**STATUS REPORT ON BEHALF OF STATE OF HARYANA**

I, T.P. Singh, Secretary Forest, Government of Haryana at present at Chandigarh, do solemnly affirm and submit as under-

1. That the deponent is presently posted at Chandigarh, as Secretary Forest, Government of Haryana and being conversant with the facts and circumstances of the present case competent to swear the present affidavit in his official capacity.
2. That the Hon'ble Supreme Court on 21.07.2022 pronounced the judgment in the captioned Civil Appeal and in the operative part of the said judgment issued the directions as under:-

*"64. Thus, we hold that the lands covered by the special orders issued under Section 4 of PLPA have all the trappings of forest lands within the meaning of Section 2 of the 1980 Forest Act and, therefore, the State Government or competent authority cannot permit its use for non-forest activities without the prior approval of the Central Government with effect from 25<sup>th</sup> October 1980. Prior permission of the Central Government is the quintessence to allow any change of user of forest or so to say deemed forest land. We may add here that even during the subsistence of the special orders under Section 4 of PLPA, with the approval of the Central Government, the State*

or a competent authority can grant permission for non-forest use. If such non-forest use is permitted in accordance with Section 2 of the 1980 Forest Act, to that extent, the restrictions imposed by the special orders under Section 4 of PLPA will not apply in view of the language used in the opening part of Section 2 of the 1980 Forest Act. We also clarify that only because there is a notification issued under Section 3 of PLPA, the land which is subject matter of such notification, will not ipso facto become a forest land within the meaning of the 1980 Forest Act.

65. Therefore, the lands covered by the special orders dated 18th August 1992 issued under Section 4 of PLPA will be governed by the orders passed by this Court in the Petition for Special Leave to Appeal (Civil) Nos.7220-7221 of 2017. Hence, all the concerned authorities shall take action to remove the remaining illegal structures standing on land covered by the special orders and used for non-forest activities on the said lands erected after 25th October 1980, without prior approval of the Central Government, and further to restore status quo ante including to undertake reforestation/afforestation programmes in right earnest. As far as the lands covered by special orders under Section 5 are concerned, we are not making any adjudication. Therefore, the authorities will have to decide the status of the lands covered by the said orders under Section 5 on case to case basis.
66. To avoid any prejudice to the affected persons, we direct that before the action of removal of the illegal structures and/or action of stopping non-forest activities is taken in respect of the lands covered by the special orders dated 18th August 1992 issued under Section 4 of PLPA, the concerned competent authority shall afford an opportunity of being heard to the affected persons and conclude such proceedings finally not later than three months from today and submit compliance report in that regard within the same time.
3. The Hon'ble Supreme Court vide its judgement dated 21.07.2022 disposed of Writ Petition (Civil) Nos. 1008 and 1031 of 2021, Civil Appeal Nos. 10294 of 2013, 8454 of 2014, 8173 of 2016 and 11000 of 2013 in above terms and further modified the impugned order passed by National Green Tribunal.
4. That the Hon'ble Court has directed that before the action of removal of the illegal structures and/or action of stopping non-

forest activities is taken in respect of the lands covered by the special orders dated 18 August 1992 issued under Section 4 of Punjab Land Preservation Act, 1900, the concerned competent authority shall afford an opportunity of being heard to the affected persons and conclude such proceedings finally not later than three months from today and submit compliance report in that regard within the same time.

5. That in compliance of the above said directions, the concerned Departments of State of Haryana have taken the following actions so far:-

Further, this Committee will also list out the cases in which some of the organisations have already submitted their proposal to the Govt. of India or the Govt. of Haryana for diversion of land under the Forest (Conservation) Act, 1980.

- (iii) The ground truthing of unauthorized structures in all the four villages namely Ankhir, Mewla Maharajpur, Lakarpur and Anangpur has already been completed by the Committee so constituted and the summary of unauthorized structures verified in these villages are as under: –

Village	Number of Locations	Number of Unauthorized Structures

<b>Total</b>	<b>729</b>	<b>6793</b>

(Villagewise statements of unauthorised structures are annexed herewith marked as **ANNEXURE R/2.**)

- (iv) Simultaneously, the process of issuance of notice under Section 20 of PLPA, 1900 Read with Section 66, 35, 52 & 77 of the Indian Forest Act, 1927 Read With Section 2 of the Forest Conservation Act, 1980 to the violators has also been initiated by the Deputy Conservator of Forest.

So far, 729 entities have been served with 15 days notice either to remove all unauthorised structure and stop operation of all non-forestry activities or to submit written representation in response to the notice denying the facts mentioned in the notice. (Copies of some of such notices dated 10.10.2022 issued are annexed herewith marked as **ANNEXURE R/3.**)

*[Handwritten signature]*

- (v) The objections/replies received from the noticees in response to notices so issued will be examined and decided by the aforesaid Committee constituted vide order dated 14 September 2022 after affording an opportunity of hearing, if requested. Thereafter, the unauthorised structures will be removed.

Out of these 65 entities, 22 applications predate the Judgment of this Hon'ble Court, while 43 have been filed after delivery of the Judgment. Such applications also need to be decided by the competent authority, including the Central Government (A list of applications submitted for diversion of land is annexed herewith marked as **ANNEXURE-R/4**).

It is submitted that from the preceding paragraphs, it is evident that the Forest Department, Government of Haryana is carrying out the implementation of the Judgment of this Hon'ble Court dated 21 July 2022 with all its earnestness.

However, the process to be followed i.e. verification, affording an opportunity of hearing, deciding the representations so submitted to the Committee so constituted before the removal of unauthorised structures standing on lands notified under section 4 of the Punjab Land Preservation Act, 1900 vide notification(s) dated 18 August 1992, requires some more time. Therefore, a separate application for grant of additional time of six months is being filed.
