Compliance Report in the matter of Hon'ble NGT in E.A. No0.34/2023 in Original Application No. 526/2019 in the matter of Sh. Mahesh Chandra Saxena V/s Central Pollution Control Board &Anr.

MOST RESPECTULLY SHOWETH

1. That in compliance of directions passed by this Hon'ble Tribunal vide order dated 24.04.2024 in E.A. No. 34/2023, wherein the Delhi Jal Board (DJB) was directed to file the compliance report with regard to order dated 24.04.2024. The relevant Para 3 & 4 of order dated 24.04.2024 is being reproduced hereunder:

"3. After the previous direction, the fresh reports on behalf of the CGWA, MCD, DPCC and DDA have been filed but a perusal thereof also does not reflect disclosure of any material and relevant information. Hence, we direct all the concerned respondents to file their response on the following specific points:

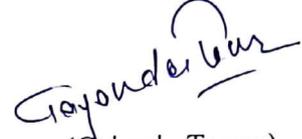

- a) Number of RWHS erected along with the location details and contact details of the officer responsible for maintaining.*
- b) Whether the RWHS erected are as per the suggestions of the Committee constituted earlier by Hon'ble NGT.*
- c) Number of the structures erected near to the storm water drains.*
- d) Status and number of piezometers installed near the RWHS for monitoring of ground water level.*
- e) Number of Deficient RWHS.*

4. Let fresh report on the above points be filed within a period of three weeks by all the concerned respondents, failing which the Tribunal may not have any option but to direct personal appearance of the Heads of these authorities."

2. That the compliance report of DJB is as under:-

Sr. No.	Questions	Answers
1.	Number of RWHS erected along with the location details and contact details of the officer responsible for maintaining.	DJB has erected 594 nos. RWHSs at different locations in the premises of STP/WTP/SPS/BPS/UGR, offices etc. The list of RWHSs with their locations and contact details of concerned maintenance authority is annexed as "Annexure-A".
2.	Whether the RWHS erected are as per the suggestions of the Committee constituted earlier by Hon'ble NGT	As per suggestions of the Constituted Committee, RWHSs have been erected with provision of separators to separate pollutants before recharging and none of RWHS erected near to the storm water drain. The depth of recharge bore wells in the RWHSs have been kept 5m above the static water table.
3.	Number of the structures erected near to the storm water drains	None of RWHS erected near to the storm water drain.
4.	Status and number of piezometers installed near the RWHS for monitoring of ground water level	DJB has installed 95 nos. piezometers at different locations in the premises of STP/WTP/SPS/BPS/UGR etc. for monitoring of ground water level & quality of recharged water. The list of piezometers with their locations is annexed as "Annexure-B".
5.	Number of Deficient RWHS	There is only one abandoned RWHS located in premises of UGR/BPS Prahladpur Village, as the said UGR/BPS is not in use/dilapidated/ruined condition. The abandoned RWHS is mentioned at Sr. No.26 in the list annexed as Annexure-A.

3. The compliance report is being submitted in this Hon'ble Tribunal for the record and kind perusal. However, any further direction given by this Hon'ble. Tribunal in this regard will be abided by the undersigned. Submitted Please.
