

## FACTUAL REPORT

**Subject -** OA No. 138/2017 (CZ) Mangal Singh Chauhan Vs State of M.P. and Others.

**Reference -** Honorable NGT order dated 17th August 2020.

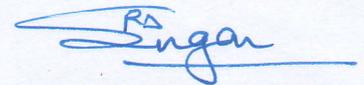

In context to Honorable NGT order dated 17.08.2020 in in OA No. 138/2017 (CZ), the undersigned inspected the sand mine situated at Nimsadiya, Chaplasar, Rajon Maroda, Gujarwada of Hoshangabad district on 25.08.2020. Mining Inspector Smt. Archana Tamrakar was associated with me on behalf of Mining Office Hoshangabad. During inspection following observations were made -

1. All Sand Mines found non-operative.
2. All Sand Mines found submerged in water as River Tawa has rainy season flow. Photographs enclosed (**Annexure -1**)
3. All Sand Mines have earthen approach road for vehicular movement. No sign of vehicle tyres movement was seen upon approach roads. Also no labourer, excavation machineries, manual excavation equipments, vehicles, excavated sand storage etc was seen at Sand mine sites.

Above observations clearly indicated that sand mining is completely stopped at mine sites. It is also informed by Mining Inspector that –

1. Sand mines in Hoshangabad district were operated by there contractor firm till expiry of contract period i.e. 31.03.2020. There after no working permission was granted to any contractor for sand mining in Hoshangabad district.
2. No Sand Stock is in operation in district at present since sand transportation permission in not granted by Mining Department to any operator.
3. Mining Department have the responsibilities of monitoring and action for illegal sand mining, storage, transportation cases within their district Jurisdiction. An action taken cum factual report in this regard has already been submitted by Mining Department Hoshangabad to Honorable NGT on dated 15.08.2020 by mail.
4. Status of EC and consent granted by MPPCB to Tawa River sand mines of Hoshangabad district is enclosed. (**Annexure-2**).

The above factual report is submitted in compliance to Honorable NGT order dated 17.08.2020
