
- 421.7 km of roads prone to road dust cleaned using water sprinklers.
- 680km stretch of roads swept using mechanical road sweeping machines.
- 81 challans amounting to Rs. 5.60 lakhs/- imposed for various violations
- 48 Sqm of road repaired and 10 sqmt of potholes filled.
- 545 nos. Of plantations done and developed 2 nos. Of park and 6 nos. Of lawns in MPL school
- 4 polluting units closed in non-conforming areas.

ix. Narela

- 118.7 MT of C&D waste and 11573.874 MT of garbage & plastic dumps cleared by North DMC and PWD.
- 390.4 km of roads prone to road dust cleaned using water sprinklers.
- 728 km stretch of roads swept using mechanical road sweeping machines.
- 40 Sqm of potholes filled.
- 34.40 sqmt of road repaired.
- 609 nos. Of plantations done and developed 6 nos. Of lawns in MPL school
- 44 challans amounting to Rs. 3.95 lakhs/- imposed for various violations

x. Okhla

- 1580.08 MT of C&D waste and 20.45 MT of garbage & plastic dumps cleared by South DMC and PWD.
- 2283 km of roads prone to road dust cleaned using water sprinklers.
- 305.2 km stretch of roads swept using mechanical road sweeping machines.

- 143 Sqm of potholes filled.
- Paving of 21 Kms of road paved
- 1.50 acre greenery developed
- 18335 saplings planted by PWD

xi. Dwarka

- 360.45 MT of C&D waste and 211.8 MT of garbage & plastic dumps cleared by South DMC and PWD.
- 511 km of roads prone to road dust cleaned using water sprinklers.
- 47 km stretch of roads swept using mechanical road sweeping machines.
- 105 Sqm potholes filled.
- 0.5 acre of greenery developed

xii. Mayapuri

- 306 MT of C&D waste and 2087 MT of garbage & plastic dumps cleared by South DMC and PWD.
- 398 km of roads prone to road dust cleaned using water sprinklers.
- 318 km stretch of roads swept using mechanical road sweeping machines.
- 27 Kms of roads paved.
- 3102 saplings planted.

xiii. R.K.Puram

- 1686 MT of C&D waste and 66.88 MT of garbage & plastic dumps cleared by South DMC and PWD.
- 188 km of roads prone to road dust cleaned using water sprinklers.
- 322 km stretch of roads swept using mechanical road sweeping machines.
- Repairing of 1766 sqm of roads done and 665 sqm pot holes filled
- 1550 saplings planted

14. That, to curb the emission of air pollutants in industrial areas, DPCC has been implementing a scheme under which all the industrial units using conventional fuel are being made to switch over to Piped Natural Gas (PNG) a much cleaner fuel. Till date, 1209 number of

industries out of the 1537 number of industries using fuel have switched over to PNG and in respect of 231 units the conveyance system is being put in place. 97 units, which failed to convert to PNG have been closed down by Delhi Pollution Control Committee. The above action to completely stop use of smoke emitting conventional fuel has contained the emission of black smoke from industrial units to a large extent.

The above action taken may please be taken on record.

(Dr. Anwar Ali Khan)
Senior Environmental Engineer,
DPCC

Annexure - 20 me (1)

(14)

Status of Action Taken by Teams deputed to conduct Inspection in West & North West Districts in Hon'ble NGT matter 56/2013 w.e.f. 27.12.2019 till 06.01.2020 (60 Cases)

S.No	Date of Inspection	Name of the Unit	Address of the Unit	Product / Activity of the Unit	Category	EDC imposed (in Rs.)
1	27.12.2019	Rajesh Gumber (Classic Namkeen Tasty and Crispy Food)	RZ-72, Nangloi, Delhi	Namkeen and other Food Material	Orange	337500
2	27.12.2019	Suraj Bhan S/O Umed Singh	VPO Kamruddin Nagar, Nangloi, near Dhan Singh, Dharam Kata, Delhi	Storage and Burning of Plastic (Sheet Cutting /Rubber Waste etc)	Orange	562500
3	27.12.2019	Basanta Ram	Kh No-5, G/F, Kamruddin Nagar, Nangloi, Delhi	Engaged in the activity of Plastic Recycling	Orange	562500

Sub : ISRO Bhuvan geo portal application for detecting fire accident/ burning of garbage in Delhi - Reg.

