OFFICE ORDER

NGT/PB/87/Admn/2014/633 (AD)

Dated : 23rd May, 2020

Sub : Instructions to staff in view of one corona positive case in NGT-reg.

As one corona positive case at NGT workplace has come to light, the NGT has followed the extant protocols. The district health authorities have sanitized the NGT premises. Based on the inputs given by the staff members, high-risk exposure contacts have been identified and their names and other details have been forwarded to the concerned authorities. Those high-risk exposure contacts have been asked to quarantine themselves for 14 days.

In the meanwhile, the staff members who fall under low-risk exposure contacts, are directed to follow all necessary protocols, including the guidelines issued by Directorate General of Health Services, Ministry of Health and Family Welfare, Govt. of India dated 18.05.2020. They shall closely monitor their health for 14 days and shall inform the authorities as per the protocol.

It is again impressed that the entire staff scrupulously follows all the guidelines issued by the Government from time to time, and strictly abides by the preventive measures required to be followed at workplace. Any laxity or negligence on the part of any staff member shall be detrimental to his/her health and might pose health risk to entire work force. All preventive measures like wearing of face-masks, washing/sanitization of hands and maintaining social distancing be followed strictly.

This issues with approval of the Competent Authority.
