**SUBJECT: IMMEDIATE SHIFTING OF GARBAGE DUMP OPPOSITE CREMATION GROUND
IN MODEL TOWN, JALANDHAR, PUNJAB, THAT'S SPREADING DISEASE & WREAKING
HAVOC IN THE LIVES OF THE RESIDENTS OF THE AREA.**

Dear Sir/ Ma'am,

With due regards, we humbly state that we're all concerned citizens of Jalandhar City, Punjab India and want to bring to your kind attention a very serious issue that's wreaking havoc in the life of the residents of the area of Model Town, Kewal Vihar, GTB Nagar & Housing Board Colony and nearby areas in Jalandhar, Punjab

There is a public road at the back side of Kewal Vihar, right opposite the cremation ground of Model Town, Jalandhar that has illegally been turned into a huge hazardous open garbage dump by Municipal Corporation, Jalandhar which is having a chronic adverse effect on the life, health and safety of the residents of the area. This dump consists of a mix of totally unsegregated dry, wet, organic, inorganic, domestic, commercial, recyclable, non-recyclable, medical and bio hazardous waste that is being ferried from different parts of the city and is being dumped here. This dump stretches all the way from Cremation Ground, Jalandhar along the boundary of Kewal Vihar to Mother Teresa Orphanage.

Please note the below:

- 1) **The illegal garbage dump emits a very foul smell and has severely polluted the air around the area.** A lot of residents of the surrounding area are suffering from severe breathing problems because of this, which has made the area uninhabitable for the residents.
- 2) **The illegal garbage dump has severely polluted the ground water.** Many old trees around the periphery wall of Kewal Vihar have dried and died because of this. This polluted ground water is a severe hazard to everyone.
- 3) This illegal garbage dump is a breeding ground of mosquitoes and many other insects and is a severe medical hazard responsible for many dangerous diseases. **A lot of people have contracted severe diseases like dengue, chikungunya and malaria because of mosquitoes from this dump.**
- 4) **This illegal garbage dump is a source of spreading many other diseases like typhoid, dysentery, cholera, conjunctivitis and many others, which have been contracted by a lot of residents of the area.**
- 5) **This illegal garbage dump is a breeding source for rodents and is directly responsible for spreading diseases like rat bite fever, Salmonella, plague, LCMV, Tularemia etc, which have been contracted by a lot of residents of the area.**
- 6) **This illegal garbage dump is a severe fire hazard and has caught fire a lot of times, emanating dangerous gases and materials like nitrogen oxides, sulfur dioxide, volatile organic chemicals (VOCs) and polycyclic organic matter (POMs).** This is having a serious adverse effect on the health of the residents of the area.
- 7) **This illegal garbage dump has become a hotspot for stray cows and dogs which often attack the residents of the area and the passers-by.** NOTE that the stray animals also eat this 100% unsegregated waste which has caused severe diseases and death of many of them.
- 8) **This illegal garbage dump is 100% on a public road and poses a huge risk to the citizens plying through it.** The effective width of the road has been severely reduced, causing many accidents & traffic jams.
- 9) **This illegal garbage dump is right opposite the main cremation ground of Jalandhar City in the posh area of Model Town and causes severe inconvenience to dozens of people paying their last respects to their loved ones.**

We would like to bring to your kind attention that a Joint Action Committee was formed by the residents to deal with this issue and was registered as well. The residents, individually, and through the society have filed numerous complaints over the years, but no action has been

taken by any of the concerned authorities. Multiple complaints have been given to the below offices:

- Prime Minister Office (PMO), India
- Chief Minister Office (CMO), Punjab
- Principal Secretary, Punjab
- Cabinet Secretary, Punjab
- Hon'ble Minister, Department of Local Bodies, Punjab
- Principal Secretary, Department of Local Bodies, Punjab
- Pollution Control Board, Punjab
- Municipal Commissioner, Jalandhar
- Deputy Commissioner, Jalandhar

In spite of all these complaints, no action has been taken by Municipal Corporation, Jalandhar. This issue has been highlighted numerous times by all leading newspapers and media like The Tribune, Dainik Savera, Dainik Bhaskar, Punjab Kesari, Hindustan Times, The Times of India, Ajit and dozens of other media channels but all of this has failed to initiate any action from Municipal Corporation, Jalandhar.

Please note that this garbage dump is 100% ILLEGAL and is against all rules set by Municipal Corporation, Jalandhar, Government of Punjab and Government of India. This dump is in direction violation of a multitude of basic environmental, health & safety, citizen welfare and traffic laws. It is also in direct violation of fundamental rights of a common citizen in India and Universal Charter of Human rights.

We request the below relief from your side:

- 1) The garbage dump should be fully shifted IMMEDIATELY from this site to a more suitable location.
- 2) Ferrying and dumping of any garbage from any part of the city to this location should be immediately stopped.
- 3) Strict action should be taken against Municipal Corporation, Jalandhar for gross negligence and playing with the lives of the residents of the area.
- 4) A heavy monetary penalty should be imposed on Municipal Corporation, Jalandhar and the penalty amount should be used in the improvement and beautification of the area.
- 5) A heavy monetary penalty should be imposed on Punjab Pollution Control Board (PPCB) for absolute failure to do their job.
- 6) The road should be remade and should be open to the traffic.
- 7) The trees that have dried and died because of this should be uprooted and new sapling should be planted at the same spot.

We humbly request you to take the strictest possible action at the earliest and save the lives and quality of life of the residents. Thanks a lot!