Dear Sir,

This is with reference to your letter no F. CMC-VI/19/2018/1678to680 dated 24 Dec 2019 regarding Bhuvan geo portal application for detecting fire accidents/ burning of garbage and biomass and control other air pollution sources in Delhi

NRSC has been carrying out active fire monitoring using satellite data using satellite data from the MODIS flying on the TERRA and AQUA space craft and Visible Infrared Imaging Radiometer Suite data from the Suomi National Polar-orbiting Partnership (SNPP-VIIRS) and JPSS-1/ NOAA 20. Satellite data is received and processed at National Remote Sensing Centre, Shadnagar campus, Telangana in near real time. The sensors have a spatial resolution of 1km and 375m respectively. The active fires product is also useful for detection of the regional patterns in agricultural burning and can be used for detecting village/ taluk level patterns and studying the temporal behaviour of fires. Daily, and weekly reports are prepared and sent by email to Moef-CC at 1530 hours daily. The information is also published on the Bhuvan website <https://bhuvan-app1.nrsc.gov.in/moef/index.php?s=0&z=1>

In the context of fires from illegal dumping and burning of waste, plastic burning etc, the areas are likely too small for detection using the satellite data. It is also important to note that that satellite detection is restricted to active fires during the time of overpass.

One of the solution could be an app based solution where the citizens can also be involved for monitoring of burning sites/dumps. An app customized for the same could be handled by the cleaning staff/monitoring staff. They can upload photos and monitoring could be done. ISRO Geo portal Bhuvan can be used for the same, should

such an app based solution be considered suitable, further discussion could be held with the Bhuvan and mobile app teams at NRSC.

With regards

Yours sincerely,
C.S.

Subject: Development of Mobile Application for grievance redressal on the pattern of Sameer Application of CPCB for Delhi Pollution Control Committee.

Sir,

This has reference to your proposal received through email dated 21-02-2020 for development of Mobile Application for grievance redressal on the pattern of Sameer Application of CPCB for Delhi Pollution Control Committee as per order of Hon'ble NGT in OA No. 681/2018 dated 15/11/2019 in the matter titled as "NCAP with multiple timelines to clean air in 102 cities to be released around August 15", wherein Hon'ble NGT has directed that "SPCBs/ PCCs need to develop interactive public Grievance Redressal portals on the pattern of CPCB portal "Sameer".

Description and Cost of the development of Mobile Application is as here under: -

S No.	Description	Cost in Rs
1.	Total Android/ iOS and Web application development.	Rs. 6,00,000/-
2.	NICSI charges Extra @ 7% of S. No.1	Rs. 42,000/-
3.	GST charges Extra @ 18% (S. No.1+2)	Rs. 1,15,560/-
4.	Total	Rs. 7,57,560/-

The proposal sent by National Informatics Centre, Delhi shall be part of the work order. The additional features of the Sameer app shall be incorporated in the app in addition to the proposal sent by NIC. The change of functionality or upgradation will be a part of maintenance of mobile application. NIC, Delhi team will provide a support of 12 months after application is completed.

Fifty percent (50%) payment i.e. Rs. 3,78,780/- of the total cost will be made to National Informatics Centre, Delhi to start the development of mobile app of grievance redressal. Remaining 25% of the payment will be given after the testing of mobile app & 25% of the payment after

the acceptance of project. Grievance Redressal Mobile App should be name as 'Green App' & should be completed within 3 weeks from the date of work order..

In view of the above, you are hereby required to send a formal acceptance of above terms and conditions. NIC, Delhi shall extend support for its maintenance which will be required by DPCC in view of fact that DPCC doesn't have any regular IT expert on its strength.

This issues with the approval of competent authority in DPCC,

Yours faithfully,

(B. L. Chawla)

SUB: Request for deployment of CISF personnel during severe plus category of air pollution to prevent burning of garbage and bio-mass and control other air pollution sources : Reg

Sir,

I am directed to refer to CISF UO note No.O-42012/ISD/Misc-III/Ops-145 dated 08/01/2020 forwarding Government of NCT Delhi letter No.F.CMC-VI/19/2018/681 to 683 dated 24/12/2019 on the above subject.

2. The request of Government of NCT Delhi for deployment of CISF for surveillance and patrolling, particularly when pollution level reaches to severe plus category to prevent burning of garbage, bio-mass and other pollution sources in light of observations of Hon'ble National Green Tribunal, New Delhi dated 19/11/2019 in OA No.56/2013, 57/2013 has been examined in this Ministry.

3. It is informed that CISF is an Armed Force of the Union raised under the CISF Act, 1968 (50 of 1968). As per the CISF Act, the Force is constituted for better protection & security of Industrial Undertakings owned and controlled by Central Government/State Government/Joint Venture and Private Sector and all expenses of its deployment are borne by the client organization. Regular deployment of CISF for a short period i.e. during "winter months post October every year" when the level of air pollution in Delhi reaches very poor and severe zone is not viable, as CISF is not provisioned for any partial or compartmental deployment under the CISF Act.
