2. A translated copy of the letter dated 14.02.2023 is annexed herewith as **Annexure- A**.

As per the abovementioned letter, the compensation amount was provided to the injured workers and family members of the deceased workers in the following manner:

6. Upon further inquiry, it came to the knowledge of CECB, that one prohibitory order dated 11.06.2020 was passed by office of Deputy Director Industrial Health and Safety against, the factory to restrict the presence of workers at the site of the incident. Furthermore, the Criminal Case No. 13/Factories Act/2020, was also filed against the factory occupier, Mr. Dinesh Kumar Sarawagi, and the factory manager, Mr. Vivek Garg, under Section 7A(2)(a), Section 41 read with the rule 73(1) and Section 37(4) of the Factories Act,1948 (as amended upto 1987), before the Hon'ble Labour Court Raigarh on 07.07.2020.

- a. The scrap bus had a diesel tank with holding capacity of 300 liters of diesel.

 - c. Thereafter, the workers poured 50% of water into the diesel tank and started the dismantling work without ensuring the presence of leftover diesel particles inside the tank.
 - d. Consequently, the tank exploded due to the heat generated from the dismantling work and this caused serious burns to the workers at the site of the incident.
8. Thereafter, the Ld. Labour Court vide order dated 22.10.2021, convicted the factory occupier, Mr. Dinesh Kumar Sarawagi, and the factory manager, Mr. Vivek Garg, and imposed the fine of Rs. 4,20,000/- on both the accused persons and further directed the simple imprisonment of three months, in case, the fine so imposed is not paid by them. A true translated copy of the order dated 22.10.2021 passed by the Hon'ble Labour Court in Criminal Case No. 13/Factories Act/2020 is marked and annexed herewith as **ANNEXURE -B**

9. Thus, it is submitted that in the said case, all the appropriate actions have been taken by the concerned departments against the accused persons and for safeguarding the interests of the victims and family members of the deceased workers.
10. Hence, the present reply is being submitted for the kind perusal of this Hon'ble Tribunal. This Hon'ble Tribunal may, therefore, take the present reply on record and pass any appropriate order(s) that it may deem fit, which will be complied with by CECB.

Suddenly the tank got burst down during the course of cutting the diesel tank of the old bus while executing the work wherein all the working employees/ staffs

got severely burnt and the employees/ staffs Jaymal Khalkho and Kanhaiya Lal Poddar had died. You by conducting the unsecure work system had drained the tank by taking off around 50 to 60 liters of diesel from the diesel tank of 300 liters capacity and by pouring 50 percent of water into the tank and had started the work of gas cutting without ensuring the presence of inferiority inside the tank.
